PLEASE TAKE NOTICE,
And be Governed Accordingly.

Although not connected with the Rensselaer Business Men's Association, I think it but just and right that everybody should pay their honest debts. I therefore earnestly and respectfully beg of my many debtors to call and settle with me, by note or otherwise, else, while I have no desire to expose anybody, I am determined to have a settlement within 30 days from date. No blame can reasonably be attached to me, if, after June 1st, you find all such delinquent accounts and notes in the hands of some prominent attorney in this town for collection.

Respectfully, Yours,
With friendly feelings toward all, and malice toward none.
A. LEOPOLD

Some returned Boomers who failed to get homes in the Oklahoma territory are said to be anxious that Col. Ingersoll shall go out to Guthrie and modify his views as to the non-existence of Had-s.

This is no reference to the 'New Oklahoma'—Leopold's Addition to Rensselaer—as its boomers stick with leech-like tenacity to the claims they have secured.

All persons having cattle to let in pasture for the season of 1889, will find it to their interest to address us at this place.

PISO'S CURE FOR CONSUMPTION

Piso's Cure for Consumption is also the best Cough Medicine.

If you have a Cough without disease of the Lungs, a few doses are all you need. But if you neglect this easy means of safety, the slight Cough may become a serious matter, and several bottles will be required.

PISO'S REMEDY FOR CATARRH

Piso's Remedy for Catarrh gives immediate relief. Catarrh virus is soon expelled from the system, and the diseased action of the mucous membrane is replaced by healthy secretions.

The dose is small. One package contains a sufficient quantity for a long treatment.

A Cold in the Head is relieved by an application of Piso's remedy for Catarrh. The comfort to be got from it in this way is worth many times its cost.

Easy and pleasant to use. Price, 50 cents. Sold by druggists or sent by mail.
