The Indianapolis Journal gives notice to Indiana Republicans that loyalty to Ben Harrison is the test of their Republicanism.

Ben Harrison is already on the defensive. His votes in the Senate on the Chinese question was in accord with the views expressed by Garfield in his celebrated "Mokey" letter.

Monticello Herald: A Rensselaer man of practical turn presented his wife with an ax as a birthday present. She will have to worry along with her old saw and buck till her next birthday.

Monticello Herald: Mrs. Schilt and her sister, Anna Miller, will assist in a concert at Rensselaer next Wednesday evening for the benefit of the high school library. Rensselaer people will miss a treat if they fail to hear them.

Now, how about Gen. Carnahan, Judge Woods? In the recent trial of Coy and Bernhamer for election conspiracy, it seems to us it was proven that the instructions of the Carnahan circular were obeyed in a number of instances.

In 1884 the Eleventh Congressional District of Michigan gave Moffatt, Republican, 7,475 majority over Power, Democrat; in 1885 Moffatt's majority was 2,243 over Power. This winter, at a special election, Seymour, Republican, carried the District over Breen, Democrat, by only 200 majority. The tariff was made an issue in the campaign.

Jingo Jim Blaine declines to be the Republican candidate for the Presidency.

Gen. Phil Sheridan emphatically declines.

Now Edmunds, he, too, declines. John Sherman and Ben Harrison are willing to accept on the theory that they prefer to be recognized as dead lions rather than living asses.

A Washington dispatch says Senator David Turrie, of this State, made a strong and impressive speech in the Senate last week, in support of the Dependent Pension Bill recommended by the Grand Army of the Republic. He overhauled history as far back as old Rome, and brought the application down to modern times in a scholarly and interesting way.

As was anticipated, Judge Harlan has sustained the finding of Judge Woods' court in the cases of Coy and Bernhamer. If these men are guilty of the act charged they deserve punishment, but in our judgment, after a careful reading of the evidence as published in the Indianapolis News, a Republican paper, we cannot see how the jury reached such a verdict. The cases will be taken to the United States Supreme Court.

A Good Show Coming.

Rensselaer people are to have the privilege of attending at least one first-class theatrical entertainment, this season. Arion's Musical Comedy Company and Swiss Bell Ringers, supported by the charming soubrette, Miss Emma Gertrude and the popular comedian and vocalist Jimmie Field, will give the musical comedy Snow Bound, next Saturday evening, March 3, with many interesting additional attractions. This is an old established company and its true merits are fully proven by the fact that it has been on the road for many years, and is never afraid to revisit a town in which they have previously exhibited; as, in fact, our own town gives proof, they having exhibited here, to a delighted audience five or six years ago.

Teachers' Licenses.

The State Board of Education at its May meeting, 1886, made the following order: After the first day of January, 1887, every applicant for a teacher's license shall present to the county superintendent, at the time of the examination, a review or composition upon one of the following books: Tale of Two Cities, David Copperfield, Ivanhoe, Heart of Midlothian, Henry Esmond, The Spy, The Pilot, The Scarlet Letter, The Sketch Book, Knickerbocker's New York, The Happy Boy, Poems of Longfellow, Bryant, Whittier, Lowell. Said composition shall contain not less than 600 nor more than 1,000 words, shall be in the applicant's own handwriting, and shall be accompanied with a declaration that it is the applicant's original work. The county superintendent shall consider the merits of such composition in determining the applicant's fitness to teach.

The State Board of Education, at its January meeting, 1888, amended this order by the following resolution:

Resolved, "That the following books be added to the list adopted May, 1886, for teachers' reviews on examination, viz: Holmes' 'Autocrat of the Breakfast Table,' McMaster's 'Life of Franklin,' and Charles Read's 'Put Yourself in His Place.' The same to go into effect March 1, 1888."

Manuscripts can not be examined unless the above order is complied with. Teachers will therefore govern themselves accordingly. J. F. WARREN, Co. Supt.

Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with Headache, you are fidgety, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whisky, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of Liver and Kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at F. B. Meyer's Drug Store.

Give Them A Chance!

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Bochee's German Syrup which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain

Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

REMEDY.

SOLD BY ALL DRUGGISTS.

Having struggled 20 years between life and death with ASTHMA or BRONCHITIS, treated by eminent physicians, and receiving no benefit, was compelled during the last 5 years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials, all of recent date:

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

B. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."

L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 3 minutes does more for me than the most eminent physician did for me in three years."

H. C. Elington, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy, we will send a copy address TRIAL PACKAGE FREE OF CHARGE. If your druggist fails to keep it do not permit him to sell you some worthless imitation by his representing it to be just as good, but send directly to us.
