Football in Rensselaer High School.

WILLIAM EIGELSBACH.

Football has been the most successful and has been played more in Rensselaer high school than any other athletic sport. For this reason when athletics of the Rensselaer high school is spoken of, it means football. In the sixteen years that football has been played in this school, sixty games have been won, fifteen lost and four tied.

The first football team was organized in 1898. The town team had been playing since 1896. When colors were adopted they selected red and black which Everett Brown suggested, they being the colors of his school at Tuscola, Ill. The high school also adopted these colors when they organized their team.

The coach of the first high school team was Frank Maloy, and Van Grant was captain. The members of the team were B. Roberts, Bruce Hardy, Emory Mills, Ed Mills, Jesse Fox, Roy Yeoman, Pete Medworth, Frank McCarthy, Blain Gwin, Bert Carter, Van Grant, Oliver Tharp and Dick Fidler. Goodland high school and St. Joseph College were played this season.

Frank Maloy coached from 1899 to the middle of the season of 1902. The team of 1899 was composed of Lawson Meyers, Bruce Hardy, Chase Ritchey, Bob Crockett, Roy Yeoman, Emory Mills, Leo Tuteur, Delos Coen, Jay Saylor, Frank McCarthy, Blain Gwin, Jess Porter and John Drake. The teams played this year were Goodland twice, St. Joseph College, and the Baltimores of Lafayette. All four of the games were won.

In 1900 Jay Saylor was captain. Blain Gwin, Emory Mills, Frank McCarthy, Roy Yeoman, Lawson Meyers, Bruce Hardy, Chase Ritchey, Mort Murray, John Drake, Glen Wishard, John Sample and Ray Collins composed the team. Five games were played and all but one were won. The most important of the season was the one in which Lafayette high school, who claimed the championship of Indiana, defeated us by the score 6-0.

In 1901 four games were played. Three were won and one tied by us. Monticello tied us on Thanksgiving.

In 1903 six games were played and three of these were won. One game was lost to Monticello, but we also beat Monticello. Highland Park Military Academy was defeated by us this year. Frank Maloy, who had been coaching us, quit about a week before the Highland Park game. Harry Parker, a Wisconsin player, then began coaching and coached each team after this until 1904. The team was composed of Sheets, Kenton, Hammerton, Pierson, Michaels, Hopkins, Collins, Parkinson, Gwin, McGregor, Kelly, Parsons, and Tom Moody, captain.

In 1903 twenty-five men answered the call for practice the first night. Bob Sheets was captain. Four games were won and one lost. Northwestern Military Academy beat us 15 to 0. Rice Porter, a Rensselaer boy, was captain of Northwestern and Bert Marshall, a player of the town team of a few years before, was coach.

In 1904 seven games were played and all were won by us. Claim was laid to the state championship. One hundred and sixty-seven points were scored to the opponents' ten during this season. The team was coached by Porter and Mills, and consisted of Parsons, Woodworth, Berry, Michaels, Hopkins, Gerber, Ellis, captain, Spitzer, Dobbins, Gwin and Yeoman.

In 1905 Parker was again elected coach and he coached the succeeding years to 1910. During this season the team, which consisted of Kirk, Woodworth, Kepner, Hershman, Tom Willy, Hopkins, Duvall, Yeoman, Capt. Daniels, Robbins, Gerber, Beam, McFarland and Hauser, and won four games and lost one, Monticello defeating us by the score of 11 to 0. The most important game of this season was undoubtedly the one in which R. H. S. defeated Shortridge high school, of Indianapolis 10-0.

In 1906 Rensselaer was state champion under the coaching of Parker. The team was so good that most of the high school teams having games scheduled with us, cancelled, making it necessary that we play Illinois or Chicago teams. The only Indiana teams playing us were Oakwood and Central high school, both of Lafayette. Of the Chicago teams played, Oak Park was probably the best. During this season four games were won and one lost. The Culver Military Academy team defeated us 11-0. This team had defeated Rose Poly, who had defeated DePauw. The members of the team were Beam, Capt. Dobbins, Wilcox, Hershman, Robbins, Hopkins, Elder, Coen, Woodworth, Brenner, Duvall, Parkinson, Morgan, Long, Gorham, Bruner and Kirk.

You can buy Aristos, the best flour made, at what others are getting for lower grade flour.

JOHN EGER.

In 1907 for various reasons there was no team.

In 1908 with Parker at the wheel, Capt. Kirk, Clarke, Elder, Gundy, Novels, Beam, Thompson, Norman, Meyers, English, Porter, Miller and Haas composing the team, five games were won, one tied and one lost. Oakwood of Lafayette beat us 20-0. A tie was played with Hammond but Coach Stagg, of Chicago, ruled that R. H. S. was the victor.

In 1909 Kirk was again captain and Parker coach. Two games out of four were won. The most important game of this season was with Moroco here, the score being 10-0 in our favor. During this game Parks intercepted a forward pass and ran 105 yards for a touchdown. This game, because we played some ineligible men, resulted in our being thrown out of the Indiana High School Athletic Association for a few months.

In 1910, Rice Porter coaching, Don Beam captain and McCarthy, Miller, Hamilton, Moore, Ellis, Hemphill, Smith, Hanley, Duvall, Robinson, Colvert, Novels, Porter and Parks composing the team, four games were won, one lost, and one tied. Austin High of Chicago tied us. This was probably the best game of the season. Austin High was a very strong Chicago team.

In 1911, with Parker back on the job, Hemphill captain, and Robinson, Putts, Price, Miller, Greenlee, Moore, Novels, Hamilton, Hanley, Thompson and Parks making up the team, the state championship was won according to dope. The most important game was with Frankfort, who tied us. Six games were played, five won and one tied.

In 1912, Parker coach, Moore captain, and Price, Putts, Greenlee, Miller, Padgett, Hanley, Choate, Gant, Eigelsbach, James Babcock, W. Babcock, Honan, Healy, Pollard and Lakin composing the team, two games were won out of four. Moroco and Kankakee defeated us.

In 1913, Parker coach, McCarthy captain, with Wilcox, Babcock, Lakin, Groom, Eigelsbach, Hanley, Miller, Moore and C. Eigelsbach composing the team, three out of four games were won. Hammond defeated us 13-7 at Hammond.

In 1914, Parker Coach, W. Eigelsbach captain, with English, Hopkins, Lakin, Gourley, Loy, Price, Simons, Swaim, C. Eigelsbach, Moore, Babcock, Curnick, Crooks, Phillips, Gant and Rhoades making up the team, three games out of five were won. Moroco and Watska beat us in the beginning of the season, but we retrieved our goat by defeating Moroco by a larger score than they defeated us.

In conclusion special notice should be taken of the following facts covering the sixteen years of football in R. H. S. No man has ever been permanently injured. Woodworth and Hopkins played longer than anybody else, they having played before the four-year limit was made. Kirk was captain two years and we held the state championship for three years.

Of the few years that all state men have been picked, Rensselaer has had eight men receive those honors, namely, Hemphill, Hamilton, Chbate, McCarthy, Groom, J. Babcock, P. Hopkins, and W. Eigelsbach.

The men who have figured in athletics since leaving R. H. S. are Simon Kenton, captain of South Dakota, Ray Hopkins, captain of Wabash, Morgan, captain-elect of Butler, Elder, captain of Franklin, Rue Parsons, captain of an independent Chicago team, Park Kelly, captain of Madison high when they were champions of the country, Walter English, Ed Honan, Worth McCarthy, Clarence Smith and Devere Yeoman played on freshman teams in college.

Fred Aggiles played with North Dakota Aggies, Dobbins with Wabash, Blain Gwin and Frank McCarthy with Indiana, Emory Mills with Purdue and Novels at Hanover.

The season of 1914 was the best financial success of any of the preceding years. This year, for the first time in history, sweaters have been awarded to the players.

Rensselaer is as a Monticello paper described us some years ago. It stated it thus: "Rensselaer is the most thoroughly saturated football town in this part of the state. The papers tune with it, the citizens dream of it, the hash tastes of it, the men wear football stick pins, and the girls wear footballs on their hats. All because the town has teams that down everything that comes their way," so,

Hang up old Rensselaer's colors, Be sure you don't forget, For the dear old leather head warriors Have never been surpassed yet.

F. J. Babcock has rented the John English property and will move there the latter part of April when Mr. English leaves for Washington.

CIRCULATE PETITION FOR SUBSIDY ELECTIONS

Attorney W. H. Parkinson Secures
Names of Progressive Merchants
and Property Owners.

O. L. Brown, the promoter, and H. E. Shellhouse, the chief engineer for the Lafayette and Northwestern Railroad Co., came from Lafayette Tuesday morning and took up the matter of having petitions circulated in Marion and Newton townships for subsidy elections and the petitions will be presented to the county commissioners when they convene next Monday.

Attorney W. H. Parkinson circulated the petition in this city and it was signed by the leading businessmen, including Mayor Spitzer. In Newton township O. C. Halstead is circulating the petition and it is believed that it will meet general favor and that the commissioners will order the elections in both townships at the same time. The laws of the 1915 general assembly are not yet in effect and the Babcock-Wood measure to prevent people from voting a subsidy if they choose to do so, by establishing conditions that are impossible in many communities, is not yet operative. Under the present law only 25 resident freeholders are required to sign a petition and they are not frightened out by being required to give a bond for being boosters. It is the intention, however, of Mr. Brown, of the company asking the subsidy, to put up a bond to cover the cost of the elections.

Petitions have also been filed in White county for elections in Round Grove, West Point and Princeton townships, and elections will be held in Jackson and Beaver townships in Newton county on April 24th, thus making a complete chain from West Lafayette to the Illinois line, except through townships where the road passes through only a corner. Mr. Brown has done something that was never done before by a promoter, that is to prepare for filing with the petition a profile showing the exact location of the road through the townships where the elections are petitioned for, so as to leave no doubt about the route to be taken by the road. If all or substantially all of the elections should be favorable, Mr. Brown feels certain that he can finance the road and he has had many encouraging reports from those who are looking after that end.

The road is to run through Marion township in a way to give about the greatest extent of mileage possible and the great possibilities to this city and the surrounding towns and the county are quite sure to again recommend the subsidy to the favorable consideration of our people. If the subsidy is voted and the road never built, then the townships will not be placed to a single copper of expense. If the road is built, the tax will be collected and paid over to the railroad company and the hope we have entertained for so many years will be realized.

Be a booster and help this progressive movement.
Help to make Rensselaer grow.

Dave Peer Taken to
South Bend Hospital.

David Peer, Sr., was taken to South Bend by Dr. Hewitt, of DeMotte, for a surgical operation Monday evening. Mrs. Peer accompanied her husband. About ten days ago a briar from a berry bush penetrated the thumb of Mr. Peer's hand and home remedies were resorted to until Monday morning, when the pain became unbearable and Dr. Hewitt found that blood poisoning had developed through the entire arm and the patient was taken via New York Central.

Card of Thanks.

We wish to extend our heartfelt thanks to the Odd Fellows, the Red Men, the Pocahontas and to Dr. Curnick and the many friends who ministered to us during the long sickness and after the death of our beloved husband and father—Mrs. John W. Smith and son, Floyd.
