Chicago's Greatest Panorama!

JERUSALEM

ON THE DAY OF

THE CRUCIFIXION OF CHRIST.

Chicago has many great panoramas but nothing that approaches this great religious spectacle in beauty of conception and masterly detail.

The tragic events which transpired in the crucifixion of our Lord, although preached in sermon and song by the most eminent divines for nearly nineteen centuries, with all the eloquence the most gifted orator could command yet it fails to affect its hearers in the manner that one view of this sublimely grand and imposing spectacle does. The scenic effect is wonderful and thrilling beyond description.

There you behold that Oriental City around which cluster so many tender and pathetic memories; the magnificent Temple with its glittering domes, historic for its imposing rites and ceremonies; Mount Zion; the Palace of Pilate; the Mount of Olives; and the Garden of Gethsemane, where Christ in tones of agony, His manhood shuddering at the thought of His mission, exclaimed, Father, if it be possible, let this cup pass from me.

In the distance is the lofty peak of Mount Mizpah; the roadways leading from Emmaus and Bethany winds in serpentine bendings from the base of the mountain, while over the crest of the hills can be seen an innumerable multitude in caravans and cavalades of pilgrims, all devoutly winding their way to Jerusalem to attend the feast of the Passover.

In the distance and outlined against the sky, are the Mountains of Moab. There is Mount Calvary with its Golgotha; right before you are the crosses with their victims, and the world is draped with ebon fields of darkening cloud, while the Redeemer dies, and we seem to listen as though expecting to hear that plaintive wail welling up from the Cross, "Eloi, Eloi, Lama, Sabachthani." Then, again, his voice resounds in tones of majesty "It is Finished."

Every one should visit this wonderful work of art, so realistic. All who visit this panorama love to linger near this sacred, historic scene, and feel like adopting the words of that disciple upon the Mount of Transfiguration, Lord, it is good for us to be here. Language is too weak to fittingly portray the effects of this wonderful work.—The Chicago Times.

A WOMAN'S DISCOVERY.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz. She writes W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at F. B. Meyer's Drug Store."

"Amelia, be sure and put away at once everything that is of any value because the thief who has just been acquitted on my eloquent defence is coming to day to thank me."—The Ende Blatter.

MERIT WINS.

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption. Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits.—F. B. Meyer, Druggist.

Spring Disorders

Brigadier-General W. L. Greenleaf, Burlington, Vt., writes: "I have used Paine's Celery Compound on several occasions, and always with benefit. Last spring, being very much run down and debilitated, I commenced taking it. Two bottles made me feel like a new man. As a general tonic and spring medicine I do not know of its equal."

Shattered nerves, tired brain, impure blood, debilitated system, all are the natural outcome in the Spring. A medicine must be used, and nothing equals Paine's Celery Compound. We let others praise us—you cannot help believing a disinterested party.

"I have used two bottles of your Paine's Celery Compound, and it has given entire satisfaction as an appetizer and blood purifier." T. L. BARNER, Watertown, Dakota.

Paine's Celery Compound
