### ODD TITLES OF BOOKS.

Specimens of English Literature in the Time of the Romances.

In 1868 a pamphlet was published in London entitled "A Most Delectable Sweet Perfumed Nosegay for God's Saints to Smell At." About the year 1849 there was published a work entitled "A Fair of Bellowes to Blow on the Dust Cast upon John Fry," and another called "The Snuffers of Divine Love." Cromwell's time was particularly famous for title pages. The author of a work on charity entitled his book "Hooks and Eyes for Believers' Breeches. Another, who professed a wish to exalt poor human nature, calls his labor "High-Heeled Shoes for Dwarfs in Holiness." And another, "Crumbs of Comfort for the Chickens of the Covenant." A Quaker, whose outward man the powers that were thought proper to imprison, published "A Sigh of Sorrow for the Prisoners in Zion Broad Out of a Hole in the Wall of the Earthly Vessel Known Among Men by the Name of Sweet Fish." About the same time there was also published "The Spiritual Mustard-Pot, to Make the Soul Sneeze with Devotion;" "Salvation's Vantage Ground, or a Louping Sand for Heavy Believers." Another, "A Shot Aimed at the Devil's Headquarters Through the Tube of the Cannon of the Covenant." This is an author who speaks plain language, which the most illiterate reprobate cannot fail to understand. Another, "A Reaping-Hook, Well Tempered, for the Stubborn Ears of the Coming Crop; or, Biscuits Baked in the Oven of Charity, Carefully Conserved for the Chickens of the Church, the Sparrows of the Spirit, and the Sweet Sins of Salvation." Of course, we have the following copious description of its contents: "Seven Sons of a sorrowful soul for sin; or, The Seven Penitential Psalms of the Princely Prophet David." Whereunto are also added "William Humins' Handful of Honeyuckles, and Divers Godl and Pithy Ditties Now Newly Augmented."

Judge Waxen's Proverbs.

The goddess of Liberty haint the faintest idea what sort ov things is done in her name.

A man that has got the pull to elect a United States Senator don't have to know the difference between a tariff and a turnip.

Sometimes grante statesmen grows on mighty slender stems.

Money is mighty handy to hav when you want to persuade a man how to vote.

A politishan that'll sell out his party haint bough back agin.

There are men in this country that wood sling mud at the Amerikan easel he ran for offis.

The wind kin blow right thru a politishan's promise.

Most men haint rite good memerries ter brain's and faces till they git into offis.

State and nashonal legislators has been made to make laws to order.

Sammon has crowded the other members of the ferm out of politicks.—Free Pres.

Was Away Up in This World.

In Lone Island Cemetery at Norwalk, Conn., there is a grave 11 feet long in which rest the bones of the Widow Mary T. T. T., as an inscription on a rude carved slab of blue stone quaintly tells the widow died in 1768, being in the 50th year of her age. None of her descendants can be found, but there is a tradition that she was 10 feet high, and in proportion. It is related that once upon a time her path was blocked by a team of oxen, the driver of which stubbornly refused to let her pass. Thereupon she seized the offender by his neck and hurled him bodily into a neighboring creek and then unyoked the cattle and carried them into the meeting house and tied them to the pulpit. The discovery of this grave has aroused such an interest that several antiquarians talk of opening the grave to see if anything remains of the giantess.

Napoleon and Paradise Lost.

Sir Colin Campbell, who had charge of the person of Napoleon Bonaparte while he was a prisoner in the Island of Elba, made the assertion that the emperor was not, and that he was not a member of Milton's Paradise Lost, which he had read to some profit, for that the plan of the battle of Austerlitz he borrowed from the sixth book of that work where Satan brings his artillery to bear upon Michael and his angels host with such diabolical effect. The mode of warfare set forth in the poem appeared to Bonaparte so likely to succeed, if applied to actual use, that he determined to adopt it and succeeded beyond expectation. A reference to the details of that battle will be found to assimilate so completely with Milton's imaginary fight as to leave no doubt of the accuracy of the assertion.

Those who subscribe for Demarest's Family Magazine for 1868 will possess a gallery of exquisite works of art of great value, besides a number of valuable articles in every way in the world for its beautiful illustrations and subject matter, which will keep even the most exacting reader interested.
