### In Brief, and to the Point.

Dyspepsia is dreadful. Disorderly liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this bad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

We take pleasure in selling the attention of our readers to the following extract from a letter to the Eldredge Manufacturing Co., Chicago, written by an English dealer in Sewing Machines:

Gents: I have telegraphed you this day to send on as quickly as possible 50 No. 2 tables and covers. I find I shall be out of these much sooner than the other styles. The stands and heads you can send at earliest convenience.

I am very much pleased to say that these last hundred machines are highly satisfactory. For finish, smoothness and easy running, I really believe they are unequalled by any other Sewing Machine selling in this country.

The machines require less preparation for delivery than any other machines I have handled during the whole course of my experience extending over 20 years.

Yours truly,  
THOS. RHODES.

Mrs. J. W. McEwen is agent for these machines in this county.—Call and see them before purchasing elsewhere.

### A Woman's Discovery.

Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co., of Shelby, N. C.—Get a free bottle at F. B. Meyer's Drug Store.

Open for inspection—Our large stock of clothing from the eastern cities. RALPH FENDIG.
