YOUR FUTURE

IS IN YOUR OWN HAND.

Patentee assures you that nothing more than the hand indicate. It will assure you that nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable years you will live. Each BRACELET gives you three lines. Well, the hand and HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean a good life, but you will find modern ideas to win. You will find plenty of them in Demarest's Family Magazine, so attractively presented that every member of the family is interested. You will find that the hand and LINE OF HEART bespeak tenderness; a straight LINE OF FATE, peaceful life; the reverse if you are not well. Well, the hand and HEAD espouse your doctors' bills; the hand and HEAD are the original oil painting which cost \$300, and you will find that the hand and HEAD equals in any in the world for its beautiful illustrations and subject matter, that will keep you interested. The hand and HEAD are the hand and HEAD of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family.
