### WHO PAID FOR THE RALLY.

Inasmuch as the Republican business men of Rensselaer have subscribed largely to the fund for the approaching Voorhees rally, it will not be amiss to correct a wrong impression which extensively prevails regarding the sources from which the money for the Republican rally of Sept. 28th was derived: The committee on finance solicited subscriptions from a number of Democratic business men but the favorable responses were so few in number and small in amount that the committee decided not to accept any Democratic subscriptions at all, and all sums paid by Democrats were returned to the donors. The Republicans paid the cost of their own rally, every cent, and the Democrats ought to have been politely requested to follow suit.—Rensselaer Republican.

The above was no doubt intended to beget ill-feeling and unfriendly relations between the business men of Rensselaer; but we have too much confidence in the good sense of our people, to give any prominence to such vaporings. A few words of history may not be out of place here, as showing the animus of the author of the article. After the republican rally was over, and all the profit accruing therefrom was already in the pockets of our business men, those democrats who had not previously contributed to the fund were informed by the committee on finance that the expenses of the rally were greater than anticipated, and being short of funds, solicited to make such contributions as their profits from increased business might justify. The committee thus made good their alleged shortage.

Then, on the morning succeeding the said republican rally, some prominent republican business men of the town voluntarily approached their democratic friends, and proposed, as a matter of business, to contribute material aid in promoting a good demonstration on their part. The proposition was carefully considered by the Democratic Club, and a committee appointed to ascertain how large a fund could be obtained for this purpose, from the business men of the town without regard to party lines.

The matter was presented to them in a purely business light, and their subscriptions taken in that view, and we are glad to announce, that of all the business men in town who were approached on the subject, but one refused to contribute liberally and he is a candidate for office on the republican ticket. We are aware that a self constituted committee of bigots, when informed of the praiseworthy liberality of their townsmen, went around endeavoring to dissuade republican friends from giving anything, even resorting to threats and bulldozing, after the manner of their kind. To give point to their proceeding, they returned to those democrats who had contributed to make good their alleged deficit, the sums so paid by them, with the flimsy pretext that a mistake had been made in figuring up the amount of expenses incurred, and that the money thus obtained was not needed.

Voorhees!—24th of October.

Accessories to the Eldredge Sewing Machine can be procured of Mrs. Jas. W. McEwen.

At Billy Owen's Wheatfield meeting our republican friends enjoyed a little row.

From all quarters of this District comes the good news that Mr. Zimmerman's prospect for success is very bright.

We trust our friends receiving posters for the rally at this place on the 24th, will see to it that they are conspicuously posted.

New backgrounds, new camera, new balustrade, new burnisher and new ideas! Now is the time to get those photos taken you were talking about.

Respectfully, J. A. SHARP.

### Give Them A Chance!

That is to say your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Bochee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you you may depend upon this for certain
