### Eczema—A Germ Disease Can Now be Cured.

The medical profession is all agreed that ECZEMA is a germ disease, but the thing that has baffled them is to find some remedy that will get to the germs and destroy them.

Zemo, the clean, external treatment has solved this difficulty by drawing the germs to the surface of the skin and destroying the germ life that causes the diseases. The whole method of treatment and cure by ZEMO is explained in an interesting book on the subject issued by the makers of ZEMO. It tells how to cure yourself at home of Eczema, Blackheads, Pimples, Dandruff, and all diseases of the skin and scalp. Call at A. F. Long's Drug Store for Booklet and learn more about this clean, simple remedy that is now recognized the standard treatment for all diseases of the skin and scalp.

### INDIGESTION GOES.

**B. F. Fendig Sells Best Prescription On Earth on the Money Back Plan.**

Almost everybody knows that sick headache, nervousness and dizziness, are caused by a disordered stomach. Upset stomach and indigestion happen just because the food you eat does not digest—but lies in the stomach and ferments or turns sour.

You can stop fermentation and stomach distress in five minutes by using Mi-o-na stomach tablets, a prescription that has done more to cure indigestion and put the stomach in fine condition than all the specialists on earth.

A large 50 cent box of Mi-o-na stomach tablets is all you need to get quick and lasting relief.

Mrs. Altie Etson, of 93 Dun Road, Battle Creek, Mich., used MI-O-NA and within two months was in as good health as ever, and has a good stomach and eats everything she likes, she attributes her present health to the use of MI-O-NA.

If you have heartburn, belching of gas, heaviness or any stomach trouble no matter how chronic, try Mi-o-na stomach tablets on money back plan. Sold by druggists everywhere and by B. F. Fendig, who guarantees them.

### How a Juror Was Lost.

In a southern county of Missouri years ago when the form of questioning was slightly different from now, much trouble was experienced in getting a jury in a murder trial. Finally an old fellow answered every question satisfactorily; he had no prejudices, was not opposed to capital punishment and was generally a valuable find. Then the prosecutor said solemnly:

"Juror look upon the prisoner; prisoner, look upon the juror."

The old man adjusted his spectacles and peered at the prisoner for a full half minute. Then, turning to the court, he said:

"Judge, durned if I don't believe he's guilty."—Kansas City Star.

### An Expert's Opinion of Skin Diseases.

A prominent, national expert on skin diseases whose name you are familiar with says that in all his scientific experience he has never found so hard a disease to conquer as Eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. Mr. A. F. Long will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.
