

BLACK DEMON INVITED TO REAL SPEED TEST

Local Boat Can Find Some Competition In Chicago Craft Boasting 1,800 Horse-Power.

The Johnson brothers received a long distance telephone invitation yesterday afternoon to enter their "Black Demon" 360 horse-power motor boat in the competition at Chicago on October 20, when the amateur championship of the United States will be decided. The invitation came from Commodore Pugh, owner of "Disturber IV," which has a horse-power of 1,500, and is said to weigh 19,000 pounds. The "Baby Speed Demon" is also entered in this race, which is expected to make a world's record for motor boats. The race will be over a prescribed course in Chicago harbor, and the record heretofore established, of 58 miles an hour, is expected to be shattered.

In the preliminary trials on the Wabash river the "Black Demon" has shown a speed that is expected to exceed 60 miles an hour and if the invitation is accepted to participate in the race at Chicago on October it is possible that Terre Haute will show a speed that will win the national championship. The interest shown in the local hydroplane indicates that the leaders in the motor boat industry realize the possibilities of the Terre Haute machine within a world's championship. The "Black Demon" weighs in the neighborhood of 2,500 pounds, and its indicated horsepower, 360, makes it faster than the Pugh boat with its 1,800 horse-power and 19,000 pounds weight.

FIFTY PEOPLE JOIN CHURCH.

Class Taken in By New Seventh Day Adventist Sect.

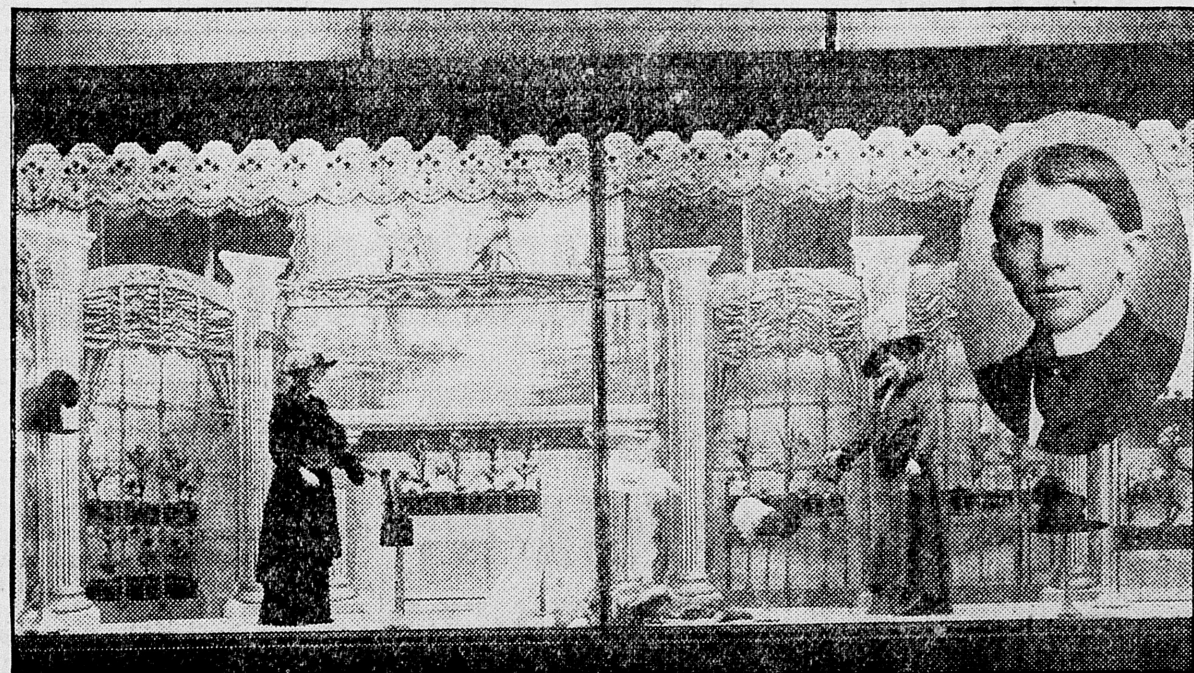

The Seventh Day Adventist church, corner Fourth street and College avenue, was the scene of a very beautiful ceremony yesterday morning. The occasion was the reception into church fellowship of the first class of converts who accepted the message of reformation preached at the Washington avenue chautauqua this summer. Fifty people united with the church, thus pledging themselves to keep all of the commandments of God, and the faith of Jesus. The next class, which is now receiving instruction, will be baptized in the near future.

"Empires of Prophecy" will be the topic of Evangelist Tindall's sermon this evening. In this sermon the evangelist will portray the history and destiny of the world, showing what God foretells will follow in the wake of the present European war.

WADE PRESENTS NO. 3 WITH DODSON'S PHOTO

Grand Keeper of Records and Seals Donates Handsomely Framed Portrait to Pythians.

Col. Harry Wade, grand keeper of records and seals of the Indiana grand lodge of Pythians, has presented to Terre Haute Co. No. 3, a portrait of "Deacon" George C. Dodson, taken at the Danville encampment, U. R. K. of P., at Danville, Ill., in August, 1913. It shows him in his uniform holding a watermelon under each arm, his watermelon parties having become of almost national interest among Pythians. In presenting the handsomely framed portrait of the "Deacon," Col. Wade indulges in the following sentiment:

"Presented to Terre Haute Co. No. 3, 'The Deacon.' 'He was not your leader in the many contests you have won, but he was 'Our leader' 'In splendid fellowship and goodness of heart toward his Pythian brothers. 'May his memory never leave us. 'Sincerely and fraternally, 'HARRY WADE, G. K. R. & S.'"

Dangerous Wit.

"What is the charge?" asked the magistrate. "Nuthin' 't all," snickered the prisoner at the bar; "this's on me."—Buffalo Express.

One of the windows which won honorable mention during the Fashion Show was that of the Herz store, designed and built by William Fread. Every piece was measured and cut and fit perfectly when assembled. The floor was of combed board, painted dark grey and trimmed in lighter grey. French windows contained boxes of brilliant poppies, the beautiful monotone paintings with grey and old rose draperies making a beautiful effect. Two models in velvet and broadcloth suits set off the picture. The work was Mr. Fread's original idea.

CHIEF HOLLER TO ASK CONTEMPT REHEARING

Attorney Announces That Petition Will Be Filed As Result of Supreme Court Ruling.

Although his attorney, D. V. Miller, had not received a certified copy of the ruling of the supreme court in the contempt proceedings against Superintendent Edward Holler, the latter announced last night that proceedings would be instituted to secure a rehearing of the case against him, which began during the trial of Mayor Roberts, as provided by the law which gives him sixty days in which to file a petition for rehearing. The following is a synopsis of the opinion of the court in the proceedings, the decision being rendered by Chief Justice Cox: CONTEMPT—OBJECTIONS TO AFFIDAVIT APPEAL AND ERROR.

22633. Edward Holler vs. The State of Indiana, Vigo C. C. Affirmed. Cox, C. J. (1) Charges of indirect contempt were filed against appellant, he answered under oath, was convicted, filed motion for new trial and appeals, assigning as error that the affidavit of charges were insufficient, overruling his motion for new trial. The sufficiency of the charges can not be considered, as he should have tested it with a motion to discharge the rule and not questioned it first on appeal, nor is the matter properly presented in appellant's briefs. (2) The sufficiency of the answer can not be questioned on appeal, as no exception was saved to the ruling of the trial court. (3) The motion for new trial can not be proper in such proceedings, as it is not set out in appellant's briefs.

ACTIVITIES OF BOYS' CLUB KEEP YOUNG MEMBERS BUSY

Educational Classes Are Started With Great Interest—Basketball Work Is Begun.

The past week has been a busy one at the Flora Gulick Boys' club. Many of the educational classes have been started and the interest the boys have taken in them has surpassed the expectations of the teachers and the management. The gymnasium work has also been booming, and as every boy who plays basketball is required to take the work in at least one educational class, the interest and attendance at both of them has been excellent.

Saturday afternoon a number of the boys, under the supervision of Assistant Superintendent Raymond Miller, took a hike to the woods in search of walnuts and for a general good time. These Saturday afternoon hikes will be a feature of the work of the organization during the coming fall and until the weather gets too cold for expeditions in the open, the boys are tickled to death to get these chances to get out of the city for a short time.

Sunday evening there will be an address at the club rooms by Rabbi Jacob H. Kaplan.

The following appeared in the Seymour Daily Democrat Saturday: "Hon. Donn M. Roberts, of Terre Haute, was here today shaking hands with friends and taking in the festive We expected after reading the Indianapolis News to see a man with horns clubfooted, knock-kneed and with gun in his hip-pocket. We were agreed surprised when he proved to be very pleasant gentleman. He did not talk any politics, but seemed to be content to spend the day in the nicest little city in the state. Come again, Mr. Roberts."

"Oh, yes! That is what aroused my curiosity."—Judge.
