### PLEASE TAKE NOTICE,

### And be Governed Accordingly.

Although not connected with the Rensselaer Business Men's Association, I think it but just and right that everybody should pay their honest debts. I therefore earnestly and respectfully beg of my many debtors to call and settle with me, by note or otherwise, else, while I have no desire to expose anybody, I am determined to have a settlement within 30 days from date. No blame can reasonably be attached to me, if, after June 1st, you find all such delinquent accounts and notes in the hands of some prominent attorney in this town for collection.

Respectfully, Yours,  
With friendly feelings toward all,  
and malice toward none.

A. LEOPOLD.

Some returned Boomers who failed to get homes in the Oklahoma territory are said to be anxious that Col. Ingersoll shall go out to Guthrie and modify his views as to the non-existence of Hads.

This is no reference to the 'New Oklahoma—Leopold's Addition to Rensselaer—as its boomers stick with leech-like tenacity to the claims they have secured.

All persons having cattle to let in pasture for the season of 1889, will find it to their interest to address us at this place.
