

## GARFIELD HIGH GIRLS TO MAKE OWN DRESSES

That's One Result of Meeting of Parents and Faculty—Will Promote Social Events.

What was considered by both teachers and parents of the members of the senior class of Garfield high school as a very beneficial meeting was held in the auditorium of the north end institution Friday night when many vital subjects were discussed. The general spirit of the meeting was to promote social events among the students of the high school, the seniors in particular, and in all ways to better conditions. The parents also sought the co-operation of the faculty in keeping the expenses of the students for their social events and for other purposes on a common sense basis, no effort being made to quell any of the activities.

The parents offered their services to the faculty in helping promote any feasible entertainment proposed by the seniors by means of chaperoning parties and in other ways. As the two factions stand now, the faculty feels free to call upon the parents and the parents feel that they will be allowed a word with the faculty.

Another point which was discussed was one which was originated by Prof. Thomas W. Records, principal of the high school. He has been advocating the making of their own dresses by the girls in the senior class as far as is possible. The parents met this suggestion favorably and will get behind it. The faculty of the high school will meet Monday evening to discuss the various proposals of Friday night's meeting further.

### SUES ON PROMISSORY NOTE.

Plaintiff Alleges That Defendants are In Position to Pay.

John F. Robb has sued the United States Cashier company and the International Money Machine company for \$6,000 on a \$6,000 promissory note given by the Cashier company in Portland, Ore., last December to the Title and Trust company of that city, and assigned by that company to plaintiff. The claim sets out that the International Machine company has property, moneys and claims belonging to the Cashier company sufficient to satisfy the claim of plaintiff, and hence the Money Machine company is made garnishee defendant. Beasley, Douthitt, Crawford & Beasley are attorneys for plaintiff.

### CONTRACTOR IS SUED.

Quartry Company Seeks to Collect Money It Forfeited.

The United States Fidelity and Guaranty company has sued William C. Dorsey, the contractor, for \$844.17, which it alleges it has had to pay to the United States company and the Hooser Lumber company because of claims against him for supplies, the plaintiff having been on Dorsey's bond for certain contracts made with the city. C. S. Batt is plaintiff's attorney.

### NEW MEMBER OF BAR.

## ASSAILANT OF WOMEN ASSESSED HEAVY FINE

Hungarian Found Guilty of Attacking Mother and Daughters and Inflicting Injuries.

Mike Sabo, a Hungarian, who attacked Mrs. Alma Boyles, 1546 Grand avenue, Friday night, at the corner of Sixteenth street and Maple avenue, was fined \$50 and costs by Judge Thomas Smith, in Police Court, Saturday morning. Mrs. Boyles charged that Sabo knocked her to the pavement and dragged her over the ground and that he kicked her after she had fallen, inflicting bruises about her shoulders. A cut under her left eye, from a blow from the man's fist, required three stitches.

Mrs. Boyles said she was returning from Twelve Points with her two daughters from a picture show and that they were passing Steve Forst's saloon when Sabo stepped out and began making insulting remarks. He followed the woman around the corner of the saloon and attempted to take hold of Hazel Boyles, the oldest daughter. She broke away and he attacked the mother. William Huffman was attracted to the place by the cries of the woman and held Sabo until the officers arrived.

Sabo admitted that he accosted the woman and followed them but said the three women attacked him. He said he had been drinking but denied that he knocked Mrs. Boyles down or kicked her.

## COLUMBIA UNIVERSITY GYMANASIM IS BURNED

NEW YORK, Oct. 10.—The Columbia university gymnasium building, a two-story brown stone structure 75 by 175 feet, designed by the late Stanford White, and built twelve years ago, was a charred, water-soaked ruin today, with all but the walls and the electric power plant in the basement destroyed by the fire which gained swift headway early this morning.

If heat and water have weakened the walls the loss will be heavy. If they stand strong as ever it is believed that \$100,000 will be sufficient to rehabilitate the building. The structure housed the university heating and power plants, the gymnasium, swimming pool, indoor race track, paraphernalia and trophies, editorial room of the school of journalism, students' lockers and the university restaurant, in which it is believed the blaze originated.

At one time the fire threatened the dormitories, and the thousands of students and teachers sleeping there were roused and sent to the grounds.

### HAYES GOES TO REFORMATORY.

Man Convicted of Robbery Is Taken by Man He Held Up.

George Hayes, sentenced September 30 for a term of from five to fourteen years in the state reformatory at Jeffersonville, for highway robbery, was taken there Saturday by Pearl Conover, the man he robbed. Hayes held Conover up at the point of a revolver several weeks ago and made him give up the change in the cash drawer at the Conover saloon on Tippecanoe street, between Sixth and One-half and Seventh streets. Conover said this morning when he started with the prisoner, "I want to see that this bird gets there safely, and see it myself, for he put it on me."

### ASKS COMPLAINT EXPLAINED.

Attorneys for Executors of McGregor Estate Bring Court Action.

Attorneys for the executors of the estate of the late James McGregor filed a motion in the Circuit Court Saturday morning asking that the complaint of Alexander McGregor, who is suing to set aside the McGregor will, be made more specific, especially in regard to its averments that the will in dispute was procured under undue influence. The firm of Beasley, Douthitt, Crawford & Beasley, Davis, Bogart & Royce, and Williams and Williams represent the executors.

### DAILEY DELIVERS BONDS.

County Treasurer T. J. Dailey was in Indianapolis Saturday delivering to Breed, Elliott & Harrison \$40,000 worth of the 6 per cent. Greenfield bayou levee bonds that were recently sold. The firm agreed to pay \$20,000 on the delivery of the bonds and the balance at different periods, but evidently had such good success in disposing of them that they agreed to take the entire issue, except \$6,000, at once.

### SANDFORD CHURCH SERVICES.

The services of the Sandford, Ind. M. E. charge will continue as they were before conference for the present. The pastor, Rev. A. H. Kenna, of Greencastle, will preach at Pisgah Sunday morning, and at Sandford Sunday evening.

### SINER WILL PROBATED.

The last will of John A. Siner, of Linton township, was admitted to probate Friday afternoon, the entire estate by its terms being left to the widow, Mrs. Sarah F. Siner. Her bond was fixed at \$3,000.

## JOYCE GETS NOTICE OF COURT'S DECISION

Ruling Gives Police Chief Sixty Days in Which to Ask Rehearing of Contempt Case.

County Clerk John F. Joyce received notice Saturday morning from Clerk Fred France, of the supreme court, of the sustaining by that tribunal of the decision of Judge Fortune in finding Superintendent Edward Holler guilty of contempt of court and sentencing him to thirty days in jail. The notice had the usual note to the effect that the defendant would have sixty days in which to file petition for rehearing. Attorney D. V. Miller, who represents the police chief in the contempt proceedings, had not received a certified copy of the decision of the court when interrogated Saturday morning and said until such copy had been received he could not tell whether or not a petition would be filed for rehearing. Superintendent Holler was out of the city Saturday morning, on business connected with the police department.

### PROPERTY OWNERS APPEAL.

Want Assessment Roll of North Fifth Street Set Aside.

Objection to the reapportioning of Fifth street, from Cherry street north to the Big Four railway, is made in the way of a suit brought in the Superior Court by thirty-nine property owners, who ask that the assessment made by the board of public works be set aside. The property owners objecting are: Harriet E. Stees, Catherine Nicholson, Edwin and Nettie Burr, Sarah G. Warner, Percy J. and Bertha Armstrong, Mary Barton, Nicholas Filbeck, Kate McDonald, John Rubach, Winfield S. and Lily McCoy, John B. Byers, Charles W. Bauermeister, Sheldon S. Anderson, David W. # Keep warm—save vitality!

"The coming of bitter cold makes it necessary to again warn old people and children especially of the importance of preserving the body's vitality by keeping in the heat of the blood. Disease germs flourish when the body is chilled. Exposing yourself unnecessarily to cold puts an extra load upon the heart. Keep the home all over at uniform temperature, particularly avoiding cold, drafty floors which chill the big blood vessels at ankles." That is why health authorities so strongly endorse

## AMERICAN & IDEAL RADIATORS & BOILERS

robbed of its purity and vitality by escaping ash-dust and coal-gases.

Look at the official health maps of any big city, which will show you how free from deaths due to neuralgia, rheumatism, pneumonia, coughs and consumption are those districts where practically all the best homes are warmed and ventilated by IDEAL Boilers and AMERICAN Radiators. The Indian

huddled over his campfire is one of the worst victims of pneumonia, rheumatism, consumption and other winter maladies. So, too, the farmers (according to Government Statistics), with their old-fashioned heating, show a far bigger death rate than do city people from the ravages of these winter diseases.

A No. 1-22-W IDEAL Boiler and 400 ft. of 38-AMERICAN Radiators costing the owner \$190, were used to heat this cottage. At this price the goods can be bought of any reputable, competent fitter. This did not include costs of labor, pipe, valves, freight, etc., which vary according to climatic and other conditions.

IDEAL Boilers and AMERICAN Radiators are used to warm and ventilate the leading hotels, sanitariums and baths at Aix-les-Bains, Nice, the Riviera, Carlsbad, Marienbad, Cairo, Simla, Japan, Florida, Southern California, etc. These facts should point the right heating way to you!

IDEAL Boilers and AMERICAN Radiators are now put in old or new cottages, mansions, stores, schools, churches, etc., without disturbing occupants or tearing up floors or partitions. Their big savings in fuel and absence of repairs soon repay their cost. Will outwear the building. Write, phone or call today for free book, "Ideal Heating."

### An unfailing, stationary Vacuum Cleaner—in sizes now at \$150 up!

You should know about our ARCO WAND Vacuum Cleaner, for dustless, complete cleaning of rooms, furnishings, etc. Sits in basement and cleans through iron suction pipe running to each floor. Easily put in OLD buildings. Fully GUARANTEED. Lasts as long as the building—like radiator heating. Send for catalog.

## MOOSERS OF SEVENTH FORM ORGANIZATION

Elect Cordell President of Club and Hear Encouraging Address.

At the meeting of the Seventh Ward Progressive club, held at 1432 Woodley avenue, Friday evening, officers were elected and several speeches made. The officers selected were: President, George N. Cordell; secretary, R. Loudermilk; treasurer, Robert Van Horn; executive committee, Frank Drake, Harry Anderson and Ed Sommers.

Mr. Cordell gave a talk in which he said that the Seventh ward was progressive to the core, and that it would be the banner ward of the state for the progressives, at the coming election, because the people understood the principles of the progressive party and liked them.

"There are no 'gone backs' in the Seventh that we know of," said Cordell. In fact, the progressive sentiment is stronger if anything. We got 6,000 votes in the county two years ago and by rights carried the county. With the democratic votes that are coming to us this time we ought to get not less than 7,500 to 8,000 votes in the county, which will elect our ticket handily."

### SERVICES AT ST. PAUL'S.

Rev. Williams to Preach Sunday Afternoon at Mission.

There will be services at St. Paul's mission, Thirteenth and Linden streets, at 4:15 o'clock Sunday afternoon with the Rev. Charles E. Williams of St. Luke's church in charge. This is one of the occasional services held at the mission. The subject of Rev. Mr. Williams' sermon will be "The Parable, The Hidden Treasure, and the Pearl of Great Price." The next service at St. Paul's probably will be held the fourth Sunday in the month when there will be holy communion.

## FOUR STRAIGHT BOSTON MOTTO

Continued from Page One.

If the Indian pitcher had been at his best that it would have been a difficult proposition to beat the Braves with Rudolph working as he did and the other members of the team backing him up at every stage of the game. There seemed to be little doubt in the minds of many of the Athletic followers that if Manager Mack saw fit to use Plank today that sundown would end the series tied at one game each. Expressions of satisfaction in the showing made by Wyckoff, a mere youth, during the three and a third innings he pitched for the Mackmen yesterday were heard on every side, and it was felt by some that if the series be prolonged he stands an excellent chance of working in another game.

### Scalpers Win Victory.

The ticket speculating fraternity won a legal victory when habeas corpus proceedings forced the release of those arrested for vending admission tickets yesterday. Few tickets for today's game, however, were in the hands of the speculators when the hour for the staging of the contest arrived. Many purchasers secured bargains in tickets yesterday when at the last moment the holders found that they would be unable to use the high priced pasteboard.

Every one who had a ticket today seemed determined to use it to see the game, or had friends who would.

The builders of miniature grandstands on house tops overlooking the grounds also scored in a legal tilt with the police and building inspectors when it was discovered that they could not be forced to tear down their stands.

Interest in the series seems accentuated, if that were possible, by the victory of the Braves. Before yesterday's game was ended a new line had

been started outside the bleachers' entrance in anticipation of today's game. At nightfall scores of determined fans were in the line, which increased by leaps and bounds until early today thousands were in the vicinity of Shibe park anxiously awaiting the opening of the gates and an opportunity to purchase bleacher seats.

### Stallings Changes Lineup.

All were curious to see whether the bats of the Boston visitors, which had been so effective against the speed and curves of Bender would be as potent when opposing the baffling cross-fire of the other famous veteran, Plank. In anticipation of the slating of Plank by Manager Mack, however, Stallings announced a change in his line-up, putting in several hitters who are more effective against left-handed pitchers.
