A few days ago, in the United States Senate, Ingalls of Kansas, Vice President pro tem., denounced Generals McClellan and Hancock as allies of the Southern Confederacy. Senator Blackburn, of Kentucky, retorted upon Ingalls, denounced the falsehoods and billingsgate slang emanating from his putrid carcass, and exposed the part he played in defense of the Union—as a judge advocate sitting in judgment upon any little irregularities of Kansas jayhawkers. Ingalls swallowed the bitter dose without a show of resistance. He is a disgrace to even the Republican party.

We suggest that John James Ingalls, of Kansas, might be prevailed upon to accept the republican nomination for the Presidency.

Our neighbor resorts to the "Tariff League Bulletin," a periodical established and fostered by monopolies, for arguments in favor of the war tariff—the exaction of tribute from the many to fill the coffers of the few.

From an article copied by the Republican this week we extract a few passages. The Tariff League Bulletin says:

"The essential thing with all produces is not cost of production, but demand for products and the price they sell at"

Now everybody knows that the cost of production, caused by tariff duties on raw material, confines the demand for our productions within our own limits—prohibits demand abroad and prevents competition with foreign manufacturers in the markets of the world. Therefore when production is in excess of demand manufactures are closed up, employees requested to go to the devil until the surplus is disposed of, and prices are maintained by virtue of combinations and trusts.

Remove the duties on raw materials, place our manufactures in the markets of the world and insure a demand for our surplus. This will afford continuous employment and remunerative wages to the toilers; reduce the duties on manufactured products, the cost to the consumers of our land will be less, an increased demand for the comforts and necessities of life will go out from every home. It may not result in as rapid an increase of the wealth of the monopolists, but they will receive just and honest compensation for their productions and the people will be relieved from forced and unjust tribute.

Again, the "Tariff League Bulletin" says:

"Now price depends upon demand and the extent of competition—in other words, the extent of the supply."

Not at all, in this day and generation, thank you. The "price depends upon" the orders of the combination or trust interested.

## DEPENDENT PENSION BILL.

(From 1st page—Concluded.)  
 Northwest There shall be the colonies of the nation, rebuilt, re-established, retarded in their growth by no civil commotions or the fear of them—offspring of the family of States, highly favored. The boundaries of this republic are advanced far toward the confines of Asia. There must needs be another statue gazing toward the farther Orient, the shining sandals of whose feet shall be laved in the waters of the Pacific.

We have entered upon a period of grand national renaissance. Is this a time to hesitate about granting the means of subsistence to those needing them, of the number of that host which bore our flag to victory? Should we not rather hasten to do this act of justice, to place these, our fellow-citizens, in a condition to enjoy with us the calm which has followed the storm and stress, the peace which has succeeded to hostilities so dreaded—the Union of the States at last attained, disenthralled, regenerated—the Union—not as it was, but as it is, and shall be—forever one, free and indivisible?

Our old friend and former employee, Jacob Clay Smith, of the Monticello National, has been placed on the State ticket of the Union Labor Party of Indiana for the office of Clerk of the Supreme Court.

Don't fail to hear Miss Miller, the celebrated Lady Violinist, for the benefit of the high school library, at the Opera House, next Wednesday evening, March 14th.

The Union Labor Party of Indiana met at Indianapolis, Wednesday, and placed in nomination the following ticket:

For Governor—John B. Milroy, of Delphi.

For Lieutenant Governor—J. F. White, of Marion county.

For Secretary of State—A. C. Geyer, of St. Joseph county.

For Auditor of State—John P. Hannegan, of Lafayette.

For Treasurer of State—D. F. Doll, of Bartholomew county.

Candidate for Attorney General to be supplied by the State Central Committee.

For Clerk of the Supreme Court—J. C. Smith, of White county.

For Sup't of Public Instruction—A. J. Johnson, of Vermillion.

Not long since the Republican evidently favored Bob Lincoln—the son of his Daddy—for the Presidency. It now inclines toward Gresham.

The renowned lady violinist, Miss Anna Miller and her sister Mrs. Miller Schiltz, assisted by some of our home talent, will give an entertainment at the Opera House on next Wednesday evening, March 14, for the benefit of the high school library. Miss Miller is said to be superior to all other lady violinists, while Mrs. Schiltz as a pianist, has few equals. This will undoubtedly be a rare musical treat, which none should fail to hear. The general admission will be twenty-five cents, reserved seats thirty-five cents, children fifteen cents. Reserved seat tickets will be on sale next Monday at Hardman's.

And now ex-Senator Conkling declines to accept the Republican nomination for the Presidency. If this thing keeps on a draft will be in order.

An inventor has patented an electric contribution box for church use. Whenever a button or piece of tin is deposited in the box an electric bell rings and informs the congregation of the fact.

## Wonderful Cures.

W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., vs. We have been selling Dr. King's New Discovery, Electric Bitters, and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We have not seen them always.

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Bozchee's German Syrup which any drugist will sell you at 75 cents a bottle. ## REMEDY.

## SOLD BY ALL DRUGGISTS.

Having struggled 20 years between life and death with ASTHMA or PHTHISIC, treated by eminent physicians, and receiving no benefit, I was compelled during the last 5 years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES so that the patient can lie down to rest and sleep thus obtained. I have received the following condensed extracts from unsolicited testimonials, all of recent date:

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

R. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."

L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 3 minutes does more for me than the most eminent physician did for me in three years."

H. C. Plimpton, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever tried."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy, we will send a copy of TRIAL PACKAGE FREE OF CHARGE, if your druggist fails to send it. It does not permit him to sell you some worthless imitation by his representing it to be just as good, but send directly to us. Write your name and address plainly.
