

The Result of Merit.

When anything stands a test of fifty years among a discriminating people, it is pretty good evidence that there is merit somewhere. Few, if any, medicines have met with such continued success and popularity as has marked the progress of BRANDRETH'S PILLS, which, after a trial of over fifty years, are conceded to be the safest and most effectual blood purifier, tonic, and alternative ever introduced to the public.

That this is the result of merit, and that BRANDRETH'S PILLS perform all that is claimed for them, is conclusively proved by the fact that those who regard them with the greatest favor are those who have used them the longest.

BRANDRETH'S PILLS are sold in every drug and medicine store, either plain or sugar-coated.

Losses Due to the Phylloxera.

A writer in the *Economiste Francais* estimates the total loss to France from the ravages of the phylloxera since 1875, when the scourge of the French vineyards first made its appearance, at the enormous sum of 10,000,000,000 francs, or about £400,000,000. This estimate is based upon French official statistics giving the aggregate area of vineyards destroyed in the country as about 2,500,000 acres, and on the assumption that, in addition to the acreage of vines thus utterly destroyed, the extent of vineyards more or less infested with the phylloxera amounts to about 500,000 acres, making thus together 3,000,000 acres. The value of these latter, which, according to the writer, should be calculated from the gross and not from the net revenue formerly derived therefrom, is estimated at £280,000,000. On adding to this amount the loss occasioned through the outfall in labor in the destroyed vineyards, as well as by the vast importations of foreign wines and grapes for wine-making necessitated by the diminished production during the last thirteen years, which is taken at £120,000,000, the above-mentioned sum is arrived at.—*London News.*

Ploughing the Waves.

A storm at sea means the inevitable sea-sickness for ocean travelers. The vibration of a steamer's screw, even, is a sore trial to any but the strongest stomach. "Splicing the main brace," as the imbibition of a glass is jocularly termed by sailors, is a poor substitute for the wallowing of that incomparable tranquillizer of sea-sick stomachs, Hostetter's Stomach Bitters, which no commercial traveler, tourist or invalid should be without in "crossing the briny," or making a tedious land journey. No unmedicated stimulant of commerce is comparable for efficacy to the great invigorant. Emigrants to the West pronounce it a reliable preventive of malarial infection, as well as other complaints to which hardship, impure water and miasmatic vapors give rise. It renders brackish water drinkable and harmless, and is a fine remedy for disorders of the stomach and bowels, and for kidney troubles and rheumatism.

We must not hope wholly to change their original tempers, nor make the gay pensive and grave, nor the melancholy sportive, without spoiling them.—*Locke.*

Very Sensible "Japs."

In Japan the old-school physicians are permitted to wear only wooden swords. This is a gently sarcastic way of expressing the opinion that they kill enough people without using weapons. But the druggist who introduced Dr. Pierce's Golden Medical Discovery into the empire carries a fine steel blade. It was found that all who tried this wonderful remedy for coughs, colds, consumptive tendencies, blood, skin and liver troubles, were, without exception, greatly benefited. The Mikado himself is said to have "tuned up" his system by its use, and the importer was therefore permitted the exceptional honor of wearing the sword of the nobility.

Do Not Think for a Moment

That catarrh will in time wear out. The theory is false. Men try to believe it because it would be pleasant if true, but it is not, as all know. Do not let an acute attack of cold in the head remain unsubdued. It is liable to develop into catarrh. You can rid yourself of the cold and avoid all chance of catarrh by using Dr. Sage's Catarrh Remedy. It already afflicted rid yourself of this troublesome disease speedily by the same means. The Ohio Valley Centennial Exposition.

One of the most important events in the history of our country's wonderful growth and progress is the great Centennial Exposition which opens at Cincinnati on July 4 and lasts for one hundred days, or until October 27. Although the enterprise is called "The Ohio Valley Centennial Exposition," or the hundredth anniversary of the settlement of the Northwest Territory, it is really a national exposition in every sense, as every State and Territory is represented and will have splendid displays of their productions and wares. The National Government has appropriated \$150,000 to defray the expense of the Government exhibit alone. Enormous cases from the Smithsonian Institution and other departments at Washington have arrived full of historical and art treasures of the capital and will be on exhibition. The area available for exhibition space in the several vast halls constructed especially for the occasion is nearly 550,000 square feet, besides nearly 100,000 more square feet for reception and restaurant halls. The works of art already on the ground for exhibition are insured for over \$1,000,000. Cincinnati has uniformly been very successful with her expositions, but this year the public spirit and enterprise of her citizens have assumed national proportions and deserve national support.

LADIES, THIS IS FOR YOU

A rare gift for the ladies. Save much money and secure the best! Every lady knows and appreciates the privilege of having a large assortment of ribbons, ready for the thousand and one uses to which they are put. To purchase what is wanted at the usual prices much goods are sold for would create a large bill of expense, and therefore deprive a great many from indulging their tastes.
