LAXATIVES DON'T CURE

TO CURE CONSTIPATION AND LIVER TROUBLE, THE CAUSE MUST BE REMOVED

Gland, The Great Gland Tonic, which is a Three-in-One Treatment, acts upon the glands, which control the three important digestive organs.

Either one of these three treatments would relieve, but neither one alone will cure.

Constipation is not a disease, it is a condition brought about by the inactivity of the glands. When the liver, which is the largest and most important gland becomes sluggish, the digestion is retarded. The small glands of the stomach and bowels are impaired so the digestive fluids are not properly secreted.

The waste matter is retained in the body and the system poisoned. The common symptoms of this poisoning are headache, tired or achy feeling, nervousness, dizziness, indigestion, biliousness and a sallow or splotchy complexion.

All three treatments only.

Gland Tonic is prepared by the Gland-Aid Co., Ft. Wayne, Ind.

FOR SALE—Sandwich gasoline hay press, in first class condition. Phone 974-L Harry Swartzell.

ALTO RACES

1

known promoter of auto racing will call the first event of the high-speed contests. This will be a one-mile race with three entries. Only record holders will be permitted to enter this class, as it is the intention to hang up a new one-mile time record for dirt tracks. The whirring of the motors and the cyclonic speed of the machines will set the crowd afire with excitement and enthusiasm.

Following this will be five other motor contests varying from three to twenty-five miles. In these events the starters will include America's most famous record-breakers, whose keen rivalry for the track honors will result in spectacular races. For two hours these speedy contests will continue and with the last lap of the last race the curtain will fall on the 1919 Kankakee Inter-State Fair.

Only very reasonable admission charges will be made at the gate and grand stand. As in all other matters the Kankakee Inter-State Fair gives a maximum of entertainment at a minimum of price. The races are held only one day, Saturday, August 30th.

Floral designs of all kinds made to order at Holden's Greenhouse. Phone 426.

NEWSPAPERS MADE FAIR SUCCESSFUL

Secretary of Kankakee Fair interviewed.

LEADING AGRICULTURAL EX- POSITION

Among the thousands of visitors to the Kankakee Inter-State Fair many inquire into the reasons for the remarkable success of that mammoth enterprise. The Secretary of that Fair, Len Small, recently stated to a number of newspaper boys the reasons that underlie its continuous success. His interview was of interest not only to the boys, but will prove enlightening to the public, and especially to business men.

Mr. Small said: "We, of course, do our best to give the public a high-class entertainment. It is our belief that if we please the public, the public will reciprocate by attending the Fair.

Newspaper Biggest Factor.

"But the most important factor," he continued, "in bringing the crowds, is our policy of newspaper publicity. Every year we do a little more advertising and every year our crowds grow bigger. For over twenty years I have watched all our advertising very closely, and I have come to the conclusion that newspaper advertising is far superior to any other kind. We accordingly take liberal spaces in the papers. I am convinced that judicious newspaper advertising has been a great factor in building our fair."

When it is remembered that no other Fair has had a greater record of growth and prosperity than the Kankakee exposition, the full import of the words of Len Small may well be appreciated.

The Kankakee Fair this year will be held August 25th to 30th.

DRIVE TO FAIR.

Auto Trip is Acme of Pleasure.

The Kankakee Inter-State Fair is a week of continuous delights.

An auto trip during the last week in August is particularly enjoyable.

The two combined are the acme of pleasure.

The great exposition opens on Monday, August 25th and closes on Saturday afternoon, August 30th. Shine up the old boat and spin over to the Fair.

The Kankakee Inter-State Fair, world's greatest outdoor entertainment, will be held the last week in August. August 25th to 30th.

AUTO SPEED EVENTS

Races at Kankakee Fair

SATURDAY AUGUST 30TH

One entire afternoon of the Kankakee Inter-State Fair will be devoted to automobile racing. On Saturday afternoon, August 30th, the magnificent Inter-State exposition will be brought to a close by six marvelous speed events.

Before the auto races on Saturday the management will put on the closing exhibition of the circus acts. This will take until about 2:30 in the afternoon. Then J. Alex Sloan, the widely
