WRENS LOST SPIRITED BALL GAME SUNDAY P. M.

St. Joe Had Shade the Best of a Very
Good Contest and Won by Score
Of Two to One.

About two hundred people saw the Wrens play a very good ball game with St. Joe at Riverside Sunday afternoon, and while the Wrens drew the short end of a 2 to 1 score the contest was marked with a sufficient number of good plays to make it quite pleasing from the spectators' standpoint and the crowd hung on until there were two down in the ninth inning and the defeat of the birds seemed positive.

Kevin arrived in the morning, but Ryan was minus, and the little infielder brought the word that Ryan had gone to the west end team for a season try-out. The Wrens would have been up against it, had it not been for availability of Sponhauer, a religious student from the college, who put up a gilt edged pitching game and worked with McLain like a veteran to defeat his college mates. He struck out eleven players and had the Wrens' outfield been up to the requirements, would have won the game, and the college might easily have been shut out, had one or two misplays not happened.

The Wrens faced Hassar and McGurran, and ten of them struck out, while they got but 4 hits. They might have added another score but for a little dumb base running. The Wrens had one or two men in uniform who didn't look good to the rooters and there was a sigh of distress when they stepped up to the plate and another sigh when they chopped awkwardly at everything offered and then went back and hung their legs over the bench. It is sure that the Wrens will have to get a few more players and teach them how to bat before they can expect to get away with many games.

McLain got a good swing on a ball that cut the center of the plate in the 8th and it looked to be good for two or three bases, but Carmody, the right fielder for the college, judged the ball well, ran back with it, dived into the air and picked the sphere out just as "Father" was rounding the first corner. It was a circus catch and put the birds down and out.

The Collegians got 7 hits, Nageleisen making 3 of them, and batting out a two bagger that brought in a run.

The visitors scored in the 3rd and the 8th and the Wrens in the 3rd, the latter making their run when with two down, Hassar passed Kevin, hit Jensen and McLain and then passed Sponhauer, forcing in Kevin. With the bases filled up, Wilcox was a victim of the four-three route and the side was retired.

There was a good crowd of Wren rooters and some friendly tilts of repartee with college rooters, showing the most friendly athletic relations now maintained between the college and the town. The Wren partisans were prepared to do a lot of cheering if they won, but they were quiet and the collegians took victory modestly. They expected it and got just what they were looking for.

Band Boys to Give Benefit For New Uniforms at Princess.

The band boys have leased the Princess for Wednesday night of this week and will give a big double show with two A. B. films and band music thrown in, all for 10 cents! The money realized will go toward the purchase of their new uniforms, which have already been ordered and will be here for the 4th of July celebration. The splendid showing made by the boys at their concert at the opera house a few weeks ago should encourage a large attendance at the Princess Wednesday evening. Band boys will make a canvas for the sale of tickets Tuesday and Wednesday and Business Manager Don Wright says it will be all right if you want to buy a dollar's worth each. The tickets will be good only for Wednesday night and will not be accepted at the Princess for any other performance. There will be two shows Wednesday night. Buy tickets and help get the boys' new uniforms.

Measles Causes Death of Young Farmer South of Mt. Ayr.

Charles Hunter, about 30 years of age, died Sunday morning of measles at his home about 3 miles southwest of Mt. Ayr. He leaves a wife and three children. He was a high-class young man and his death is greatly mourned. The funeral took place this Monday morning. The parents of Hunter have never had the measles and have been unable to visit the home of their dead son, fearing that they will contract the disease.

Rensselaer Coloradans Entertained In Honor of Mrs. Holdridge Clark.

A Longmont newspaper of last week publishes the following:

Mrs. C. E. Nowels entertained on Sunday at dinner in honor of the birthday anniversary of her mother, Mrs. H. Clark, of Rensselaer, Indiana. The invited guests were formerly Rensselaer residents which are as follows: Mr. and Mrs. Joe Jackson and family; Mr. and Mrs. G. A. Nowels and family; Mr. and Mrs. W. H. Timmons and family and Miss Hazel Parker.

Former Jasper County Man Dies After Long Sickness.

William Hammond, who moved from Jasper county to Kansas in 1884, died last Friday after an illness of several months of kidney trouble and dropsy. He was a nephew of Stewart Hammond, to whom a telegram was sent informing him of the death. His father's name was Josiah Hammond, whom many of our older settlers will remember. His wife was a sister of Chas. J. Dean. She survives him, as also do several grown children. The funeral is being held at Coats, Kans., today, Monday.

Manager of Boys' Winona City to Visit Rensselaer.

W. H. Collison, the noted singer and manager of the Boys' City at Lake Winona, has written Rev. J. C. Parrett, pastor of the First Presbyterian church, accepting an offer to come here and meet the boys and their parents and to discuss some phase of boy city life. He will be at the church Saturday evening, where Rev. Parrett desires the parents of the boys who are members of the K. O. K. A. to meet him informally. On Sunday evening he will fill the pulpit at the Presbyterian church and probably talk about the forthcoming encampment at Winona, which will be from July 26th to August 6th. It is probable that Rensselaer will launch a campaign to try to elect Cope Hanley mayor of the city this year and the progress of his campaign and the way the K. O. K. A. boys figure in the baseball contests will be watched with great interest. It will pay the parents of the boys to meet Mr. Collison and hear him discuss the boy question.

MEYERS & SECOR.

Rayher-Roth Wedding at High Noon In Presence of Relatives and Friends.

The marriage of Miss Zelma Rozella Rayher, daughter of Mr. and Mrs. William Rayher, to Mr. William Walter Roth, of Monticello, took place at 12 o'clock Sunday, June 12th, at the residence of the bride's parents on Austin avenue. Rev. G. H. Clarke, pastor of the First Christian church, performed the ring ceremony, in the presence of a number of relatives and friends of each. Following the marriage a wedding dinner was served and the bride and groom took the 1:58 train for Monticello, where a furnished home awaited them. They were the recipients of a number of very nice presents, the parents of the bride giving her \$100 in the shape of ten \$10 gold pieces.

The guests from out of town were, Mr. and Mrs. Samuel Walters and Mrs. D. F. Alter, of Frankfort, Mrs. William Roth, mother of the groom, and his five sisters, Mrs. Josephine VanTelt and husband, and Misses Eva, Esther, Beulah and Josephine Roth, of Monticello and Mr. Joseph Stump, of Gosport.

Mr. and Mrs. Roth take with them the best wishes of a large number of Jasper county friends, the bride being a graduate of the Rensselaer high school and a successful teacher in the district schools.

REAPING BENEFIT.

From the Experiment of Rensselaer People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Rensselaer residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

L. G. Anderson, E. Vine street, Rensselaer, Ind., says: "Last November I strained my back while lifting and I suffered so intensely that I thought I would be obliged to lay off from work. The pain across the small of my back was almost unbearable at times. I happened to read a statement in the local papers regarding Doan's Kidney Pills and I lost no time in getting a supply. I took this remedy strictly according to directions and in three or four days I noticed a marked improvement. By the time I had finished the contents of one box, I was free from the trouble. Doan's Kidney Pills deserve the highest praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Attention Knights!

All members are requested to be at the lodge Tuesday night, June 14th, to make arrangements for holding our annual K. of P. memorial services on Sunday, June 19th, 1910, at 8 o'clock P. M.
