Cleveland and Thurman!

Let the red bandana wave.

Tariff reform the watchword!

The Convention has so declared!

The President's message and the
Mills bill indorsed!

Will Wells for County Treasurer,
cannot but be acceptable to the
people. He is well qualified for
the position.

John C. Chilcote is extensively
and favorably known. During the
war he was a member of the 10th
Michigan Cavalry. His candidacy
for the office of Sheriff will rally
to his support friends in all par-
ties, and he is deserving of it.

Vic. Loughridge, for Coroner,
will receive the hearty support of
his many friends. If elected, he
will satisfactorily perform the
duties of the office.

For Surveyor, the Democratic
County Convention presents Austin
N. Lakin, a popular young
gentleman, of Union township,
satisfied that he is every way wor-
thy the support of his fellow citi-
zens at the polls.

The candidates for Commissi-
oner are each and all honorable men,
holding great interests, and would
scrutinize carefully the financial
affairs of the county, and with fi-
delity guard the people's inter-
ests.

Every township was represent-
ed in the County Convention.

The Indianapolis News says
Senator Turpie advanced an "ad-
mitted proposition" when he said
"there's not a man standing on two
legs who can beat Grover Cleve-
land."

The letter on the first page of
to-day's SENTINEL should be read
by all. The writer, Capt. Hilli-
gass, an old soldier, from his posi-
tion in the pension office has op-
portunities for procuring facts and
figures that entitle his epistles to
great weight.

The Plymouth Democrat says:
Hon. V. Zimmerman, of Roches-
ter, has been nominated by the
Democracy of the 10th District as
their candidate for Congress. Mr.
Z. has served the people of Mar-
shall and Fulton counties four
years very acceptably as State
Senator and would probably have
been renominated had not greater
honors been thrust upon him. He
combines many elements of suc-
cess, is a political hustler from
awa back, and we predict that he
will make it decidedly interesting
for his Republican competitor, and
although the District is Republi-
can by a considerable majority we
believe he can be elected if his
friends give him the proper as-
sistance.

COUNTY CONVENTION.

Pursuant to call the Democracy
of Jasper county met in Delegate
Convention on Saturday, June 2d,
1888, at 12 o'clock p.m., in the
Court House, Rensselaer, Indiana,
and was called to order by the
Chairman of the Democratic Cen-
tral Committee, Lee E. Glazebrook,
in a rousing speech which
was received with delight and fre-
quently applauded.

The convention organized by the
selection of Ira W. Yeoman, of
Carpenter township, as chairman,
and Jas. W. McEwen and Vic. E.
Loughridge as secretaries.

The following named gentlemen
were placed in nomination for the
respective offices by acclamation:

Treasurer—Wm. H. Wells, of
Carpenter.

Sheriff—John C. Chilcote, of
Marion.

Coroner—Vic. E. Loughridge, of
Marion.

Surveyor—Austin N. Lakin, of
Union.

Commissioners, 1st Dist.—Dan-
iel H. Turner, of Kankakee.

2d Dist.—James T. Randle, of
Marion.

3d Dist.—Ed. W. Culp, of Car-
penter.

On motion, the convention then
adjourned.

IRA W. YEOMAN,

Chairman.

JAMES W. MCGEEN, Sec'y.

VIC. E. LOUGHBRIDGE, Sec'y.

PILOT GROVE ITEMS.

Weather pleasant.

The prospect for a good crop of
oats is very flattering.

Mrs. T. Goodale, who has been
dangerously ill, is somewhat im-
proved at this writing.

The Republicans will hold their
County Convention in Mt. Ayr, on
June 14th.

Miss Minnie Miller's school, at
Mt. Ayr, will close next Friday.

A man that will spend his time
about saloons while his wife is at
home sick in bed, and his children
starving, should be kicked to h-
and back, or downed with a sand-
bag.

Mrs. Jas. Robinson, of Mt. Ayr,
visited last week with her parents,
living near Momence.

At present all the little towns
along the new railroad are having
a boom. Broo will get the coun-
try seat—in a horn.

William Black, from near Mone-
cence visited last week with rela-
tives and friends at this place.

Mr. J. Brunton is hauling the
material for a new dwelling house.
He will begin work at once.

We fail to understand why Ed.
Schankau should wish to inflict
such a terrible punishment on old
"Gerranium" as we heard him pro-
pose doing while in Mt. Ayr a few
days ago. It would not only be
cruel but would likely kill the
"critter." CAPTAIN JACK.

THE PENSION OFFICE.

(Concluded from 1st page.)

widow of that gallant Irish-American
soldier, Colonel James A. Mulligan. The Commissioner of
Pensions, General John C. Black,
was also a soldier of distinction,
having enlisted when but a youth
in an Indiana regiment at the be-
ginning of the war as a private,
and from merit rose to the rank of
Brigadier General. It was no mis-
take to place this brave soldier and
thorough Democrat in the pension
office, as the record he has made
most clearly indicates. The Deputy
Commissioners, Colonel Mc-
Lean of Indiana and General Bart-
lett of New York, also gallant sol-
diers, fill places formerly occupied
by two civilians who secured their
places for party service. More
than one-half of the medical ex-
amining boards of the country are
made up of old army surgeons, and
in the pension office nearly sixty
per cent of the force is composed
of the soldier element of the coun-
try, which was not the case when
the present administration came
into power. It is in a great mea-
sure old soldiers adjudicating the
claims of their comrades, and to
this fact we may largely ascribe
the grand results that we have
presented in the good work done

VALUE OF PENSIONS.

In former administrations it was
claimed by many pensioners, and
not unjustly, that the rating re-
ceived was not proportionate to the
disability existing, and to this fact
may be largely attributed the large
number of increased claims allow-
ed in 1886. When the present ad-
ministration came into power in

March, 1885, the annual average
value of pensions being paid the
soldiers was \$110.36. At the close
of last year the average value had
been increased to \$130.74, being an
advance of \$19.74. And yet we
find a class of asinine politicians
and editors abusing the Democratic
administration, and, as in 1884,
appealing to our comrades to dis-
place it from power in the pension
office. To all such we may say
that the records we have here given
cannot be dismissed by partisan
abuse or passionate appeals to the
prejudices of the soldiers and their
friends. The facts are in the
records and wha'ever party malice
may do or say it will not change
one figure of the records made by
the Republican administration, or
falsify that made by the Demo-
cratic party, which we here pre-
sent to your readers. If our com-
rades approve the former they
should put the Republican party
back into power—if the latter they
should assist in keeping the Dem-
ocratic party in power as long as
the good work goes on.

W. J. HILLIGASS.

Cleveland and the Land Grabbers.

The commissioner of the gen-
eral land office has completed an
official tabulated statement show-
ing that the total amount of lands
actually returned to the public do-
main and opened to entry and set-
tlement since the 4th day of March,
1885, when Grover Cleveland was
inaugurated President, is 80,690,-
720 acres.

This land was illegally held by
corporations, syndicates, alien
companies and cattle kings. The
total area of the States of New
York and Pennsylvania is 60,406,-
400 acres. So that this recovered
land exceeds in area by 20,000,000
acres the two greatest States of
the Union with their 11,000,000
population.

It is safe to say that if James
G. Blaine had been elected Presi-
dent instead of Grover Cleveland,
not an acre of these lands would
have been reclaimed by the gov-
ernment; and, on the other hand,
knowing his close affiliation with
corporations, their holdings would
have been largely increased.—

Blaine was precisely that sort of
man, and the same may be said of
all the Republican leaders.

NOTICE—I hereby notify the
voters of Jasper county, Indiana,
that I positively refuse to accept
the nomination as candidate for
County Commissioner.

females. Road tax 10 cents, speci-
al school 50 cents, special additional

J. H. Willey was re-appointed
member of the School Board, to
succeed himself.

An order was passed to establish
the grade of the side walk on the
south side of Washington street.

The Marshal was ordered to
open Weston street to its intersec-
tion with Dayton street, just north
of Makemself ditch. The deed of
this part of this street from J. C.
Van Rensselaer provides that the
town shall put a wire fence along
each side, and make a side-walk
when the needs of the people re-
quire it.

Give Them A Chance!

That is to say your lungs. Also
your breathing machinery. Very
wonderful machinery it is. Not only
the larger air-passages, but the thou-
sands of little tubes and cavities lead-
ing from them.

When these are clogged and choked
with matter which ought not to be
there, your lungs cannot half do their
work. And what they do, they can-
not do well.

Call it cold, cough, croup, pneumo-
nia, catarrh, consumption or any of
the family of throat and nose and
head and lung obstructions, all are
bad. All ought to be got rid of.
There is just one sure way to get rid of
them. That is to take Boschee's
German Syrup which any druggist
will sell you at 75 cents a bottle.
Even if everything else has failed you
may depend upon this for certain

Mr. N. H. Frohlichstein, of Mobile

recommending Dr. King's New Dis-
covery for Consumption, having used
it for a severe attack of Bronchitis
and Catarrh: It gave me instant re-
lief and entirely cured me and I have
not been afflicted since. I also beg
to state that I had tried other reme-
dies with no good result. Have also
used Electric Bitters and Dr. King
New Life Pills, both of which I can
recommend.
