

In Brief, and to the Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, too hasty, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember!—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

The Ladies' Literary Society has decided to hold their annual anniversary on Thanksgiving eve. Notice as to the place of holding the reunion will be given in due time. The Chautauqua Reading course has been adopted as the plan of work for the coming year.

Meetings every Friday p. m., at their hall. Old members are requested to re-ally themselves with the society that they may mutually benefit each other.

MADGE O. WARREN, Sec'y.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first, only a cold. Do not permit any dealer impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottle free at F. B. Meyer's Drug store. Large bottles \$1.

French Lick and Baden Springs are located 80 miles Northwest of Louisville on the "Monon Route." The cures effected by using these waters, even in the most severe cases of Scrofula, Bright's Disease or Rheumatism, are immediate and lasting. For analysis, illustrated pamphlets, &c., address E. O. McCormick, Gen'l Pass'r Agent, Adams Express Building, Chicago.

BLACK Galloway cattle are in demand in Montana. This breed is hornless, but not otherwise remarkable except for hardness. The mountain ranges of Montana are very like, in climate and topography, the section of Scotland where the Galloway cattle originated.

The common harrow can be applied to many more purposes than its common one of preparing the ground for seeding. It is one of the best implements for fine manure after it has been spread broadcast, more thoroughly mixing it with the soil and making the manure doubly effective.

We take pleasure in calling the attention of our readers to the following extract from a letter to the Eldredge Manufacturing Co., Chicago, written by an English dealer in Sewing Machines:

Gents: I have telegraphed you this day to send on as quick, as possible 50 No. 2 tables and covers. I find I shall be out of these much sooner than the other styles. The stands and heads you can send at earliest convenience.

I am very much pleased to say that these last hundred machines are highly satisfactory. For finish, smoothness and easy running, I really believe they are unequalled by any other Sewing Machine selling in this country.

The machines require less preparation for delivery than any other machines I have handled during the whole course of my experience extending over 20 years.

Yours Truly,

THOS. RHODES.

Mrs. J. W. McEwen is agent for these machines in this county.—Call and see them before purchasing elsewhere.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free bottle at F. B. Meyer's Drug Store.

Thousands of these have given testimonials that they are cured, and a large proportion of the others report great benefit from its use.
