

C. T. U. CONVENTION IS CLOSED AT BRAZIL

Delegates Vote to Allow Trustees to Wind Up Business Instead of Meeting Again.

By Special Correspondent.
BRAZIL, Ind., Oct. 13.—The annual state convention of the W. C. T. U. came to a close with last night's session at the First M. E. church. The program provided for a morning session today but the delegates voted to allow the trustees and officers to finish the business and most of the delegates left for their homes this morning.

The feature of the closing session was a debate on woman suffrage between Mrs. Elizabeth Stanley, of Liberty, in the affirmative and Mrs. Retta Jones, of Kokomo, who gave a burlesque negative address. The judges, C. S. Payne, Ernest Statton and Rev. Pearce, decided in favor of the negative.

A suffrage institute occupied most of yesterday afternoon's session which was conducted by Mrs. Felix McWhirter. Leading suffrage workers of the state gave five minute talks.

Mrs. Culla J. Vayhinger, state president, left at the close of the convention last night for California to join the "Flying Squadron" and Mrs. Elizabeth Stanley was appointed in her place to represent the state association at the national convention at Atlanta.

The election of delegates and alternates to the national convention of the W. C. T. U. to be held at Atlanta, Ga., November 11th to 18th, took place late yesterday afternoon and announced just before the supper adjournment. Mrs. Dora L. Keith was honored with the election of delegate-at-large from the state. The delegates and alternates are as follows:

Delegates—Mrs. Amelia Lambert, Indianapolis; Mrs. Josephine Wilmer, Bluffton; Mrs. Judge Laury Logansport; Mrs. Ida Stigelman, Francisville; Mrs. Pearl Silvers, Ridgeville; Mrs. Mac James, Richmond; Miss Ananda Turner, Kokomo; Mrs. Bell Shultz, Guilford; Mrs. Jennie Guffey, Hope; Mrs. Emma McCurdy, Princeton; Mrs. Mary Collins South Bend; Miss Ruth Speicher, Urbana; Mrs. J. A. Bright, Bloomington; Mrs. Sadie B. Harvey, Fairmount; Mrs. Julia Overman, Marion; Mrs. Florence Canady, Morgan-town; Mrs. Orville Huffman, Pleasant Lake.

McCurdy, Richmond; Mrs. Malissa Emery, Westfield; Miss Jennie Ward Guilford; Miss Carrie Callis, Madison; Mrs. Mary Jenner, Evansville; Mrs. Nora Howells, Millersburg; Mrs. Rose Guilbert, Urbana; Mrs. S. Russell, Bloomington; Mrs. Kate Stevens, Marion; Mrs. Anna Wilkins, Brazil; Mrs. A. R. Shedd, Winona Lake.

Mix Gets Fine and Sentence.

By Special Correspondent.
BRAZIL, Ind., Oct. 13.—Leo Mix, who was arrested in Terre Haute last week when about to board a train for Chicago, on the charge of stealing some tools from the Knight-Blinkers hosiery factory, was given a hearing in the Circuit Court yesterday and fined \$10 and costs and sentenced to 60 days in jail.

When being taken to the county jail by Sheriff Garrigue Mix threatened E. L. Petty, superintendent of the piano factory, and Sheriff Garrigue took him back into the court room and reported what had occurred. Judge Rawley informed Mix that if he heard of any more threats he would change his sentence and send him to prison. John Malay and wife, witnesses for the defense, almost made threats against Petty and were arraigned before Judge Rawley and warned that they would be given a jail sentence if it occurred again.

Jacob Graves of Anderson, charged with being one of the bootleggers who operated at the old settlers' picnic at Bowling Green, entered a plea of guilty when arraigned in the circuit court yesterday. The sentence was withheld by the court and he was released on \$200 bond.

CRITICAL MOMENTS

What the war teaches.

Every life has its critical moments. There are times when a man's health is staked upon the care he gives to it within a few hours. His system may be run down, blood laden with bilious poison and lungs or skin affected.

Twenty-four hours after you start to take Dr. Pierce's Golden Medical Discovery, poisonous matter and blood impurities begin to leave your body through the Liver, Bowels, Kidneys and Skin.

So powerfully penetrating is this purely vegetable remedy that through the circulation of the blood it reaches every fibre, muscle and joint, dissolves the poisonous secretions and drives them out of the body.

It brings new activity to the liver, stomach and bowels in a short time, thus causing salivaceous, indigestion, and constipation to disappear.

It enters the tiny blood vessels of the skin, bringing with it fresh vitalized blood, and abiding faith in its wonderful cleansing power has come to thousands, when pimples, boils, carbuncles, rashes, eczema, acne and other skin troubles dry up and disappear.

Good blood means good health; good health means strong men and women, full of vigor and ambition, with minds alert and muscles ever willing. Any medicine dealer will supply you with Dr. Pierce's Golden Medical Discovery in either liquid or tablet form. Remember it is purely vegetable, and free from alcohol or narcotics and is not a secret remedy for all its ingredients are published on wrapper.

CLINTON CELEBRATES IN HONOR OF COLUMBUS

"Discovery Day" Parade is Made Big Event by Italians and Others.

By Special Correspondent.

CLINTON, Ind., Oct. 13.—The Christopher Columbus day parade held in this city yesterday was the greatest in the history of the festival day in this city. Besides the usual marching of Italian lodges, including one woman's lodge, there was a considerable turnout of Americans. The downtown stores were decorated for the occasion. The Pietro Micca lodge, the Christopher Columbus lodge and the Libia woman's lodge, were in the line of march, and the Bersaglieri of Centerville, with the Centenary band, came for the day. The school children also paraded along with a large number of automobiles gaily decorated for the occasion. There were several floats in the parade which attracted considerable attention. After the marchers passed through the city they went to the old ball grounds west of the city where Mayor Morgan J. Tucker, made a short address. J. M. Vietti was selected to introduce the speakers that followed who were: Ottavio Miletto, president of the Columbian federation, and James Colombo, who both spoke in Italian. Last came Roy S. Atwood, of Brazil, who made a short address praising the deeds of Columbus and the nation.

"BLIND TIGER" RAIDED.

Constable Arrests Grant Ratcliff Who Pleads Not Guilty.

By Special Correspondent.
CLINTON, Ind., Oct. 13.—For the first time in many weeks a "blind tiger" was discovered by Constable Nick Yellich, on a warrant issued from the court of Justice of the Peace William Reese. The accused is Grant Ratcliff, who has been conducting a cigar and pool room and soft drink establishment at Jacksonville. When the constable raided the place he found several men playing cards and a search revealed three cases of beer and some whiskey. Ratcliff was brought to this city, and recognized until next Saturday night, under a \$200 bond. He pleaded not guilty.

Held As Wife Deserter.

By Special Correspondent.
CLINTON, Ind., Oct. 13.—James Rodenberry, a well known mine worker, was arrested on a warrant charging him with wife and child neglect. He was taken to court yesterday morning where he will be arraigned before Judge B. S. Aikman. The warrant was issued some weeks ago but Rodenberry promised to do better and the sentence was suspended.

Concert a Success.

By Special Correspondent.
CLINTON, Ind., Oct. 13.—The sacred concert and organ recital given at the Sacred Heart Catholic church, Sunday night, was one of the greatest musical events ever held in the city. All the numbers were well rendered and in a manner that drew forth much favorable comment, although there was no applause in the church during the entertainment.

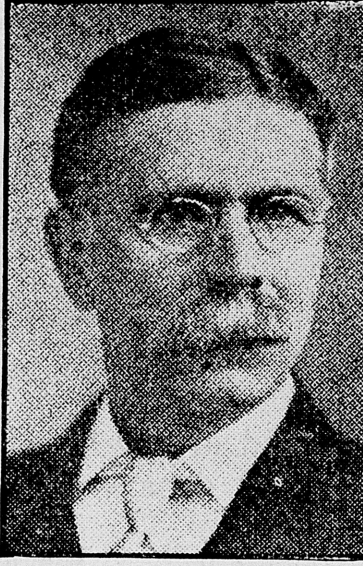

HOSPITAL REPORTS READ.

Regular Meeting of Union Board of Directors is Held.

The reports for September were read at the regular meeting of the board of directors' meeting of the Union Hospital Monday night. There were four births and one death at the institution last month. There were 143 patients cared for during the month, each averaging 10 days under care of a nurse. The charity patients numbered 42 cared for on an average of 12 days per patient. Expenditures totalling \$2,450 for the month were distributed as follows: Salaries, \$816; supplies and repairs, \$506; laundry, \$140; gas, water and electricity, \$112. Each charity patient averaged a cost of \$17.25 to the hospital per day. Thus the 42 charity patients averaging 12 days, each cost the hospital \$837. The city and county paid \$400, leaving a total of \$437 to be made up by donations and bequests.

Committee Favors Dam.

By Special Correspondent.
PARIS, Ill., Oct. 13.—The committee of eleven appointed to recommend some form of securing a supply of water for the city made its report to the council last evening. The committee favors the construction of a second dam at a joint half a mile east of the present structure. The proposed site is in a deep ravine where water could be impounded to a depth of 35 feet and covering nearly 20 acres of ground.

Jail Breakers at Large.

By Special Correspondent.
PARIS, Ill., Oct. 13.—At a late hour last evening no trace has been found of the four criminals who saved their way out of the Edgar county jail which has been considered one of the strongest bastions in the country.

The whole business is all the more mortifying because this is not the first time a jail breaking has occurred.

SAGE TEA PUTS LIFE AND COLOR IN HAIR

Don't Stay Gray! Sage Tea and Sulphur Darkens Hair so Naturally That Nobody Can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50 cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

By Mique O'Brien.

The "nutty" monologist is rather prevalent in vaudeville these days and sometimes he comes along in the form of a tiresome individual who merely imagines his "ad lib's," his extemporaneousness, his dexterity, and so on, on the spur of the moment are quite very awful bright and clever. Once or twice in a season a real fellow of minute jest comes along, however, and we have one of this sort on the present bill at the Varieties.

Joe Whitehead's criticisms are apparently spontaneous—his "imitations," which are burlesque imitations, are extremely funny. And with it all, Mr. Whitehead is artistic. He's just as well placed in vaudeville as he was in "The T. K. T. Man" or "The Girl Question." The Kirksmith sisters—there are six of them—close the show with a musical act that is classy. The young women operate on all sorts of musical instruments from the saxophone to the piano. Una Clayton's sketch, "The Chalk Line," is original in treatment of the theme. Three characters are introduced, two wheezy old codgers who quarrel continually while sharing quarters in a store room, and a girl, who while brought up as the daughter of one, is really the daughter of the other. Her parentage is disclosed on her eighteenth birthday. Harlan E. Knight, James McBurn and Lillian Volkman make the sketch as nearly "real" as a vaudeville sketch ever gets to be.

Burns and Kissens, the song writers, put over some of their own parodies very effectively. They are excellent singers and their patter is snappy.

Eldore, the juggler, opens the show.

Tommy Ross, the excellent young actor, who followed his success in "Checkers" with another hit in "The Fortune Teller," which made him a Chicago idol for a solid year, is back with us in film form at the Grand. Mr. Ross is a Lasky production, a production of "The Only Son," in which he appeared when that excellent play was done in dramatic form at the Grand two years ago. In the film version "The Only Son" is full of sensational features. The leading woman at one stage of the proceedings prevents a passenger train from being wrecked by throwing a switch in the nick of time. The hero is continually getting into hot nights. Although the original story is preserved, in unliking with the play for film use much matter is introduced that was not in the original play for the purpose of making a spectacular play out of it. The picture is a beautiful heart story if not improved by the introduction of the sensational features. "Tomorrow and Thursday" "A Fair Rebel" will be shown along with the picture. Lillian Gish has the leading feminine role in "A Fair Rebel," a picture which is a story of a stirring story of love and war. Friday's feature is "A Gentleman From Mississippi," with Thomas A. Wise as the senator, who foiled the corruptionists. This is one of the Brady-Shubert outputs of feature films from which so much is expected.

In "The Price of Crime," one of today's film features at the Savoy, a horse and rider fall over a cliff and a dozen horses topple over them. There's a thrill for you!

Years come and years go, and many brilliant stars illuminate the skies of popular favor for a time, but still the public opinion is that there is but one Sousa. The shading and embellishment, characteristic of Sousa and his band are a revelation, and have become standards for instrumental perfection. Many musicians attend the Sousa concert to learn and to receive inspiration. They are edited and inspired by so doing. A general impression is that the Sousa band is one of the results wherever Sousa's band appears. The opportunity to hear Sousa here will be on Saturday night, when he will be at the Grand.

PRESIDENT WALKS ALONE.

WASHINGTON, Oct. 13.—President Wilson left the white house alone today for a walk through the downtown section of the city to his bank. He almost eluded his guard of secret service men, but before he was out of the white house grounds they were on his trail.
