DEMOCRATIC CONVENTION.

CALL OF THE DEMOCRATIC STATE CENTRAL COMMITTEE.

INDIANAPOLIS, March 8, 1888.

The voters of Indiana, regardless of past political affiliations, who are desirous of co-operating with the Democracy in the support of its principles and nominees, are invited to participate in the meetings called throughout the State for the purpose of selecting representatives to attend a Delegate Convention to be held in the city of Indianapolis.

THURSDAY, APRIL 26, 1888,

for the purpose of adopting a platform of principles and the nomination of candidate to be supported for the following offices:

Governor.
Lieutenant Governor.
Three Judges of the Supreme Court.
Secretary of State.
Auditor of State.
Treasurer of State.
Reporter of the Supreme Court.
Attorney General.
Superintendent of Public Instruction.

The ratio of representation will be one delegate for each two hundred votes cast for Governor Isaac P. Gray in 1884, and one delegate for each fraction of one hundred or over.

(Jasper county is given five delegates.)

The delegates for each Congressional district, and the several committees, will meet on the evening previous to the convention, at places to be hereafter designated by this committee, for the purpose of selecting and reporting to the convention:

One Committeeman on permanent organization.

One Committeeman on Platform and Resolutions.

One Vice-President for the convention.

One Assistant Secretary for the convention.

Two delegates to National Convention.

Two alternate delegates to National Convention.

One Presidential elector.

One contingent Presidential elector.

One member of the State Central Committee.

One Committeeman on Credentials.

It will be the duty of the Committee on Permanent Organization to report a President and principal Secretary for the convention; four delegates at large, and four alternate delegates to the National Convention; two electors for the State at large, and two contingent electors, and also to recommend rules for the government of the convention.

By order of the State Central Committee.

E. P. RICHARDSON,
E. O. JOHNSON, Chairman.
Secretary.

Gen. Carnahan should demand a speedy trial.

The constitution of the United States guarantees to every citizen indicted for an offense against the laws the right to a speedy trial by jury. The U. S. Court at Indianapolis seems to pay no heed to this in the case of General Carnahan.

Remember the call for the Democratic County Convention, Saturday, April 14th next.

In the ways and means committee the republican members are divided on the tobacco tax—Kelley and Reed favor its abolition, while Burrows and Brown favor its retention.

Sam Randall wants to lop off about \$80,000,000 of the whiskey and tobacco tax, and continue his duties on the necessities of life.—This will suit Jim Blaine and Republicans generally, and our Billy Owens in particular.

The Philadelphia Record says 'no argument can break down the fact that manufacturers can make cheaper goods and pay better wages if they could buy cheaper wool, cheaper dye-stuffs, cheaper lumber, cheaper jute, hemp and flax, cheaper chemicals and other crude materials. And no argument will prevail,' it says, 'to convince the laboring man that he will be injured by cheaper food, cheaper clothing, cheaper shelter, cheaper earthenware, and cheaper utensils.'

A nameless ass, anxious to show up his smartness, undertook to explain in last week's Republican that the Democratic committee was very stupid in retaining John Lefler for Hanging Grove, insisting that he was not a citizen of that township. We suggested that 'If Youngster will attend the polls in Hanging Grove, he will ascertain where John Lefler votes. To which he this week responds with crushing veridancy: 'Old Stupidity, who will be there to inform me?' No unforeseen circumstances preventing, John Lefler will be there to vote. He is a Democrat who fails not in this line of duty.—Youngster's eyes will not deceive him in this matter. It seems, too, that our reflections upon his pe's, Brute Ingalls and Lize Pinkston, are disturbing his in'ards.

Our old friend, 'J. R.' in his plea for Ben Harrison, in the Republican, says his favorite "was defeated last year by the most infamous proceedings." The 'infamous proceedings' referred to commenced in the House, in the interest of his man, and with his connivance. But the attempted repetition of the game of '76 didn't pan out—the grandson of his grandfather was left at home to ponder over his "ways that were mean and ticks that were vain" and a much better man, in every respect, now represents Indiana in the United States Senate.

SHOVING THE QUEER.

The Indianapolis Sentinel says: "John Barnes and James Sapp of Goodland, Newton county, who were brought here by Maj. Carter, charged with counterfeiting, are about twenty-five years of age, and at the time of their arrest \$400 in counterfeit bills were found on their persons. They were given a preliminary examination by commissioner Van Buren, and in default of \$1000 bail were committed to jail. The money found in their possession was mostly of a five dollar denomination and was ill-fraudulently made. Maj. Carter reports that Newton county has been literally flooded with the stuff, \$2,000 of it having been put in circulation, and that even the banks of the county had accepted it. The young men are highly connected, and one of them was married only two months ago. It is thought that they did not manufacture the bills themselves, but procured them from the East."

The circulation of such an amount of the queer in a neighboring county should place our people on their guard, and prompt them to examine closely money tendered them.

Later—Counterfeit five dollar silver certificates, well calculated to deceive. The parties are committed in default of \$10,000 each.

Accessories to the Eldredge Sewing Machine can be procured of Mrs. Jas. W. McEwen.

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup which any drugist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain

Mr. N. H. Frohlichstein, of Mobile Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

D. LANCELL'S ASTHMA AND CATARRH REMEDY.

SOLD BY ALL DRUGGISTS.

Having struggled 30 years between life and death with ASTHMA or PHTHISIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last 5 years of my illness to sit on my chair day and night gasping for breath. My sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE FOR ASTHMA AND CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials, all of recent date:

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."

L. B. Phelps, P. M., Griggs, Ohio writes: "Suffered with Asthma 40 years. Your medicine in 5 minutes does more for me than the most eminent physician did for me in three years."

H. C. Plimpton, Joliet, Ill., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the most valuable medicine I have ever used."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy, we will send a copy of TRIAL PACKAGE FREE OF CHARGE. If your druggist fails to keep it do not permit him to sell you some worthless imitation by his representing it to be just as good, but send directly to us. Write your name and address plainly.
