E. T. Harding, for many years a resident of Rensselaer, after a protracted illness, died at his home in this place on Saturday last, in the 65th year of his age.

Don't fail to be at Rensselaer on October 8th to see Honest Old John Robinson's Ten Big Shows, Three Circuses in Three Rings, Elevated Stage, Three Menageries, one causthetic exhibition, the grandest, greatest exhibition ever visiting this country, over \$2,000,000 has been expended in putting this Mammoth Aggregation together, and each day its expenses exceed \$3,000; for 64 years this Old Reliable Show has been on a gradual increase, until now it is ten times bigger, ten times better, ten times grander than any ten shows on earth united. Its cages and dens are a mass of gold and hand carving. Its Monster Chariots and Tableau Wagons are the most expensive and novel that money, brains and artisans could put together, musical wagons of all kinds are there, a Female Bra Band is one of its novelties, besides seven other bands, a genuine Free Wild West given each day with its street parade. Riding acts of every kind. Acrobatic, Gymnastic and Specialty performances of every description will be seen. Over one hundred and fifty new and novel acts given at each Performance and One Thousand Rare and Costly Animals, Birds, Beasts and Reptiles are connected with the Three Combined Menageries. The Museum Department contains Every Known Curiosity Procurable. The Aquarium Department has every description of Water Animals known to history. In fact it is the Grandest and Greatest Union of Shows Conceivable. Twenty years ahead of the times, and not an Animal, Feature or Act will be Pictured or Described that will not be there. Old John Robinson never divides, but will surely exhibit at Rensselaer, Oct. 8th.

Also if an engine be stationed near a highway it must be stopped while teams are passing.

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any drug-gist will sell you at 75 cents a bottle.
