### PLEASE TAKE NOTICE,

And be Governed Accordingly.

Although not connected with the  
Rensselaer Business Men's Association,  
I think it but just and  
right that everybody should pay  
their honest debts. I therefore  
earnestly and respectfully beg of  
my many debtors to call and settle  
with me, by note or otherwise, else,  
while I have no desire to expose  
anybody, I am determined to have  
a settlement within 30 days from  
date. No blame can reasonably be  
attached to me, if, after June 1st,  
you find all such delinquent ac-  
counts and notes in the hands of  
some prominent attorney in this  
town for collection.

Respectfully, Yours,  
With friendly feelings toward all,  
and malice toward none.

A. LEOPOLD.

Some returned Boomers who  
failed to get homes in the Oklaho-  
ma territory are said to be anxious  
that Col. Ingersoll shall go out to  
Guthrie and modify his views as  
to the non-existence of Had's.

This is no reference to the 'New  
Oklahoma'—Leopold's Addition to  
Rensselaer—as its boomers stick  
with leech-like tenacity to the  
claims they have secured.

All persons having cattle to let  
in pasture for the season of 1889,  
will find it to their interest to ad-  
dress us at this place.

closely as they dared—have now made an-  
other advance, and in their New Vibra-  
tor present a Threshing Machine contain-  
ing entirely new features in separation
