In many parts of the state interest is centered upon the big state fair to be held at Indianapolis beginning September 16 and continuing during the week. The railroads will give a very low rate and many people will take advantage of this opportunity to visit the capital city.

The most serious thing that confronts the Democratic party today is embodied in the statement that the calm, sober, conservative members of the party have lost faith in the ability of their leaders to guide and direct the affairs of this government. There is a whole lot of sense, judgment and patriotism in the Democratic party. There is a whole lot of intelligence and wealth. Nine Democrats out of ten want to prosper themselves and want the nation to prosper.—Delphi Journal.

The closing sentence of the above is the most sensible thing that has appeared in the Journal for many a day. Every Democrat worthy of being called such wants the nation to prosper. It is not true, however, that "the calm, sober, conservative members of the party have lost faith in the ability of their leaders to guide and direct the affairs of this government." It is the restive and impatient element in the party whose faith has been impaired. Many Democrats have manifested impatience because the work of overthrowing unwise Republican laws was not accomplished in a fortnight. I took longer than they anticipated to overthrow the McKinley tariff law—that master piece of injustice, and the silver purchasing law—the cowardly makeshift that brought on the panic. But those laws are no longer on the statute books of the nation. The people's oral parties were well nigh united in demanding the repeal of the Sherman silver purchasing law. The author of the law and the president who approved

ed it joined in demanding its repeal. There was stronger opposition to the repeal of the McKinley tariff law but where now are there any people so foolish as to demand its re-enactment?

Was there any statesmanship displayed in turning over the taxing power of the government to private corporations which was accomplished by the passage of the McKinley tariff law? Was there any great ability displayed in passing the silver purchasing law for the purpose of holding a few silver producing states in the Republican column at the risk of bringing ruin and disaster upon the country?

If Democratic leadership is discredited why should it be, since confidence has been restored and the country is entering upon an era of unparalleled prosperity?—Logansport P. arros.

The big musical day at the state fair will be on Wednesday, September 18, when the Second Regiment band of Chicago; Rogers Goshen band, Shelbyville Military band and the Indianapolis Military band—in all over 140 musicians will give a grand concert in front of the grand stand. The musical program will conclude with the "March of Nations," participated in by all the bands, and the military organizations of the city of Indianapolis, uniformed in grand style to represent the soldiers of France, Germany, England and the United States. This will be a grand affair and will doubtless attract thousands of people.

Excursion to Chicago and Milwaukee.

On Wednesday, August 28th, the Monon Route will run an excursion to Chicago and Milwaukee. The rate from Rensselaer will be \$2 for the round trip. This includes trip to Milwaukee via the Great Wheelback Steamship "Christopher Columbus." Special train will pass Rensselaer at 10:50 a. m. arriving Chicago at 1:45 p. m. Returning, special train will leave Chicago at 11:00 p. m., Thursday night, Aug. 29th. Tickets will also be good returning on milk train of Aug. 28th and 29th.

Everybody should take advantage of this excursion, as it will be the only one to Chicago this year. There will be at least fifteen coaches on the special and everybody can have a seat. Coaches will be provided with plenty of ice water, besides refreshments will be served from the baggage car. A good cornet band will occupy the front coach. This is the Monon's annual excursion and they are going to try to give their patrons a pleasant trip, and, with the music, the refreshments and lots of room, everybody ought to have a good time.

Among the more important attractions in Chicago at the present time is "Pain's Siege of Vicksburg." This wonderful reproduction of the battle and capture of Vicksburg is of itself well worth the cost of the trip. "Shooting the Chutes," the Masonic Temple Roof Garden, 302 feet up in the air, "Ali Baba" at the Chicago Opera House, "Little Robinson Crusoe" at the Schiller Theatre, "The Merry World," at the Columbia, "Tilly" at Hooley's, etc., etc., are all well worth seeing.

The time of passing other Jasper Co., and neighboring stations, and the round trip rates are as follows:

Lee	10:30	\$2.00
Marlboro	10:36	2.00
Pleasant Ridge	10:42	2.00
Surrey	11:00	2.00

GLAD TIDINGS! Did you ever see the New Adjustable Reclining Chair Swing? If not, you have yet to behold one of the most enjoyable inventions ever introduced. Everybody buys it, the balance sell it, the remainder are engaged in making it, while the sum total are employed in sounding its praise. It has been said, and that most truthfully, "It is the Paragon of Comfort; Children's Consolation, and a Perfect Delight to all."

It does not take your breath or make you dizzy, as does the long, sweeping swing; neither does it convert you into a counterfeiter of the Bow of Promise as does the Hammock, but it can be adjusted so as to be a comfort for all. "Yes, 'tis for the children small, Or the giant, like Goliath tall; And best of all, the fat as well as lean, May enjoy its benefits most serene." As a swing it is unequalled; it is truly the "Monarch of all we survey." We use only first-class material in making, and guarantee satisfaction. Prices as follows: Single chair, without frame, \$4.00, with frame, 10.00. Two chairs, with double frame, 15.00. Manufactured by FIELDER, Bros & Co.
