SENATOR TURPIE, at Monticello, next Tuesday.

Hon. MORTIMER NYE, Democratic candidate for Lieutenant Governor, and Hon. FRANK N. HOLMAN, the great tariff talker, at Rensselaer, Thursday, October 27th, 1892.

Our wood patrons will confer a favor by bringing it right along.

Harvey Kannal is a student in the Chicago Veterinary College.

Revs. Drake and Weaver are in attendance on the Northwest Indiana M. E. conference, Terra Haute.

Carpenter, given up, at I. J. PORTER'S.

Jim Campbell has given up his summer vacation, railroading in Minnesota, and returned to Rensselaer.

The republicans have designated the occasion of Parson Chase's appearance at Rensselaer as "Governor's Day." Arrangements are announced to multiply "leaves and fishes" wherever they feed these in attendance, and in order to insure a crowd, "prizes" are pledged. W. B. Austin, H. L. Brown and R. P. Benjamin will hunt up musical talent to sing "songs of welcome and rejoicing." We understand the chorus of the most superb piece selected runs thus:

"The Democrats, areimps of hell!" The Populists are no better! They seem determined to compel Repubs to work for bread and butter.

Miss Dora Peacock was a competitor in the grand Democrat state gold medal contest, at Marion, and came out second best in a list of eight.

Clarence Carpet Warp, at T. J. PORTER'S.

Jake Eaglesbach has bought the Rhodes brick building on Washington street.

Services in the new Primitive Baptist church next Sunday.

A considerable portion of the outfit of the threshing machine factory has been received, and will soon be put in place.

The erection of a fine brick building by the Odd Fellows, on their lot east of the post office, is being talked up.

Our sporadic neighbor devotes his efforts to work to showing that there is no large advance in the treasury, instead of presenting satisfactory proof that local taxation increase is not greater than the increase of State taxes. It is not surprising in the least should our neighbor next week admit the conspiracy and express his regrets that it did not escape detection.

Cards are out for the wedding of Miss Emma Kline, of this place, and Mr. Ira A. Gray, of Monon. Next Tuesday.

Mrs. H. Har is and daughter and Henry Bruce attended the Baptist State convention, Logan-port, last week.

Furniture in all style, in vast quantity and at prices to suit, at the new furniture store.

On page 939 of the senate journal for 1891, all the Republican members, including Shockey republican candidate for lieutenant governor and senator Gilman, who is now engaged in canvassing this county, are recorded as voting for the tax bill. We take the record in preference to the declaration of the Republican, and again call upon senator Gilman to defend his vote on the measure in question against the attacks of the sporadic genius who presides over the columns of his organ in this county.

THE STATED BY A REPUBLICAN HERITAGE.

With charming regularity the republican press and speakers charge that the Indiana State debt is due solely to Democratic extravagance and mismanagement. In 1891 the State debt was \$8,830,615.20. Of this debt the Democratic party is responsible for having contracted \$3,752,809.22. This part of the debt has been made since 1883. It is an honest debt and represents something. It has added to the material wealth of the State and no one need be ashamed of the items constituting it, and no Republican can object to it. The debt was created for the following purposes:

New insane hospitals at Evansville, Logansport and Richmond	\$1,401,722.66
School for feeble-minded youth at Fort Wayne	314,911.00
Soldiers' and sailors' orphan's home at Knightstown	165,000.00
Central insane hospital, Indianapolis	114,500.00
Deaf and dumb institution, Indianapolis	67,500.00
Institute for blind, Indianapolis	55,000.00
Female prison and reformatory, Indianapolis	42,000.00
Reformatory school for boys, Plainfield	63,300.00
State university, Bloomington	95,000.00
State normal school, Terre Haute	100,000.00
Furber university, Lafayette	57,000.00
State prison north, Michigan City	43,240.00
State prison south, Jeffersonville	15,000.00
Soldiers' and sailors' monument, Indianapolis	230,000.00
New State house, Indianapolis	834,130.00
Total	\$3,598,303.66

To this should be added the amount paid on the State debt since 1883, viz: Twenty-four internal improvement bonds and interest on same, paid May 23, 1883, \$134,149.92. State stock certificates and interest on same, paid April, 1891, 20,355.63.

Making a total of \$3,752,809.22. Now let the republican press and orators show what constitutes their portion of the debt. What have the Republican party to show the people of the State for the immense amount of money they have squandered? Not a public building was constructed during the Republican rule in Indiana, and no landmark of public pride has been left as an evidence of the debt contracted under Republican misrule, corruption and theft.

From 1867 to 1869 this debt was fastened upon the people at six per cent. interest. No attempt was made to refund it at a lower rate. The legislature of 1889 refunded this debt at three and one-half per cent. per annum, and returned to the school fund the money that had been purloined from it by the Republicans over twenty years before and distributed that fund among the counties of the State to be used by the people at six per cent. interest.
