A "rumor" got abroad, Brother Marshall caught on, and it was telegraphed abroad, that ladies of Rensselaer intended to drive Mrs. Rutherford out of town. We do not think there was any foundation for it. Rensselaer ladies are law-abiding, charitably disposed, and do not engage in such enterprises.

Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottle free at F. B. Meyer's Drug store. DRS. STARKEY and Palens' advertisement of Compound Oxygen in this issue of this paper should be read by all of our readers. The cures which this treatment is effecting are almost miraculous. In the few years since its discovery they have treated in all parts of the world upwards of fifty thousand patients. Thousands of these have given testimonials that they are cured, and a large proportion of the others report great benefit from its use. Their offer to send a two hundred page book free, giving a history of the treatment, with a large number of testimonials, is a liberal one. Read the advertisement and send for the book now.
