

FRIDAY FEBRUARY 10 1888

Entered at the post office at Rensselaer, Ind. as second-class matter.

## Democratic Central Committee Meeting.

The members of the Democratic Central Committee of Jasper County, Indiana, are requested to meet at the Court House, in Rensselaer, on

SATURDAY, FEBRUARY 18, 1888, at 1 o'clock p. m., for the purpose of reorganization and the transaction of important business. Let every member be present.

JAS. W. McEWEN, Sec'y.

M. H. Ingram, of the Winamac Democratic Journal, has been appointed postmaster at that place. We congratulate Bro. Ingram.

The owners of protected industries in Pennsylvania are having a serious time with the pauper labor (Polish and Hungarian) shipped into this country by them to take the places of American wage-workers who could not live, with their families, on from 60 to 90 cents a day. Protection evidently does not extend to the wage-worker.

Take the tax off raw material.—Give our manufacturers a chance to produce goods at prices that will enable them to compete for the trade of other countries. Then, indeed, will it be necessary to increase our productions—steady and remunerative employment will be the result. Surplusage of productions at high figures, and idleness in consequence, will then be unknown.

A number of Republican election officers testified in the recent conspiracy trial at Indianapolis that they took possession of election papers, to which they were not entitled, in obedience to instructions contained in circular issued by the chairman of the republican county committee Carnahan. We pause to see whether Judge Woods will expend the same amount of virtuous indignation in Carnahan's case, as he has in those recently on trial.

MISERY IN AN UNEXPECTED QUARTER.—The shutting down of so many furnaces, in Pennsylvania, for want of coal has caused misery in an unexpected quarter. There being no demand for ore, many of the iron ore mines along the East Pennsylvania railroad have closed down. The miners who have large families receive but 75 to 90 cents per day and are consequently, even when working, in almost abject poverty. About thirty of them with their families have been compelled to seek admittance to the Berks and Lehigh county poor-houses until work is resumed.

Coy and Bernheimer were convicted of the election conspiracy, according to our reading of the proceedings of the trial, on the unsupported and uncorroborated testimony of S. E. Perkins, who was granted immunity for appearing as a witness for the State.—So far as the mutilation of the tally sheets is concerned Perkins confessed that he operated on some of them; but that the convicted parties had a hand in it is totally repudiated and denied by witnesses relied upon to corroborate Perkins. With reference to the conspiracy to get possession of the election papers, the only thing proven was by the testimony of certain republican election officers, who testified that they had unlaw-

their districts under instructions contained in the circular issued by Carnahan, chairman of the Republican county committee. Had Coy and Bernheimer been proven guilty Democrats would concur in the verdict and sentence. As it is, in the language of a prominent republican lawyer to us the other day: "The verdict is not in harmony with the testimony; in my judgment no case was made against the defendants." We think Judge Woods, when we consider his rulings and charge, has been overzealous in his desires to secure conviction and hasten them to prison. It looks as though he submitted with bad grace to interference from a higher court. He belongs to a party that for many years maintained its supremacy through violence, corruption, fraud and rape of the ballot box. In all these years we may presume Judge Woods smiled complacently at the success of these deeds of crime while the perpetrators were rewarded with positions at salaries ranging from \$1200 to \$17 500 per annum. And the Judge, too, is the beneficiary of an administration which virtually bought its way to power.

A prominent New England manufacturer being asked what he thought of President Cleveland's message on the tariff question, replied: "It is an important document, and should be read by every voter in this country. With free raw material the American manufacturer can place his wares in competition with those of foreigners in the markets of the world. It will enable them to enlarge their trade and secure an increased demand, which insures steady employment to our laboring people, and at good wages. This is not so now, for the reason that we have no market for our goods. This is the way to protect American labor. Give them steady employment, and that can never be done until we have a foreign market for the work of their hands. The President sees this state of affairs, and he has had the courage to rise above all party considerations, and say so, in terms that cannot be misunderstood."

## Personal.

Mr. N. H. Frohlichstein, of Mobile Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief, and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds, is sold at a positive guarantee. Trial Bottles free at F. B. Meyer Drug Store. 11 21 1.

## Give Them A Chance!

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boechee's German Syrup which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain

The Republican says there is a tariff of 6 cts. on 6 cent calico. It is in order now for that paper to explain the necessity for said tax.

## Wonderful Cures.

W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: We have been selling Dr. King's New Discovery, Electric Bitters, and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery taken in connection with Electric Bitters. We guarantee them always. Sold by F. B. Meyer 11-21 1

## CATARRH

## REMEDY.

SOLD BY ALL DRUGGISTS.

Having struggled 20 years between life and death with ASTHMA or PHTHISIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES so that the patient can lie down to rest and sleep comfortably at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried.

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."

L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 3 minutes does more for me than the most eminent physician did for me in three years."

H. C. Hinton, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and Sore Throat may have an opportunity of testing the value of the Remedy, we will send a copy of TRIAL PACKAGE FREE OF CHARGE. If your druggist fails to keep it do not permit him to sell you some worthless imitation by his representing it to be just as good. Send directly to us. Write your name and address plainly.
