NOT AN ISOLATED CASE.

Many Similar Cases in Rensselaer and Vicinity.

This Rensselaer woman's story here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news. Mrs. Aaron Hickman, N. Front St., Rensselaer, Ind., says: "In my opinion Doan's Kidney Pills are the best kidney medicine on the market. I have taken them at different times when suffering from attacks of backache and other symptoms of Kidney complaint and I have always had prompt relief. Over three years ago I first used them and I was so well pleased with the benefit I got that I gave a statement for publication recommending them. Since then when I have heard anyone complain of kidney trouble or backache, I have suggested that Doan's Kidney Pills be procured at Fendig's Drug Store and given trial. Different ones of my family have taken this remedy and like myself, have been greatly benefited."
