

LABOR UNION ENDORSES NEW TEMPLE PROJECT

Also Goes on Record As Opposing
Limitations on Employment
of Members.

Resolutions endorsing the labor temple movement and placing the Central Labor union on record as opposed to prohibiting members to work for employers not members of an employers' organization, have been passed by the local labor body. The resolutions follow:

"Whereas, there is an organization in this city known as the Terre Haute Labor Temple association, and, whereas, a committee from this body, after investigation, found that all business had been transacted with honesty and of purpose, and, whereas, we believe that the building of the labor temple to be a laudable undertaking and worthy of success and the support of all organizations, and all individuals of organized labor in this vicinity,

"Therefore, be it resolved, that we, the Central Labor union of Vigo county, endorse the movement known as the Terre Haute Labor Temple association and pledge it our moral and financial support, and, be it further resolved,

"That we recommend the same for the favorable consideration to all the organizations affiliated with this body, and to all kindred organizations in Vigo county and vicinity,

"And be it further resolved, that we earnestly urge them to purchase stock both as organizations and individuals so far as our financial condition will allow, that this movement shall be the grand and ultimate success that it deserves."

The second resolution follows:

"Whereas, the federal Sherman anti-trust, both the old and the amended law, provide that no two or more organizations can combine either by contract or by secret collusion, to regulate prices on any commodity, and, whereas, the statute of this state provides also against any two individuals or organizations conspiring to regulate the prices on any article offered for sale, therefore it is the attitude of this Central Labor union that no affiliated union should incriminate itself by contracting with an employer's association, whereby the journeymen will not be permitted to work for any employer who is not a member of the employers' association."

BUSINESS BEGINS IN HURRY WHEN NEW PIANO CO. OPENS

First Customer Recorded Half Hour
After Starr People Open Doors
to Public.

Within one-half hour after the Starr Piano company had opened its new store at 30-32 North Sixth street, yesterday morning, a brand new piano was on the way to the home of A. Reavill, 19 North Twelfth street. Mr. Reavill attended the morning opening, and he immediately purchased an instrument from J. C. Guncheon.

"We're real proud of our store," H. C. Currens, the manager of the store said yesterday. "We have been showing our instruments to large crowds all day."

The Starr, the Richmond, the Thrasher and the Remington pianos will be handled in both ordinary and players at the new store. "From factory to the home," is the policy announced for the store, and according to J. R. Grotendeck, assistant manager of the Indianapolis branch, who has been in charge of the arrangements for the opening, the local store will be able to offer the newest pianos at factory price. A complete library of roll music also will be maintained at the store, and the public is invited to hear the latest player music. Sound proof rooms have been provided for the player pianos.

Mr. Currens, the manager of the store, formerly was a member of the firm of Fuller and Currens Piano company, of Indianapolis. Miss Fleda Roberts will be cashier; J. C. Guncheon, wholesale salesman; F. C. Maxwell, C. W. Carter and Earl Douthy, city salesman for local store. Miss Anna Moore and Miss Minnie Meyer will be in the store as demonstrators, and F. Brodeur will have charge of the repair work and the tuning.

Miss Johana Gilday, who is in charge of the music roll department of the Indianapolis branch, assisted in the opening Saturday.

MALE STENOGRAPHERS AND TYPEWRITERS BADLY NEEDED

Civil Service Commission Plans to
Hold Monthly Examinations in
400 Cities for This Week.

The United States civil service commission has been unable to supply the demand for male stenographers and typewriters and has arranged to hold examinations monthly for this branch of the service in 400 of the principal cities of the country. The next examinations for stenographer-typewriter for field service, male and female, will be held in Terre Haute Nov. 21, and the same examination for departmental service, men only, will be held Nov. 24.

Applications for these examinations may be filed at any time and the applicant will be notified to report at the time set for the examination. Full information regarding the scope and character of the examination may be secured from David A. Asbury, secretary of the local civil service board, at the postoffice, or from the United States civil service commission at Cincinnati, O.

Examinations for many different branches of the service will be held in Terre Haute between Nov. 3 and Nov. 24, and information regarding any of them may be secured from Mr. Asbury.
