

# The Evening Republican.

No. 42

RENSSELAER, INDIANA, TUESDAY, OCTOBER 13, 1914

Vol. XVII

## Princess Tonight

### THE FOLLOWING ARE SOME EXPRESSIONS FROM NEWSPAPERS AND THEATRE MANAGERS.

Real war pictures are being shown tonight. The public is offered for the first time in history genuine war pictures of the Mexican war. These pictures were made at the battle in Old Mexico, at Tierra Blanco, Jaurez, Mesa, and Ojinaga, and are the most sensational ever offered. They show the actual firing, not far away, but close up. Clear photography taken at great risk 30 feet from the camera. These pictures show everything of interest—Pancho Villa, the famous rebel chief as well as other generals, etc., of both the rebel and federal sides. The pictures of the burning of the dead and half dead wounded men, the scenes of the last great battle of Ojinaga and the 5,000 federal prisoners who surrendered to the U. S. government, are extremely thrilling and should be seen by every resident of the city.—San Rafael (Cal.) Record.

Admission 5 and 10 cents.  
Shows 7, 8 and 9 o'clock.

#### Frank A. Nave, of Attica, Made An Assignment Last Week.

Frank A. Nave, the largest land owner and regarded as the biggest farmer in Fountain county, made an assignment for the benefit of his creditors last week. His liabilities are estimated at \$400,000 and his assets at \$500,000. Will S. Baugh, of Lafayette, is named as assignee. Mr. Nave has 1,500 acres of land in northern Jasper county. Among his other assets are 1,700 acres of land lying within two miles of Attica and known as his Fairview Farm, and personal property valued at several thousand dollars.

#### Boston Takes Final Game From Athletics.

The Boston Braves today won the world's series by taking the fourth straight game from the Philadelphia Athletics. The score was 3 to 1.

#### MONDAY'S BALL GAMES.

The Boston Braves won Monday's ball game from the crestfallen Athletics by the score of 5 to 4. The game was tied 2 to 2 at the end of the ninth and both teams scored 2 in the tenth. In the twelfth Gowdy, whose hard hitting has been the real sensation of the series, led off with a two base hit. Gilbert went to the plate for James and was passed. Moran bunted a slow grounder toward third and Bush scooped it off and threw to head off Mann, who was running for Gowdy. The throw went wild and Mann raced home with the winning run.

In Chicago the Sox defeated the Cubs 3 to 1. The series now stands, Cubs 3, Sox 2.

The New York Giants won their third game from the Highlanders, and the latter have won but one game.

## New Restaurant

On Main Street, near Old Depot Location.

Confections, lunch room, cigars and tobaccos. Meals at regular hours. Lodging in connection.

Open Saturday, Oct. 10th. I will appreciate a share of your patronage.

LEWIS NICHOLS, Prop.

## How The ECLIPSE

### Hot-All-Over Top Saves Heat

Here is one of the many reasons for the big fuel saving with the Eclipse.

By this exclusive top arrangement the fire has to pass under all six lids before escaping.

Note the Old Way! See how the heatslips half the top. The Eclipse Way keeps the entire top hot without heating oven unless desired.

## ECLIPSE STOVES AND RANGES

have many other patented exclusive features which make them leaders.

Come in—and let us explain the Hot-All-Over Top and the Adjustable Damper. How they regulate heat, save fuel, time and labor. Let us explain also about the oversize oval fire box. It has no "dead" corners, no dirt, no waste.

Any size room can be cheaply, easily and cozily heated with an Eclipse Stove. All extra strong and built to stand extra wear.

The makers stand back of us in guaranteeing satisfaction. Come in and examine the line.

C. W. EGER, Rensselaer, Indiana

## NEW LIGHTS ORDERED FOR WASHINGTON STREET

Council Decides On New Nitrogen Lights—Other Proceedings of City Fathers.

At the regular meeting of the city council Monday evening the committee who has been investigating the different systems of street lighting recommended that the new nitrogen lights be adopted for Washington street. Their recommendation was adopted and the light committee was authorized to purchase the material and see that the lights are installed. There will be single lights, one to a post, having great power and handsome in appearance, and will add greatly to the appearance of Washington street when installed.

The contract for a sidewalk on the west side of Main street and the east side of Yeoman avenue was awarded to Harvey Davisson.

The preliminary assessments for the oiling of the streets were adopted and the clerk was instructed to give notice of same by publication. The same action was taken on the Main and Webster street sewers and on the sewer in the alley in Block 12.

The engineer filed an estimate of cost of the Angelica street sewer, finding the benefits to exceed the costs, and the clerk was ordered to advertise for bids, the contract to be let on October 26th.

The following claims were allowed:

#### Corporation Fund.

C G Spitzer, sal mayor	62.50

#### Don Beam President Of Van Rensselaer Club.

The new directors of the Van Rensselaer Club have organized by electing Don Beam, president; E. J. Randle, vice-president; C. E. Garver, secretary, and Elmer Wilcox, treasurer. The club will probably take on some activity now and may reach out to extend its membership and take up the matter of securing larger quarters.

#### Special Meeting of Van Rensselaer Club Wednesday.

There will be a special meeting of the Van Rensselaer Club Wednesday evening to complete arrangements for the annual banquet and to discuss other business matters. Let all members attend.—Don Beam, President.

#### Wall Paper Cleaning.

I will accept a few jobs of wall paper cleaning for the rest of this month.—W. A. Davenport, Phone 437.

Buffalo Creek White Ask coal for sale by Hamilton & Kellner.

#### Who is Mike Dalton, Who Had Pockets Picked in Hammond?

The Hammond Times reports a number of victims of "dips" in that city during the merchants' fall festival last week. A man giving the name of Mike Dalton, of Rensselaer, is reported to have lost \$35 at the Monon station. There is no man of that name here, so far as The Republican can find out, and evidently the victim of the pickpockets wanted to keep his identity a secret.

#### An Up-to-Date Store.

A 5 and 10 cent store in a town the size of Rensselaer must not only have a host of articles to retail for not over 10 cents, but must also have a complete line of ovelty goods. It must, in other words, meet the needs of the community in which it exists.

Because of the fact that it is in a small city where everyone knows each other and are neighbors, it should be accommodating and courteous and take a personal interest in the people with whom it deals. No store better meets these needs than Burchard's 5 and 10 cent and variety store, located in the J. W. Williams building opposite the court house.

This store tries to keep abreast with the times and meet the needs of the community. For this reason you will find from time to time that they are adding new lines of goods, ready to take good suggestions, and zealous in the fulfillment of the obligations placed upon it. If you have not visited it recently you should do so and see the vast improvements that are being made in the makeup of its stock. Watch this page next week and see something of the recently added articles. Or, better still, call and see for yourself somewhat of the diversified stock it possesses at prices that are worthy of the patronage of the most discriminating buyer.

Order a rubber stamp today from The Republican.

## ARCHIBALD M. HALL TO SPEAK HERE

Man Said to Be Able Speaker to Address Voters From Republican Standpoint Friday.

Archibald M. Hall, former Christian minister and professor in the Indiana University, is to speak in Jasper county Friday. He will address the voters of Keener and adjoining townships at DeMotte Friday afternoon at 2:30 and that evening at 7:30 he will speak in Rensselaer. The speakers' bureau of the state republican committee report Mr. Hall an eloquent speaker, thoroughly familiar with the issues and certain to do much good for the republican cause.

This is the first evening political address of the campaign and it is hoped that many ladies will turn out to attend the meeting.

#### G. O. P. to Redeem Michigan; Says Republican Correspondent.

A business letter received today from Michigan closes by saying: "Hoping that all is well with you and that the G. O. P. will redeem Indiana as we will redeem Michigan, I beg to remain, etc."

Well, you can bet Indiana will be redeemed. Honest, patriotic democrats, who have always wanted to keep their party free from corruption, are going to turn their backs on the Taggart-Fairbanks crowd and give their disapproval of the conduct of Homer L. Cook. They are going to show their dissatisfaction with the increased tax levy, with the passing of laws to provide new jobs for the gang and with the increase of salaries and the borrowing of money, and Indiana will be redeemed and restored to its former wholesome condition. Thanks for the good wishes, brother, and we will be ready for a hand shake after November 3rd.

#### Close Call For Monticello Couple Sunday Evening.

William Murdock and Mrs. Molly Tevis, of Monticello, came near passing into glory Sunday evening. It seems that each has a local reputation that is more or less unsavory. Murdock rented a livery rig and invited Mrs. Tevis to share with him the joys of a moonlight drive. The Journal says that both had been imbibing liquor and that they drove to dark, unfrequented places. They started toward the Tloga bridge but made a wrong turn and were driving alongside the Monon track. The horse made a turn on to the track just as southbound train No. 31, which passes through Rensselaer at 7:41, came along and broke up their tete-a-tete. The horse was instantly killed, the buggy was badly smashed but neither man nor woman was hurt beyond a few bruises. Dr. Goodwin examined the couple and found both intoxicated and the woman was taken to her home and the man placed under arrest on a plain drunk charge.

The moral to this is: If you are going to get run over by a train get drunk first.

#### Miss Ida Randle to Be Married in Parsons Soon.

Mrs. B. Forsythe left last Friday for Parsons, Kans., to visit her parents, Mr. and Mrs. Robert Randle, and to be present at the marriage of her sister, Miss Ida Randle, which will soon take place. Miss Randle is quite well known here, having visited Mrs. Forsythe for some time last year. Mrs. Forsythe will be at her former home for about a month.

#### Mt. Ayr M. E. Church Notes.

Sunday school 10 a. m. Preaching Sunday evening 7:30, subject "The True and the False." The ladies will give supper in the church Saturday evening, Oct. 17th. Proceeds for the benefit of church improvement.
