YOUR FUTURE
IS IN YOUR OWN HAND.
Palmyra assume to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life. You must keep up with modern ideas to win. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spurs you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be excited to extremes of spirit or dependancy if you have the GIRL OF VENUS well marked; keep up your spirits by having Demorest's Magazine read by each member of the family. You will receive a gallery of exquisite works of art of great value, besides the superb premium picture, "The Dancer," which is almost a real baby, and equal to the original oil painting which cost \$200; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the news of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both for men and boys, for the whole family; and while Demorest's is not a fiction magazine, its fashion pages are perfect. If you get with it, free of cost, all the pictures, which to use during the year, and in any of your choice. Send in your subscription at once, only \$3.00, and you will receive your copy of the magazine, and the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unsatisfied with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reasoning faculty. THE MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

DR. HARLAN H. BALLARD, PRESIDENT OF THE AGASSIZ ASSOCIATION, IN POPULAR SCIENCE NEWS, ON THE BIRDS OF NORTH AMERICA.
In connection with the foregoing report of our Ornithological Chapter, it is only right to call the attention of all lovers of birds to the magnificent work now being issued by the Natural Science Association of America, and entitled "THE BIRDS OF NORTH AMERICA." Edition limited to 1,000.
It is emphatically an original work, original in design and execution, and whether in letter press, illustrations or in the magnificent plates now being issued by the Natural Science Association of America, and entitled "THE BIRDS OF NORTH AMERICA." Edition limited to 1,000.
It is recommended by the highest scientific, ecclesiastical and educational authorities as being the most attractive, meritorious, and useful ornithological exposition of our ornithology yet given to the public.
Dr. Elliott Coues, author of "Birds of the North West," says: "It is a really notable work." Prof. C. J. Maynard, author of "The Birds of Eastern North America," says: "It contains the best pictures of the species which I have ever seen."
Thomas G. Gentry, author of "Life Histories of Birds," and "Nests and Eggs of Birds of the United States," says: "It is the cheapest and best publication on ornithology in this country. The drawings are of a very high order, and rivals in beauty of design and finish the more costly works published abroad or in this country. It should be found in our homes and in libraries generally." And, according to Dr. Theodore Gill, a member of the National Academy of Sciences, it is not only a meritorious volume, but is altogether so handsome as to make it a very appropriate presentation book or ornament for the family table.
It is an imperial quarto volume of engraved figures of all our species, artistically reproduced, true in all hues of color to their natural plumage and botanical surroundings. It also includes a copious text description of their habits and characteristics, and embracing in general the observations made by the most eminent writers on ornithology, and a systematic table, arranged according to the classification adopted by the American Ornithologists' Union, includes all the additions and corrections of our North American species which have been made to date, with an index to page, plate and figure of each species according to the A. O. U. number. It is illustrated with one hundred and nineteen full page colored plates, each representing from one to thirty or more species. It is the finest book on American birds issued since Audubon, and is pronounced by some authorities superior to that now rare and costly work. It is issued in half and full bindings, Russian, seal, or morocco, at the net price of \$40 and \$45 respectively; but in response to a special letter, the association authorized me to say that a special discount will be made to such of our A. A. members and others as are working naturalists. We commend this work especially to members of the Wilson Ornithological Chapter.
It is also a very useful and appropriate addition to the home and reference library, and for presentation purposes generally. Add one regarding it, the NATURAL SCIENCE ASSOCIATION, 114 Fifth Avenue, New York, N. Y. Samples of plates and text can be had by sending twenty-five cents in postage stamps. 12m lem.

Wonderful Success Obtained by Using Herb Remedies in Treatment of Chronic Diseases.

MAN-O-WA.
WHO IS HE?
He Is the Great Indian Doctor
He is the benefactor of humanity. He is the well known Herb Doctor who has cured so many suffering people around Rensselaer during the past few years.
How can he cure people expected to die? How can he cure those terrible Chronic diseases with which so many are afflicted? By using a new system of medicine—new to the white race, but well known and hundreds of years old to the Indians. His medicines, over 2,000 in number, are not poisonous drugs, but the natural sweetness of the earth. Sick people are doctored even by self styled specialists on poisonous mineral drugs. If healthy people tried to live on them they would certainly die. How then, can the sick expect to live on them? The best foods for man or beast are vegetable, therefore they ought to be and are the best medicines for the sick.

DR. MAN-O-WA only uses vegetable medicines, composed of roots, herbs, gums and herbs which, prepared into a tea, will nourish the body and make the blood pure and healthy, by drawing all poison from the system and restoring health, strength and vitality. The Doctor has strong endorsements from his many friends in Jasper County and in fact from all over the State. U. G. Titus, ex-Sheriff of Boone County, Ind.: Our physicians could not give any encouragement nor the relief. Dr. Man-o-wa made a thorough examination and prepared treatment for him, and through his constant and scientific treatment our baby boy, an enervated, nervous, debilitated, and after taking two months' treatment, I was completely cured.

Mrs. H. Spivey, Ordono, Ind.: I had been a miserable sufferer for years. I had a severe attack of throat, with complete loss of voice; could not speak in a whisper; was broken from onium habit and am enjoying life as I have not done before for years. Joseph Culler, Harmony, Ind.: After beginning your treatment I improved wonderfully, as I had been told my case was incurable. find that I can do as much work as the average man of my age.

MAN-O-WA, THE INDIAN HERB DOCTOR has successfully treated many others in this section who were afflicted with Catarrh, Stomach, Liver, Kidney and Bladder Diseases, Heart Trouble, Epilepsy, Rheumatism, Syphilis, Nervous Debility, Female Weakness, Bronchitis, Wasting and Chronic Diseases, which only a skillful specialist can cure. Are you discouraged? Have you thought you could not get well? The Doctor knows better than you whether you can or not. Call and see him. He can tell you your disease at once. If he can cure this he knows how to doctoryou. If he can cure or relieve
