

FRIDAY, NOVEMBER 18, 1887

Entered at the post office at Rensselaer, Ind. as second-class matter.

We are unavoidably compelled to issue but a half-sheet to-day.

On the 14th inst., Justice Blatchford, of the U. S. Supreme Court, rendered a decision in which he declares the 'drive well' patent invalid on the ground that it was first used in public at Courtland, N. Y., two years before the patent was made. This decision will stop further payments of royalty.

Some of our Republican exchanges are bidding for the anarchist vote. The Indianapolis Journal gave the key-note, to-wit: "Gov. Oglesby is a Republican; he commuted the sentence of the only wage-workers in the lot, therefore vote the Republican ticket hereafter," and the small fry take on.

The Democratic State Central Committee met at Indianapolis Wednesday last for the transaction of business and consultation. The meeting was attended by a large number of representative Democrats from all over the State. A jubilant feeling prevailed over the result of the New York election, and the unanimity regarding Cleveland's renomination and reelection. A prominent Democrat said: "There has been apathy and a lack of confidence in Indiana, but now everything is changed, and more earnest, aggressive Democrats can not be found anywhere than in Indiana to-day. All of the of the open and quiet opposition to Cleveland that formerly existed has been swept away, and with one accord the party is getting itself in fighting trim. This means certain victory in Indiana next year."

The prevailing opinion was in favor of an early convention.

"It is not necessary to carry New York in order to elect a Republican President. Grant was elected in 1868 and Hayes was elected in 1876 without the help of New York."—Kentland Gazette.

Grant was elected without the help of New York, during the so-called reconstruction times, when one-third of the States were disfranchised.

As to Fraud Hayes, he was never elected. He had against him the electoral vote, and a quarter of a million majority of the popular vote. The Presidency went to him by virtue of perjury, forgery and theft, and the black and white perpetrators of the crime received places of trust and profit at his hands for committing the deed.

"Keep it before the people that the present depleted state treasury is a democratic legacy, and that all the financial embarrassment which the state is now undergoing is due to the party which has been persistently shouting 'reform' most of the time," etc.—Monticello Herald.

When the Democratic State Treasurer, Cooper, retired from office last February, he paid over to Lemcke his republican successor, \$320,525.20, every penny with which he was charged. And only a few days ago the State Auditor and Treasurer, both Republicans, in compliance with law published their official statement of the condition of the treasury at the close of October. That statement shows, after the payment of all current expenses of the State, a balance in the treasury of \$373,944.21. This would seem to make out that the Herald is outrageously lying.

That entering wedge which the republican party attempted to drive into the solid south thro' the state of Virginia failed to stick.

Fred. Grant is quietly considering "What there is in a name," and no doubt will conclude that "A rose by any other name would smell as sweet."

"Scooped," cries the Philadelphia Press.

"Disheartening," adds the Indianapolis Journal.

"As goes New York in 1887," shouted the New York Tribune before the last election, "so the country will go in 1888." New York went Democratic in 1887.

JACSON'S PURPOSE.

"The true inwardness of Henry R. Jackson's treasonable speech at Macon, doesn't seem to be known at the North," said a Georgia gentleman.

"And what is that true inwardness?"

"Well, you know that Jackson resigned his position as Mexican minister because of a quarrel with the administration. The fact is he hates the administration because it would not let him run things. Now he has given the North something to talk about in the hope that it will defeat Cleveland if he is nominated next year. Jackson would rather see a republican elected than Cleveland, and he would like to have Cleveland feel that when he let him go he weakened himself and his party."

Their Business Booming.

Probably no one thing has caused such a general revival of trade at F. B. Meyer's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind. testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters. Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at F. B. Meyer's Drug Store."

Four kittens, born at Narragansett Hotel, in New London, were bound together like the Siamese twins by a ligature at the abdomen. The cords were in the form of two triangles joined at the apex, the four ends connecting the kittens, with a space of 1½ inches between.

Give Them A Chance!

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boechee's German Syrup which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain

A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Atty., Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother was also very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "I positively believe he would have died, had it not been for Electric Bitters."

This great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c. and \$1. at F. B. Meyer's. 6

D. LANCELL'S ASTHMA AND CATARRH REMEDY.

SOLD BY ALL DRUGGISTS. Having struggled 30 years between life and death with ASTHMA or PHTHISIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last 5 years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials. all of recent date: Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief." E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation." L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 3 minutes does more for me than the most eminent physician did for me in three years." H. C. Plimpton, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried." We have many other hearty testimonials of cure or relief, and in a dozen cases all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy, we will send on any address TRIAL PACKAGE FREE OF CHARGE. If your druggist fails to keep it I do not permit him to sell you some worthless imitation by his representing it to be just as good, but send directly to us. Write your name and address plainly.
