Davison County, S. Dak. Is Not Affected By the Drouth.

Davison county, S. Dak., of which Mitchell is the county seat, is having the best crop of its history, according to reports that have reached Jasper county. Evidently old Jasper and her Davison county representatives are right in clover, as well as oats and wheat and corn this year. The letter written by Bruce Porter to Dr. Kresler corresponds with one received today from A. J. Harmon, of Mitchell, which says: "I write to tell you of the condition of our crops in this part of South Dakota. I do not believe I have seen better crops in ten years. Our small grain is good and I have never seen wheat or oats better filled or plumper kernels and I am sure the wheat crop is good for 15 to 25 bushels to the acre. Corn is also the best we have had in years and looks like it should beat last year's average, which was almost 40 bushels to the acre."

"I understand that it has been reported that our crops have suffered from the drouth and I write this letter to correct the report. If any persons want to come out and see for themselves, I will see that their trip, both going and coming, don't cost a cent if things are not just as I represented them."

"The Jasperites here are harvesting a fine crop of wheat and oats and a better prospect for corn never was. Ideal weather for harvest. Regards to all the boys. Everybody here up on their toes and something doing all the time."

FALLING HAIR.

Can Easily Be Stopped, Also Dandruff And Itching Scalp.

If Parisian Sage doesn't stop falling hair, itching scalp, and eradicate dandruff in two weeks, B. F. Fendig stands ready to refund your money without argument or red tape of any kind.

Parisian Sage will put a fascinating radiance into any woman's hair in a few days. It quickly cools the scalp and drives away all obnoxious odors.

Susanne Calahan, of Hotel Royal, Bucyrus, Ohio, on March 25, 1910, wrote: "Last August my mother's hair began to come out very badly and her scalp was so sore it was very hard to do anything for it. We decided to use Parisian Sage and it proved a grand success in every way. Her hair stopped coming out, dandruff all disappeared, soreness all left the scalp and her hair is coming in again very nicely. We only used three bottles."

We recommend it to every one needing it and feel that we cannot praise Parisian Sage too highly.

Parisian Sage is sold by druggists everywhere and by B. F. Fendig for 50 cents a large bottle. Mail orders filled, charges prepaid, by Giroux Mfg. Co., Buffalo, N. Y.

BIG REMOVAL SALE
99c Racket Store

Will move into the Odd Fellow Building on August 1st, and will occupy both rooms of that building. They are being remodeled and finished up in latest style and colorings, giving us the chance we have not had since in business in Rensselaer to properly display our goods. We shall add a few new lines from time to time to suit our trade, and may branch into the Grocery business later on, but at present shall not include them.

Our Store will be Known as Ransford's Department Store

We shall discontinue giving Premiums only on special occasions, and anyone having any of our tickets on The 99-Cent Racket Store must bring them in before August 1st or they will not be taken at all.

We Will be Open for Business on Thursday, July 28th

And Saturday (show day) will be a hummer. We shall give some extra inducements and our show windows will feature these for that occasion. We shall continue to do business at our old stand up to August 3d, and also open our new store the last three days of this month. Don't fail to call at both of our great bargain houses the last week of the month, for our Removal Sale is in full blast, and goods are going at cost. Remember the places, The 99-Cent Racket Store, Makeover Bank Building, and Ransford's Department Store, in the Odd Fellow Block, both opposite courthouse. This is our tenth year in business in Rensselaer, and we thank you for your past patronage and ask a continuance, and we shall strive, as we always have, to give you more and better goods for less money and the more goods you buy of us the cheaper we can sell them to you. It stands to reason. We thank you once more.

After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Siler City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it."

"At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Take CARDUI

The Woman's Tonic

For the after-effects of any serious illness, like the Grip, Cardui is the best tonic you can use.

It builds strength, steadies the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.

Cardui is your best friend, if you only knew it. Think of the thousands of ladies whom Cardui has helped! What could possibly prevent it from helping you?

Remember you cannot get the benefit of the Cardui ingredients in any other medicine, for they are not for sale in any drug store except in the Cardui bottle. Try Cardui.

Advices from east Texas peach orchards indicate that a great portion of the crop, the largest in the history of the state, worth thousands of dollars, is rotting on the trees or in the packing cases, awaiting shipment. This is due, it is claimed, to the fact that the railroads are unable to supply refrigerator cars.
