COLLEGEVILLE.

P. Carr, LL. D., of Indianapolis, is spending several days with his son, Cyril, at the college.

Frank Kaiser, of Minister, Ohio, a last year's commercial student, accompanied his brother, who entered as a student.

The dining rooms in the basement of the church are now in use. In the spacious halls the number of the students dwindles very much in appearance.

C. Beigel, of Chicago, began the frescoing work last Monday. The absence of that glass hinders the progress of his work. He is doing the small rooms at the south end.

The basketball league teams are playing daily games. Thus far the third latins are the leaders. The Junior league began its regular schedule this week. The second latins voted to disband because the commission decided a disputed point against them.

The second session began Tuesday morning with a high mass celebrated by Father Greiwe. The number of new students registered makes up for the decrease of those who have taken themselves to their homes or to other places.

As there were no classes during the retreat, several of the professors went to Chicago to view the Electric Show, and study the Wright aeroplane on exhibition there. They found Lieutenant Fuolois, who was in charge, very accommodating in showing the workings of the machinery.

The students' three days retreat came to a close Monday morning. The exercises were conducted by Father Flavian, O. F. M., of Cincinnati, Ohio. He is a delightful and entertaining speaker, and all his instructive sermons were heard attentively. His too short, but very happy stay with the students has been to them a new inspiration, an awakening to higher things and nobler ideals, that tend to the making of good, useful men and sincere christians.

The varsity turned the trick on Co. M, and wiped out the sting of the defeat in the armory here last Tuesday evening by overwhelming them with a score of 59 to 7. The city boys were the first to score, but soon lost sight of the iron ring and the score-board. In the second period they were unable to capture a single point. The game was hard fought from first to last, yet it was a very clean game as only four fouls were called, each team offending twice. It took the varsity but a few minutes to strike their gait, and then they scored at will. Kamp and McArdle seldom missed, and Lill starred by bagging several long range shots. A game with Crawfordsville high school is scheduled for next Saturday evening at 7:30.

Obituary of Laura Cornelia Halstead.

Laura Cornelia Yeoman, daughter of John and Abbie A. Yeoman, was born May 16, 1867, and died January 30, 1910, aged 42 years, 8 months and 14 days.

She was married to Orphaeus C. Halstead January 28, 1891. There was born to them one son, Roscoe, who is about 18 years of age.

Mrs. Halstead had been a sufferer for many years. Several years ago she received temporary relief by means of a surgical operation. The old trouble, however, returned and increased in intensity until she was forced to go a second time to the hospital for relief, but the shock from the operation was more than her weakened constitution could stand and death came Sunday at 10 o'clock.

Mrs. Halstead leaves an enviable reputation for christian living. She was industrious, economical and devoted both as a wife and a mother.

She was a member of the Free Will Baptist church, uniting with the same 23 years ago. To this faith she held firm until the end. She anticipated the worst before going to the hospital and made all arrangements accordingly. She leaves to mourn her departure a husband, son, mother, father and one sister, and a number of relatives and friends.

Rev. Clem Makes Forceful Appeal at Revival Meeting.

The meeting at the Baptist church was well attended last night, and a deep interest was manifest throughout.

Mr. Clem brought in a plain forceful manner the need of preparing the heart to receive the seed of righteousness. The heart is like unto fallow, or unbroken ground, and needs to be plowed deep to allow the seed of the Gospel to take root. We are anxious to cultivate the head, the hands, even the feet, but too often is the heart not cultivated.

Tonight he will bring a message on the thought of sowing the seed in the ground after it has been prepared.

Many people should hear these heart searching messages, it will do all good to come.

"Just a Woman's Way."

Interwoven in the story of the successful melodrama "Just a Woman's Way" is a strong love and comedy interest which relieves the play from too great tenseness and results in a very acceptable production. "Just a Woman's Way" will have its second production in this city at Ellis' Theatre on Friday, Feb. 4th.

Groundhog Saw His "Shadder" and "Ducked" in Deep Again.

The groundhog roamed around in gloom for awhile this morning, found out that his hide would turn water, and observing that the sky was dense with clouds wandered some distance from his front portico and was laying plans for his spring quarters when old Sol broke through a rift in the clouds and silhouetted his figure on the ground. For a moment the little quadruped was inclined to bluff it out for he had just picked out a good place for his spring grub gathering, but old Sol bore down hard on the intruder and he finally gave up the battle, turned his head to his winter quarters and beat his previous records in an effort to get back. From what can be learned he went into the hole head-first like a bat from a belfry and pulled the hole in after him. Tradition leaves us to expect six more weeks of real winter, and no one seems to care provided it will quit when the probation is up.

Great Sale Was That of D. E. Lesh's Tuesday, February 1st.

One of the best all around sales ever held in Jasper county was that of D. E. Lesh, on the Frank Parker farm, northeast of town, Tuesday of this week. Everything went high, higher than Mr. Lesh had expected them to go, and there was a big crowd present and all were interested whether they were there to buy or not, but most of them were there for business and the bidding was spirited on everything offered. The sale totaled about \$3,740. One bay mare brought \$276, a team of dun mares brought \$477, while the four highest priced horses brought a total of \$1,021. The twelve head brought an average of \$180.40. The cows brought between \$50 and \$60 and five thoroughbred pigs brought the following prices, \$48.50, \$49, \$50, \$52 and \$53. Three of these were bred gilts and two were bred sows. Thoroughbred fall pigs brought from \$10.50 to \$16 per head.

Claud May, of Remington, bought three horses, George Pumphrey and Bert Duggins each bought one, and most of the others were bought by men living near Rensselaer.

Mr. Lesh was one of our best farmers as the quality of the stock he raised bears witness and it is regrettable that he intends to move from the county and state, but he has bought a farm near his father's at Menominee, Wis., and will move there the 1st of March. He takes with him the best wishes of a large number of friends of himself and family, all of whom hope he succeeds so well that he will come back to Jasper county and buy a farm some time.
