It Always Does the Work.

Toned Up Whole System.
 Chamberlain's Tablets have done more for me than I ever dared hope for," writes Mrs. Esther Mae Baker, Spencerport, N. Y. "I used several bottles of these tablets a few months ago. Why Not Publish It?
 When you want a fact to become generally known, the right way is to publish it. Mrs. Joseph Kallans, Peru, Ind., was troubled with belching, sour stomach and frequent headaches. She writes, "I feel it my duty to tell others what Chamberlain's Tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." For sale by all dealers.

The Lafayette Journal printing office is being moved to its fine new building and the paper asks the indulgence of subscribers for a few days while the equipment is being moved and adjusted. The Journal is a remarkable newspaper for a city the size of Lafayette and its new home places it in the very front rank of first-class newspapers. Its reliability has secured for it a considerable circulation even this far away from Lafayette.

What Would You Do.
 There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sargent, Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.

Ed Ranton, north of town, bought one heifer and a fine bull; Ed Lane, of Newton township, bought two heifers, and William Rose, of Barkley township, bought two cows, one heifer and a young bull. Col. Fred Phillips assisted in the sale and helped to place the cattle with Jasper county buyers. J. J. Lawler Making Many Improvements to His Farms.

J. J. Lawler, the Chicago stockman who has owned land in Jasper county for many years, is now having the barns and other buildings all painted a uniform color and the name of the farm is painted on each barn.

The farms are named as follows:

"J. J. Lawler's Pleasant Ridge Farm."

"J. J. Lawler's Jasper County Headquarters Farm."

"J. J. Lawler's Hanging Grove Township Farm."

"J. J. Lawler's Pinkamink Farm." The buildings on his farms west of town are also soon to be painted and named. Ditching, fencing and other improvements are being made on the farms and Mr. Lawler uses the best cedar posts and woven wire fencing, buying these by ear load lots. James E. Walter, of Rensselaer, is the foreman for Mr. Lawler and is making a good one.

Gifford Lady Married to Monon Township Farmer.

Monon News.

S. L. Johnson, residing northwest of town, and Bertha Barker, of Gifford, were united in marriage at Winamac Saturday, Oct. 3. Winamac is some distance from this place which may in part account for the fact that people here were not apprised of the happy event until several days after it transpired. This coupled with the additional fact that "Jinks" himself said nothing about the affair, going about his daily routine as if nothing had happened, accounts for the publicity omission. Mr. Johnson is one of the best known farmers in Monon township and many friends will join in wishing him and his bride a long and happy union, in which the News joins most heartily.

The columns of The Republican are open to a discussion by local people of the subjects that are to be voted on at the election next month, viz. The Constitutional Convention and the Centennial Celebration. The discussions must not give evidence of being inspired by outside sinister interests, many of which are trying now to get endorsement of their side of the question through the newspapers.

DAIRY SHOW

Monon Arranging Special Train Service for National Event.

For the first time in the history of the national dairy show, Hoosiers will have an Indiana day. The date is Tuesday, Oct. 27. In order that the dairymen of the central part of the state may have a comfortable and pleasant journey the Monon railroad will run special cars to Chicago on Monday evening. The train will leave Indianapolis at 4 p. m. and will arrive at 9:30 p. m.

Stops will be made at Sheridan, Frankfort, Delphi, Monticello, Monon and Rensselaer for parties from each of these places.

John Priest, traveling passenger agent for the Monon, and A. W. Orr, are putting forth their best efforts to make this an enjoyable trip. Special service will be given in every way possible. People going to the dairy show will arrive in Chicago in time for a comfortable night's rest and will be ready to make the most of Indiana day. Parties interested in this trip should get in communication with Mr. Priest, of the Monon, or write the dairy division of the agricultural extension department of the university, Lafayette, Ind.

The first "exemption day" of the term was celebrated in the city schools at Alexandria Tuesday. All pupils who exceed a certain grade are given a holiday once every month.
