FRIDAY JANUARY 6 1888

Entered at the post-office at Rensselaer, Ind., as second-class matter.

Reduced Rates to the Democratic Rally!

The Central Traffic Association has reduced the railroad rates from all points in Indiana to a one and one third fare for the round trip to persons desiring to attend the commerce and grand rally of the Democrats, called by the Hendricks Club, for the day and night of January 11th, 1888, at Indianapolis.

Tickets will be on sale at all offices on January 10th and 11th, and the tickets will be good returning up to and including January 13th. Railroad Com. HENDRICKS CLUB.

DEMOCRATS, ATTENTION!

The Committee of the Hendricks Club having in charge certain preliminary arrangements for the Democratic Conference and Convention to be held in Indianapolis on the day and night of January 11, desires to announce:

That there will be a conference at Masonic Hall, southeast corner of Tennessee and Washington streets, beginning at 10 o'clock in the forenoon and continuing through an afternoon session.

In the evening there will be a mass-meeting at Tomlinson Hall, addressed by distinguished Democrats from this and other States.

To the conference meeting a delegate system has been adopted for the sole purpose of insuring a prompt and full representation from every county in the State.

But the committee especially desires to state and emphasize that all Democrats are cordially invited to be present and participate in the proceedings of the conference during the day, as well as at the night meeting.

Should tickets of admission be required for the day conference at Masonic Hall, they may readily be procured by persons desiring them at the rooms of the Hendricks Club, on the corner of Illinois and Washington streets.

Numerous counties have already reported the organization of Hendricks Clubs who will attend in a body. Indications point to an immense gathering.

COMMITTEE HENDRICKS CLUB
Indianapolis.

The latest thing in the line of a swindle, says an exchange, for the farmers to steer clear of, is a very innocent looking individual who wants to paint the roof of your barn for a night's lodging, and in the morning wants you to sign a recommendation as to his qualifications. The recommendation turns up at a neighboring bank in the shape of the usual promissory note.

The hypocrisy of the Republican party in its declarations and protestations of loyalty cannot but be exceedingly amusing to all acquainted with its history from its organization. Its foundation dogma was sectionalism. It denounced the "Union as being in league with hell" and declared "the Constitution a covenant with death." It boldly gave out that it "would have no Union with slave-holders." It described the stars and stripes as "a polluted rag and flaunting lie;" and its boldest leader, Old John Brown, was the first traitor to pay the penalty of treason. And but for the battle-cry of the immortal Douglas, backed by the precedents set by Old Hickory and adhered to by the Democratic

masses, there are good reasons to believe that the republican administration would have consented to "let the Union slide."

To-day, in their conventions these self-righteous pharisees announce that they saved the Union? that they are the foes of monopoly and the friends of the hard-handed yeomanry? that they are permeated with honesty, and have no lot with thieves?

That party, to-day, is as sectional as it was at its birth. Its impelling motive is power and plunder. No matter how deep-stained with treason your Moseby's Long-street's and Key's, their aid to secure that power and plunder makes of them "repentant rebels" and loyal republicans. But the citizen of the South, however honest and earnest in acceptance of the situation, if he will not stultify and lend himself to the behests of radicalism is denounced and falsified most venomously. As an instance of this, the recent Republican conference in this State charged against Mr. Lamar that he refused to declare the thirteenth, fourteenth and fifteenth amendments valid and binding. As a matter of fact, Mr. Lamar said in the lower House of Congress:

In a word, they [the Southern people] regard the new amendments of the Constitution, which secure to the black race freedom, citizenship and suffrage, to be not less sacred and inviolable than the original charter as it came from the hands of the fathers.

In the Senate also, Mr. Lamar voted for the following resolution which sprang out of a political debate, and which resolution, he it said, Senator Edmunds voted against:

Resolved, as the judgment of the Senate, That the thirteenth, fourteenth and fifteenth amendments to the Constitution of the United States are as valid and binding as any other part of the Constitution; that the people of the United States have a common interest in the enforcement of the whole Constitution in every State and in the Territories of the United States, so far as the power has been delegated to them, to enforce said amendments and to protect every citizen in the exercise of all the rights thereby secured.

Arrangements are making for another trial of Sim Coy et al, by the Federal court at Indianapolis, on charge of election frauds, but there seems to be nothing doing toward giving Carnahan a speedy trial. Carnahan was chairman of the republican county committee.

Jno. Sherman—Lize Pinkston's John—addressed the Senate the other day in opposition to tariff reform, and Senator Voorhees followed in reply.

The \$100,000,000 surplus in the treasury, constitutes but one-sixth of the amount filched from the people by virtue of the republican war tariff. The other five-sixths is paid to the protected monopolists, who in return pay their employees starvation wages, producing strikes, lock-outs, etc.

It was the Republican party that passed a statute of limitation on soldiers getting a pension from the date of their disability, and pays them only from the date of filing their claims.

It was the Republicans in Congress that opposed the Interstate Commerce law, their opposition being based on a desire to foster of Congress that opposed the law authorizing the laboring men of the country to incorporate trade unions.

It was a Republican Congress that authorized the coinage of the trade dollar seven and a half grains larger than the dollar of our fathers. This was done in the interest of the Chinese who flooded the Pacific coast.

It was the same Republican party, after millions of these trade dollars were in the hands of the laboring men of this country, that

demonetized their money and caused the Government to buy it in at a discount.

It was the Republican party that demonetized the silver dollar and made the bonded debt of the country payable in gold coin, introducing what is known as the mono, or one metal system of money.

It was the Republican party that inaugurated the convict labor system in the government workshops. It was the Republican party that gave to the railroads millions of acres of the public lands for which the roads never gave any consideration of value.

It was the Republican party that built up and fostered what was known as the Freedmen's bank, and then heartlessly robbed the poor illiterate colored people of millions of dollars.

It was under a Republican administration that DeGoliere contracts flourished and the Credit Mobiliar swindle was inaugurated.

It was under a Republican administration that Dorsey, Brady, et al perpetrated the star route the railroad monopolies of the country.

It was the Republican members of Congress that for years kept the Mexican soldiers' pension bill from becoming a law.

It was a Republican Congress that passed a law in 1864 legalizing the importation of Chinese coolies to this country under five years contract for labor, and thereby drove thousands of patriotic, law abiding laboring men to idleness and caused their families, in many instances to become paupers.

It was the Republican members swindlers and frauds.

It was the Republican party that ravished liberty and stole the Presidency.

It is the Republican party that has declared in favor of adjusting and equalizing the onerous and unjust war tariff, and now clamors for its retention, and use every means in their power to obstruct legislation looking to an equitable adjustment of the tariff.

Wonderful Cures.

W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: We have been selling Dr. King's New Discovery, Electric Bitters, and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery taken in connection with Electric Bitters. We guarantee them always. Sold by F. B. Meyer. 11-21 1

The Indianapolis News, a prominent republican paper, has this to say in response to John Sherman's recent anti-tariff reform effort:

"Judging thus far, we should say that Republican leaders would do wisely in letting the President's message alone. It can not be distorted into anything but an honest appeal for a reduction of the tariff, and it has probably already made the biggest 'vest pocket' vote of any document that has been put forth in years."

Personal.

Mr. N. H. Frohlichstein, of Mobile Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds, is sold on a positive guarantee.

The Vincennes News says: "If protection raised the price of labor, all employers would instantly turn free-traders." A fact which none will dispute.

Dorsey is not thinking much of "soap" just now. Hon. Geo. W. Julian says he holds 600,000 acres of public lands to which he cannot "read his title clear," and Steph is in great tribulation thereat. Mr. Julian is after his scalp all the same.

Give Them A Chance!

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boechee's German Syrup which any drugist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain

Ex-Gov. Porter: "Indiana is normally Democratic." You bet.

A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Atty., Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother was also very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "I positively believe he would have died, had it not been for Electric Bitters."

This great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequalled.—Price 50c. and \$1. at F. B. Meyer's. 6

D. LANCELL'S ASTHMA AND CATARRH REMEDY.

SOLD BY ALL DRUGGISTS. Having struggled 20 years between life and death with ASTHMA or PHTHISIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last 5 years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES, so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials, all of recent date:

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and ever more than represented. I receive instantaneous relief."
E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."
L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 3 minutes does more for me than the most eminent physician did for me in three years."
H. C. Plimpton, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried."
We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy, we will send a copy of our TRIAL PACKAGE FREE OF CHARGE. If your druggist fails to keep it do not permit him to sell you some worthless imitation by his representing it to be just as good, but send directly to us. Write your name and address plainly, as Address, J. ZIMMERMAN & CO., Props., Wholesale Druggists, Wooster, Wayne Co., O. Full size box by mail \$1.00. 11-21 1
