### THROW AWAY YOUR CAYES, RHEUMATICS.

Immediate Relief for Every One Hobbling with Rheumatism.

Rheumatism at last can be cured, not in months but in days and sometimes in hours. The only antidote known for uric acid, the "Fuss" Rheumatism Cure.

does it. Some of its amazing results are almost beyond belief, yet there is absolute proof for the fact that out of 1,000 cases of rheumatism, not a single one failed to be cured.

The "Fuss" Rheumatism Cure is the true antidote to uric acid. Immediately on being absorbed into the blood, it begins its work of driving out every particle of uric acid from every tissue, organ, muscle and joint.

It reduces inflammation, swelling and pain everywhere in an incredibly short time. "Fuss" is absolutely safe, contains no dangerous ingredients, stimulants or narcotics, such as opium, chloral, morphine, cocaine, chloroform or alcohol.

Get or send for a bottle of "Fuss" right now from your druggist, and throw away your crutch and cane. A bottle of Rheumatism Cure sold at \$1.00 a bottle in Rensselaer by E. F. Fendig, and by all leading druggists, or will be sent prepaid on receipt of \$1.00, or 6 bottles for \$5.00, by the Fuss Remedy Co., Flint, Mich.

### Anson Chapp Writes Postal Card From the Mexican Border.

Anson Chapp, who is now at Roswell, N. Mex., wrote a postal to The Republican under date of March 18th. He said: "I am not so far from the Mexican border and frequently see men from down there. Saw some of the gun shells used at Juarez by the revolutionists. A traveling man was in their camp during the fight. Some of the Americans made up a purse of money for them, but they said they had plenty of money; what they lacked was something to eat. They fight guerrilla method. Most of the Mexicans are very ignorant. May send you a picture of the Mexican militia later. I took it when they celebrated their centennial of freedom."

The fine exhibition last Saturday night is being favorably commented on all over the county and it is probable that the capacity of the theatre will be tested Saturday night. The prices will remain the same, 25, 35 and 50 cents. Bills advertising the match are being printed at The Republican office.

### Lake County Sheriff Thinks He Has Auto Travel Record.

Lowell, Ind.—If any one in Lake county can beat Sheriff Tom Grant's auto record he will hand over his honors. While in Lowell recently with his family Mr. Grant said that he had used his auto for three seasons and it has traveled over 30,000 miles. He has not used his own machine all the time, which, had he done so, would have increased his mileage considerably. This is a pretty good record. Around the ankles—but everybody knows what a harem skirt is, so what's the use of describing it."
