HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty-cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Democratic Sentinel and send your full post-office address to Dr. Kilmer & Co., Birmingham, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

The Indiana miners families are in state of starvation, and the necessities of life are passing beyond their reach under the operations of the Dingley bill. The Republican and Journal endeavor to extract evidence of prosperity from this deplorable state of affairs. Rah for the Dingley bill!

Millions of money has been sent from the eastern money centers to the west for the purpose of moving the crops. The carrying trade of the railways has increased and is increasing enormously, and their earnings vastly exceed those of former years. Truly prosperity has come to these shores. Now we challenge the Republican to cite an instance where the number of employees have been increased to perform the extra labor, or where the wages have been increased.

Beautiful eyes grow dull and dim  
As the swift years steal away.  
Beautiful, willowy forms so slim  
Lose fairness with every day.  
But she still is queen and hath charms to  
Spare  
Who wears youth's coronal—beautiful  
hair.

Preserve Your Hair

and you preserve your youth.  
"A woman is as old as she looks," says the world. No woman looks as old as she is if her hair has preserved its normal beauty. You can keep hair from falling out, restoring its normal color, or restore the normal color to gray or faded hair, by the use of

Ayer's Hair Vigor.

Two superb bands of music with the Ed F Davis Big Minstrel show.

The manner in which Mr. Ellis has arranged and fitted up his Opera House elicits expressions of gratification from all who have seen it. Beauty and comfort are the principal attractions in its get up.

Ed. Davis' Minstrels will entertain our people at the Opera House, next Friday night. We understand it is well worthy a big patronage.

And now Francesville will hold a street fair Sept 28th to October 1st

Don't fail to see the troupe of Japanese acrobats and dancers with the Ed F Davis minstrel show at Ellis' Opera House, next Friday night.

A mass meeting of miners at Brazil, Ind., Saturday, declared war against company stores and will hereafter demand payment in currency.

The Ed F Davis octorooms led by the sweet voiced singer, Sissetta Jones, is one of the features with the Davis minstrels, at the opera house, Friday night, Sept 10th.

A number of bicycle riders will pay for riding wheels with unit lamps, Thursday night, contrary to provision of a city ordinance.

The Ambia and Greensburg banks were placed in charge of Examiners this week.

The Pennsylvania Democratic state convention declared Harry's place on the national committee vacant.

A railway employe remarked to us recently: "Comparing the cost of the necessities of life for last winter with the approaching period, and provided my family require the same in kind and quantity, I find that my expenditures will be increased from eight to ten dollars per month, while my wages are not increased." Considerable difference. And this will prove to be the experience of millions of laboring men.
