The harsh, drastic purgatives,  
once deemed so indispensable, have  
given place to milder and more  
skillfully prepared laxatives; hence  
the great and growing demand for  
Ayer's Sarsaparilla. Physicians every-  
where recommend them for costi-  
veness, indigestion, and liver  
complaints.

Elder Hope B. Miller, who re-  
moved from this place to Michigan  
City on being appointed chap-  
lain to the Prison North, died in  
that city Thursday of last week,  
aged about 59 years.

**Ayer's  
Sarsaparilla**

Stands at the head of all blood med-  
icines. This position it has secured  
by its intrinsic merit, sustained by  
the opinion of leading physicians,  
and by the certificates of thousands  
who have successfully tested its  
remedial worth. No other medicine  
so effectually

### CURES

Serofulic bals., pimpls, rheumatism, ca-  
tarrh, and all other blood diseases.

"There can be no question as to the  
superiority of Ayer's Sarsaparilla over all other  
blood purifiers. If this was not the case, the  
demand for it, in this country, would have ceased long ago, like so many  
other blood medicines I could name."

F. L. NICKELSON, Druggist, 75 Chelsea St.,  
Charlestown, Mass.

"Two years ago I was troubled with  
spleen. It was all over my body, and nothing  
the doctor did for me was of any  
use. At last I took four bottles of Ayer's  
Sarsaparilla, and was soon cured. I can sincerely recommend it as a splendid  
blood-purifier."—J. S. Burt, Upper Keewick,  
New Brunswick.

"My sister was afflicted with a severe  
case of

**SCROFULA**

Our doctor recommended Ayer's Sarsaparilla  
as being the best blood-purifier within  
his experience. We gave her the medicine,  
and a complete cure was the result."—  
W. O. Morris, Dentist, No. 1

"When a boy was troubled with a blood  
disease which manifested itself in sores on  
the legs, Ayer's Sarsaparilla being  
recommended, I took a number of bottles, and was  
cured. I have never since that time had  
a recurrence of the complaint."—J. C.  
Thompson, Lowell, Mass.

"I was cured of Scrofula by the use of  
Ayer's Sarsaparilla."—John G. Berry, Deer-  
field, Mass.

**Ayer's Sarsaparilla**

PREPARED BY  
Dr. J. C. AYER & CO., Lowell, Mass.  
Sold by all Druggists. Price \$1; six bottles, \$6.

Fret not your life away because  
your hair is gray, while young, as  
you can stop all grayness and can  
beauty the hair with Hall's Hair  
Tintener and be happy.

Last Saturday Gleason & Han-  
ley shipped a car load of fine hor-  
ses to Cincinnati.

The correctness of the maxim  
"nothing succeeds like success" is  
well exemplified in Ayer's Sarsa-  
parilla. The most successful combi-  
nation of alteratives and tonics,  
it always succeeds in curing dis-  
eases of the blood, and hence its  
wonderful popularity.

Last Friday night John Kenton  
was awarded the silver medal at  
the Surrey Demoret Contest—  
And on Saturday evening Will  
Parkison was awarded the silver  
medal at the Barkley church.

### Too Tree, Too Tree.

Man that is married to woman is  
many days and full of trouble. In  
the morning, he draws his salary, and in the  
evening, behold it is all gone. It is a tale  
that is told, it vanished, and no one  
knoweth whither it goeth. He riseth up  
in the chilly garments of the  
night and seeketh the somnolent pare  
gor, wherewith to heal the aching  
bowels of his offspring. He imitates  
the horse or ox, and draweth the chariot  
of his posterity. He spendeth his shekels  
in the purchase of fine lines and purple,  
to cover the bosom of his family, yet be  
himself is seen at the gates of the city  
with one suspender. He cometh forth  
as a flower, and is cut down. There is  
hope of a tree when it is cut down that  
the tender roots thereof will sprout again;  
but man goeth to his home, and what is  
he then? Vaa, he is altogether wretched.

### PRONOUNCED HOPELE'S

#### YET SAVED.

From a letter written by Mrs. Ado.  
E. Hurd, of Groton, S. D., we quote:

"Was taken with a bad cold, which  
settled in my Lungs, cough set in and  
finally terminated in Consumption.—  
Four doctors gave me up, saying I  
could live but a short time. I gave  
myself up to my Savior, determined  
if I could not stay with my friends on  
earth, I would meet my abject ones above.  
My husband was advised to  
get Dr. King's New Discover for  
Consumption, Coughs and Colds. I  
gave it a trial, took in all eight bottles.  
It has cured me, and thank God I am  
now a well and hearty woman."—

store, regular size, 50c. and \$1.

### A POPULAR FAMILY.

JENNIE: "How is it, Kate, that you always  
seem to 'catch on' to the right thing? Do  
what I may, you always seem to get ahead  
of me."

"I don't know; I certainly do not  
make any exertion in that direction."—  
JENNIE: "Well, during the last few months,  
for example, you have taken up painting,  
and I have seen you do all the latest  
and best work."
