

FRIDAY JULY 11 1890

Entered at the postoffice at Rensselaer, Ind. as second-class matter.

DEMOCRATIC CONVENTION.

The Democratic voters of Jasper county, and all other enemies of monopolies, trusts and combines, who believe that the adoption of Democratic principles are essential to the welfare of the whole people, are requested to meet in mass convention at the usual voting places, in the various townships, on

SATURDAY, JULY 26, 1890, at 2 o'clock p. m., to transact the following business:

1st. Appoint a committee of three, who, with the chairman of township committee shall prepare a complete and accurate poll of the voters of the township, the same to be delivered to the chairman of the central committee on the date of the county convention.

2d. Select such other committees as may in the judgment of the convention be necessary to a complete and thorough organization of the party in the township.

3d. Select one delegate for each township, and one for each fraction over five votes cast for C. C. Matson for Governor at the November election of 1888. The above apportionment entitles the various townships to delegates as follows:

Hanging Grove	4
Walker	4
Marion	20
Newton	7
Kankakee	4
Carpenter	17
Union	8
Gillam	4
Barkley	8
Jordan	7
Keener	3
Wheatfield	6
Milroy	3

The delegates so selected will meet in delegate convention in the Town of Rensselaer, on

SATURDAY, AUGUST 2, 1890, at 1 o'clock p. m. to nominate a county ticket to be voted for at the November election, 1890, and also to appoint delegates to the various conventions.

By order of County Committee.
DAVID W. SHIELDS,
Chairman.
JAS. W. McEWEN, Sec'y.

The political shyster and hummer who circulated the report that we would support the republican candidate for auditor, did so for a purpose, and without authority from us. He is a liar, was an apt supporter and admirer of that prince of political acrobats, Horace E. James, and cannot appreciate honesty and fidelity to principle in others.

No doubt the Democrats of Jasper and Newton will name the next member of the Indiana House of Representatives.

Billy Owens has proved himself to be an expert dodger the present session of Congress. A good Democrat will defeat him next November.

The belief is daily growing that the Democratic county convention on the first Saturday in August next will present for the suffrage of the voters of Jasper county a winning ticket. We invite the fellow that lied about us, whoever he is, to make the same effort for its success that we will.

EXAMINATION OF THE

St. Joseph's Indian Normal School, June 30th and July 1st, 1890.

The average attendance of the above school during the past year was 48 pupils. The Indian boys were examined in all the common school branches; a class of 18 in geography and U. S. history, and another class of 14 in grammar, U. S. history, geography and book-keeping. The examination showed that the pupils improved in speaking and reading the English language, and especially in writing compositions. Their penmanship was excellent, which is the case in almost all Indian schools. Prizes were awarded to the following boys:

First prize, Jos. Rolette, Chippewa.

Second prize, Roderick Marion, Chippewa.

Third prize, P. Lookaround, Menominee.

Fourth prize, John Baw, Sioux.

Fifth prize, Ernest Oskosh, Menominee.

Sixth prize, Lewis Marion, Chippewa.

The concluding exercises consisted in recitations both in prose and poetry, with religious and secular songs delivered alternately were held July 1st, at 2 p. m.

A merry entertainment in the evening and finally religious service, formed the conclusion of a year of toil and study in the St. Joseph's Normal School. May friends of the school continue to favor the charitable institution.

LAYING OF THE CORNER STONE OF THE ST. JOSEPH'S COLLEGE, Rensselaer, Ind.

The Very Rev. H. Brammer, administrator of the Diocese of Fort Wayne, in the absence of the Right Rev. Bishop Jos. Dwenger, who, being seriously sick, is staying in Albuquerque, N. M., blessed the corner stone of the St. Joseph's College on July the 6th, at 3 p. m. A numerous crowd came to witness the solemnity, and listened attentively to the addresses, prayers and songs on the occasion. On the whole it is a most orderly assembly and a memorable day. The ladies of Rensselaer had prepared a dinner and supper in the adjacent grove, and a great many of the visitors enjoyed the meals, and quenched their thirst with lemonade, ice-cream and a "soft drink." There was a continual procession from the college grounds to the near Indian school end everybody seemed to be pleased and to enjoy the time.

The following priests were present: Very Rev. H. Brammer, Ft. Wayne; Very Rev. H. Drees, Cathagena, Ohio; Rev. Thos. Eisenring, C. P. P. S., Fort Wayne; Rev. H. Hellhake, Remington; Revs. A. Dick and B. F. Hahn, Rensselaer.

The Fourth, at this place, was appropriately observed, although, owing to the busy season, not so largely attended as sometimes. Everybody enjoyed themselves. One of the marked features of the occasion was the parade of the Indian boys which drew forth commendations from all who witnessed it. In the hundred yards sprint race young Oskosh, Indian, secured the prize, \$5. Joe Daybird, Indian, took the prize in the barrel race. In the barrel race proper, through an accident to Joe Daybird, Gus Gibuensee was the winner. Daybird and Roderick Marion took the three-legged race, Bertie Rhoades the shoe race, and Oskosh the potato race. The white nine beat the Indians in the ball game. Purse \$10—\$7.50 to winners and \$2.50 to losers.

For largest township delegation in attendance, Union received two drums and fife.

Blaine gave Harrison's "home market" theory a knock down the other day when he said "we must enlarge our market." The farmers and wage workers will give it another knock out when they go to the polls in November.

The New York Tribune, one of the staunchest of Republican papers, is out in a column editorial calling a halt on pension legislation. If that paper were Democratic the Republican organs would call it a "rebel sheet."

REGISTRATION NECESSARY.

Requirements of the New Election Law Who Must Register When?

Not many people seem to know it, but the time is at hand when registration under the new election law should begin. Those who are required to register must do so at the County Clerk's office three months before election. The election this year will occur on November 4, so the last day for registration is less than a month from now. County Clerk Irwin, in accordance with the provisions of the law, has placed in his office a registration book, and is patiently waiting for voters to come up and enroll their names. The clerk will get a fee of 25 cents (paid by the county) for each person that registers.

State Librarian Dunn says in his official election law manual (required by law): "While the law does not require repeated registration of citizens who reside continuously in the same county from one general election to another, it does require the registration of every person who moves into any county within six months preceding an election, whether he previously resided within the State or not; and also, of every person, who having once been a citizen of Indiana shall have gone to another State with the intention of voting, or shall have been absent from the State for a period of six months." The system is a departure from ordinary registration laws, and is designed to cut off absolutely false declarations of residence and the importation of voters.

Under the head of "Duties of Voters," Mr. Dunn, in his manual, gives these plain instructions about registration:

"The voter must register at the County Clerk's office three months before election.

"1. If, having been a resident of Indiana, he has absented himself from the State for six months or more.

"2. If, having been a resident of Indiana, he has voted in another State.

"3. If, having been a resident of Indiana, he has gone into another State or sovereignty with the intention of voting there.

"4. If he has not been a bonafide resident of the county in which he resides for at least six months before election.

"The first three specifications are indefinite as to time, but presumably mean that the voter must register if he has so absented himself or voted since he last exercised the right of suffrage in Indiana.

"The certificate of registration must be taken to the polls, as the voter can not vote unless he produces it on demand of the challenger. This registration need not be made if, prior to leaving the State, the voter filed with the County Clerk a notice of his intention to hold residence in Indiana."

Under the provisions of the law all the Indiana office holders in Washington must come home to register if they expect to participate in the election this fall. These voters are expected to swoop down upon Indiana next week. Their fares will be paid or half-fare granted.
