WORLD'S GREATEST OUTDOOR ENTERTAINMENT

Varied, All-Around Fair—Races, Horse Show, Circus.

AUGUST 25TH TO 30TH

Never before in all its history has the Kankakee Inter-State Fair presented a fair, horse show, live stock exposition and outdoor circus equal to the one that will this year be presented during the week of August 25th to 30th. Each department of the fair at Kankakee is in itself a classical event; each department alone will furnish entertainment and amusement of outstanding quality. It would be worth a trip of hundreds of miles to see the horse show or to witness the spectacular free acts; to observe the brilliant live stock shows, and to take part in the celebration and hilarity of the countless thousands who attend this fair.

Beginning on Monday, August 25th, and continuing until Saturday afternoon, August 30th, there will be a continuous and unbroken stream of visitors to this fair, coming from all points of the compass; coming by rail, by wagon and by automobile, all to join in this gala week of amusement and entertainment and good time.

Kankakee is a Mecca.

At no other season of the year are the people of Eastern Illinois and Western Indiana presented with greater opportunities for education, for clean, wholesome fun and for witnessing a remarkable all-around fair. All

ready indications are that capacity crowds, embracing the young and the old, the rich and the poor, will journey forth during the last week of August with the Kankakee Inter-State Fair as their Mecca. All of them will come with their minds prepared, for a good time, and none of them will be disappointed. As they come and go from the great Inter-State Fair they will be living witnesses of the unrivaled superiority of this widely famed agricultural fair, race meet and horse show.

The outstanding quality of the mammoth Kankakee Fair is due not alone to the absolute perfection of each department, but is due also to the fact that all of these departments combined produce what has justly been called the World's Greatest Outdoor Entertainment. No matter what interest a person may have in life; no matter what his business may be, or what his inclinations may be, he will be satisfied by a visit to the Kankakee Inter-State Fair. There will be splendid live stock to interest the farmer; automobiles and machinery to attract the mechanic and manufacturer; and a great outdoor vaudeville to satisfy the seeker after amusement. Clean and square races for the sportsman; the horse show for the admirer of thoroughbred stock; auto races for the speed fiend; culinary and textile shows for the housewife, manufacturers and merchants' exhibits for the business man. Then added to all this will be the many refreshment and amusement stands at which to satisfy the palate and to while away the time.

Premier Horse Show.

The far-famed reputation of this Fair for its splendid horse show will be maintained by the programs of 1919. True to its practice of steadily increasing the programs and prizes, the Kankakee Inter-State Fair has augmented its purses for the fancy riders and drivers from somewhat over \$9,000 to a total of \$12,000. The money will be split up into purses for roadsters, for class heavy harness horses, for

attractive ladies' classes, and interesting glg. runabout and tandem shows. There will be substantial premiums for park-horses and for hackneys in harness.

The horse show will take place each afternoon and evening of the fair. During the afternoon there will also be speedy race exhibitions, and both afternoon and evening the free outdoor circus opposite the grand stand and on the spacious midway will be found the World at Home Carnival attractions. The week of the Kankakee Inter-State Fair is a week full to overflowing of amusement, excitement and entertainment.

All soldiers, sailors and marines should be sure to attend the Kankakee Inter-State Fair, August 25th.

The Kankakee Inter-State Fair will be held this year, August 25th to 30th.

CARD OF THANKS.

As I draw myself up this bright August morning prepared to gush forth in a perfect torrent of thankfulness, the thought occurs to me that words are so expressionless and that anything I may say may fail to convey to the dear reader the real feelings imbedded deep within my soul. My vocabulary is so simple and limited that I know it is next to useless for me to attempt to thank those who so kindly assisted me during the knocking off stunt of my late lamented Nancy. Bow your head, gentle reader, as I let loose a wash tub full of tears.

Some bird chirped a muffled when he uttered these all too true words: "The world will little note or long remember what we say here, but it can never forget what we do here." The same applies to me. I can talk a yard stick full here and still not say anything. But what I do want to do is to thank the public for the words of sympathy and condolence with which they showered me since my recent bereavement. My heart is full and my gratitude knows no bounds and I want you to accept my sincerest thanks as readily as a hobo accepts a free ride.

Nancy was so patient, so persevering, so kind and gentle, so pure and sweet, so everything, that her turning up her toes while still on the sunnyside of thirty overwhelms me. Her unswerving loyalty will however remain fresh within my memory. Even in my slumbers I can hear her pitiful bleats as she chug-chugs her way down the avenue to auto haven and the bleats will forever beat fresh on my ear drums. The last rites will be held over the remains at the late spot on College avenue at 2:30 Wednesday afternoon with William Traub wearing the toga and Sam Karnowsky furnishing the free ride for the departed Nancy. Everyone invited.

Yours for sport,
HERMAN B. TUTEUR.

COUNTY EDUCATIONAL NOTES.

State Superintendent L. N. Hines requested success grades from the following applicants on the July teachers' examination: Ura Gwin, Oka Pancoast, Minnie Hemphill, Jane Parkison, Mabel Worland, Tillie Malchow, Edith Thompson, Betty Royster, Marguerite Jones and Nina Washburn. A call for a success grade does not always mean that the applicant has been successful. But there are very few cases where the applicant fails after a call has been made for the success grade.

The township trustees are getting their school houses scrubbed and cleaned for school to open September 8. An extraordinary effort is being made to start every school in Jasper county on Monday, September 8. Teachers are either settling down to take their schools or resigning to accept others. This is the month that this occurs most frequently. Mabel McAhren, who was slated to teach for Grant Davison, of Barkley, resigned last Saturday to take a school nearer home (Indianapolis). We have had no resignations of home teachers, but always teachers who use Jasper county as the last straw and if all others sink then they fulfill their obligations. This is one of the strongest reasons why Jasper county should use its home teachers. It is equally true that home teachers should make themselves equally efficient by attending good normal schools and keeping abreast with the times. Otherwise they should not be used.

The DeMotte school addition is well under headway. It is possible that the schools in Keener township will convene a week or two later than others on account of this.

The following corporations have their reports on file in the office of the county superintendent: Barkley, Carpenter, Gilliam, Jordan, Kankakee, Marion, Newton, Union, Walker, Wheatfield, Remington town and Wheatfield town. The others will likely be in so that the report can be made to the state department by the thirteenth of this month.
