Kankakee Valley Review.  
Alonzo Groce was born at Columbus, Ohio, November 14, 1870, and died in Kankakee township, Jasper county, Indiana, Monday, July 25, 1910, aged 39 years, 8 months and 11 days. He was united in marriage to Rachael Gross, who with two daughters and one son, mourn the loss of a father and husband. He was injured quite badly last winter by being struck by a train while on the C. I. & S. railroad tracks, and it was feared for some time that he would not recover. After partially regaining his health, he died from an attack of malaria fever. The funeral services were held Wednesday at the home, conducted by Rev. Downey. ## Rensselaer Will Play Ball At Winamac Next Sunday.

The Wrens will go to Winamac next Sunday to play ball. The trip will be made in autos. Captain McLain will arrive home one day this week and will take part in next Sunday's contest.

Brook is scheduled for Sunday, Aug. 7th, but in view of the fact that Rensselaer did not fill its date with them at Brook, it is presumed that they will not come here either. It is possible that the Wrens will go to Lowell on that date.

Of the game to be played at Winamac, the bills advertising it say: "This will be the first appearance of Rensselaer on the local field for some time. They defeated Winamac at Rensselaer, July 4th, but the boys don't think they can do it again and are going to turn the tables on them if they can. Rensselaer put up an article of ball that shows they are in the game all the time, and make an opposing team play hard to win."

## Bruce Porter Writes From Mitchell "Crops are Fine."

Bruce Porter wrote to his nephew, Dr. A. R. Kresler, under date of July 24th that he arrived home two weeks prior to that date and found everything in good shape. He had since cut 50 acres of wheat and all the oats were also in shock. Many are saying that wheat will turn out better than last year, while oats are a little light, but still a pretty good crop. A big rain had taken place the Wednesday before and corn was looking fine. In a note appended Monday before the letter was mailed, he stated that another nice rain occurred that morning. Evidently things about Mitchell are in fine shape.

## Aged Father of Mrs. E. L. Hollingsworth Dies in Michigan.

O. M. Allen, father of Mrs. E. L. Hollingsworth, died Tuesday in Kalamazoo, Mich. Both Mr. and Mrs. Hollingsworth were at his home when the end came. Mrs. Hollingsworth has spent much of the past year there and it was realized that her aged father was nearing the end. Last Saturday Mr. Hollingsworth went to Charlevoix, where his wife was, and together they went to Kalamazoo. Mr. Allen was past 80 years of age. He is survived by his wife and four children.

## NASAL CATARRH.

Henry L. Britton Says it is Easy to Get Rid of.

"My head, nose and glands leading to my eyes and nose were stopped up and swollen, I tried several so-called catarrh cures, but Hyomel, used thoroughly did the curing. There is nothing too good to say in favor of Hyomel. It cured my nasal catarrh."—Henry J. Britton, Frost St., Eaton Rapids, Mich.

Hyomel (pronounced High-o-me) cures catarrh, because it gets where the germs are, and destroys them. It is made of Australian eucalyptus, mixed with other healing antiseptics. When breathed over the irritated and inflamed membrane, it gives relief in two minutes.

Used regularly for a few weeks it will build up and heal the germ-infested membrane and drive out catarrh.

If you own a small Hyomel pocket inhaler, you can get a bottle of Hyomel at druggists everywhere, or at B. F. Fendig's for only 50 cents. If you do not own a Hyomel inhaler, ask for a complete outfit, the price is \$1.00. It is guaranteed to cure catarrh, coughs, colds, croup or sore throat or money back.

Among the treasured family possessions of the family of Joseph Hummel, of Muncie, and carefully preserved beneath a glass case, are two small loaves of bread, each weighing an ounce and a half, that were baked ninety-three years ago and are relics of the famine that swept Germany in 1816 and 1817. Wheat then sold for \$84 a bushel. The loaves are heirlooms in the Hummel family and came into Mr. Hummel's hands when he was visiting his old home in Wurtemberg, twenty years ago.

### WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Rensselaer People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Rensselaer testimony to prove it.

Mrs. Henry Randle, Forest street, Rensselaer, Ind., says: "I have not the least hesitation in recommending Doan's Kidney Pills, as I know them to be a reliable remedy for kidney complaint. Last July I had a severe attack of backache, accompanied by pains through my loins. It was all I could do to attend to my work. When I was suffering the worst, one of my neighbors advised me to try Doan's Kidney Pills, in fact, gave me a few that she had in the house. I took them and was so impressed with the results that I procured a further supply at Larsh's Drug Store. They acted just as represented and in a short time I was free from pain. I think a great deal of Doan's Kidney Pills and highly recommend them."
