clutches upon her and for seven years

slept all night and with one bottle
has been miraculously cured. Her

The transition from long, lingering
and painful sickness to robust health
marks an epoch in the life of the indi-

praise of Electric Bitters. So many
feel they owe their restoration to

"Some lives are like
Horse shoes
the more worn the brighter!"
Busy wives who use SAPOLIO
never seem to grow old. Try a cake...

A complete wreck of domestic happiness has often resulted from
badly washed dishes, from an unclean kitchen, or from trifles which
seemed light as air. But by these things a man often judges of his
wife's devotion to her family, and charges her with general neglect
when he finds her careless in these particulars. Many a home owes
a large part of its thrifty neatness and its consequent happiness to
SAPOLIO.

Grocers often substitute cheaper goods for SAPOLIO, to make a
better profit. Send back such articles, and insist on having just what
you ordered.
