

## GUN TOTER TAKEN HERE AND RETURNED

Turk Wounds Fellow Countryman  
During Altercation at Green-  
castle Sunday.

William Allah, who seriously wound-  
ed Rusha Mohamet, at Greencastle,  
Sunday, with a revolver, was return-  
ed to Greencastle Monday morning by  
Sheriff Boss of Putnam county. Two  
other men, wanted for helping Allah  
in the fight at Greencastle, escaped.  
Allah was arrested by Special Officer  
Wampler of the Big Four railroad  
Sunday night on a freight train in the  
Duane yards. Wampler boarded the  
train northwest of the city and found  
Allah in a car with a number of other  
men. The Turk attempted to draw a  
gun on Wampler but the officer grap-  
pled with him and took him from the  
car.

The men implicated in the shoot-  
ing at Greencastle are all Turks in  
the employ of a glass company. Al-  
lah and the man he shot were in  
Greencastle for the purpose of load-  
ing glass sand on cars. The two  
quarreled some days ago, according  
to Allah. Sunday Allah and two com-  
panions went to the sand pit and  
waited for Mohamet to come. When  
he appeared Allah opened fire on him  
with a revolver. Mohamet ran and two  
bullets hit him in the legs. He will  
recover.
