COUNTY EDUCATIONAL NOTES.

The Jasper county institute closed last Friday after a very interesting weekly program had been completed. Prof. Edwin Barlow Evans was secured for another year to do institute work much like the work he did before the teachers last week. The program was given variety by the use of much home talent. Mrs. Loren B. Sage did the music work remarkably well. She kindly consented to do this work on account of the resignation of Glenn M. Tyn-dall, who was employed to conduct the music last week. The Fisher family from Milroy township gave the institute music a climax not soon to be forgotten. The musical family consisted of Will Fisher and his three daughters Marie, Juanita and Lillian. Russell B. Wooden sang a solo in the forenoon Friday that was greatly appreciated also. The daily programs were reported by Prof. P. W. Ashby, of Tefft, and Helen Porter, of Remington. Their very efficient work gave publicity to the institute so that many public spirited people from Rensselaer and outside came to a number of its sessions.

The secretary's report shows the following enrollment. This enrollment is short as it records only those who paid the institute fee. Several of our teachers attended institute in other counties and will appear in a later list. The enrollment follows:
