Says "Bugs" Baer: Big crowds watch the bulletin boards down in Washington. Down in the nation's capital a child grows to manhood still believing in Santa Claus and that all world's series are played on bulletin boards.

#### GARY NATIONAL LIFE INSURANCE COMPANY

The Gary National Life Insurance Co. is a Gary Company

It is making a wonderful record.

Although little more than one year old, it is making a record equal to companies eight and ten years old.

#### GARY NATIONAL ASSOCIATES COMPANY

THE GARY NATIONAL ASSOCIATES COMPANY is a Gary Company. It is a mortgage, loan and investment company. We make loans on first mortgages in the Calumet region and loans on farms in the best farming district in Indiana. No loans over 50 per cent of the valuation.

We are selling 6 per cent participating preferred stock in the GARY NATIONAL ASSOCIATES COMPANY and stock in the GARY NATIONAL LIFE INSURANCE COMPANY for a short time only in Jasper county. Most of our stock we are selling in new territory. This is probably your last opportunity to acquire stock in these two wonderfully successful companies.

### AROUND THE WORLD WITH THE AMERICAN RED CROSS.

In the Arctic Circle.

Wherever American soldiers went during the war and after, there also went the American Red Cross. This policy carried Red Cross workers to far corners of the globe and here they are seen near the rim of everlasting ice and snow in North Russia. Automobiles were used whenever possible but on many journeys the reindeer pictured here proved most effective.

#### OBITUARY.

Robert Zick, son of Michael and Wilhelmina Zick, was born on October 12, 1858, in Laporte county, Indiana, and departed this life September 24, 1919, at his home in Walker township at the age of 60 years, 8 months and 12 days. He came to Walker township in 1864 with his parents and resided in that township until his death.

He had been in poor health for the last few years, but was able to be about at his work most of the time.

He leaves to mourn his death three sisters, Mrs. Augusta Dumond, of Park City, Mont.; Mrs. Bruce White, of Rensselaer, and Mrs. William Warren, of Walker township, this county, and one brother, Louis Zick, also of Walker township. Besides the above he is survived by three nieces, Mrs. Benjamin Grube, of Foreston, S. C., Mrs. Clinton Scott, of Kansas, and Mrs. Fred Bodin, of Montana, and one nephew, Lewis Warren, of this county, and a host of friends.

His father and mother preceded him in death. He was unmarried, and during their lives he was very devoted to his parents. Robert Zick was a law abiding citizen, a peaceful and industrious man, a good neighbor and was highly respected by all who knew him. He was a member of the Lutheran church and was liberal in his contributions to works of charity.

He spent the summer of 1913 in the western states visiting relatives and friends.

On account of sickness it was impossible for his sister, Mrs. Dumond, to be present at the funeral.

The funeral services were largely attended by his many friends and were held at the old Zick home place Saturday, September 27, at 1 p. m.

The services were conducted by the Rev. Hinsley, of Medaryville, and interment was made in the Wheatfield cemetery, where he was placed by the side of the graves of his father and mother.

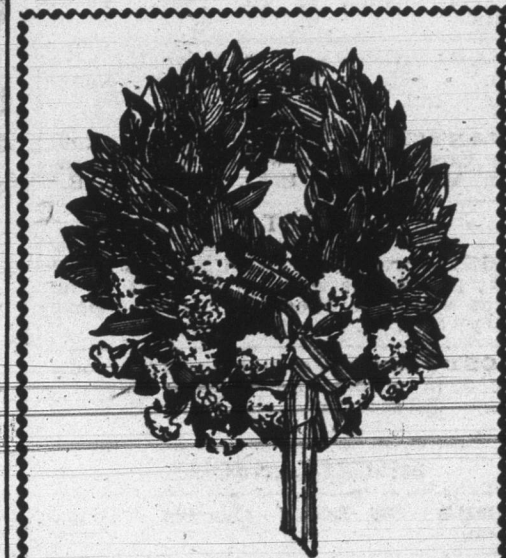

#### CARD OF THANKS.

We thank the neighbors for their help and acts of kindness and sympathy extended during the hours of our great bereavement and sorrow. We also desire to thank the choir and the organist for their assistance at the services.—Louis Zick and Sisters.

Miss Marie Nevill went to DeMotte this morning, where she will be the instructor in mathematics in the DeMotte high school. The schools in this town were delayed in opening on account of waiting for the completion of a new building.

### A SUMMER COUGH

When a cough continues into warm weather, you can feel sure there is a chronic inflammation, which if neglected will develop into serious lung trouble. The best time to doctor a chronic cough is during the warm weather. An external inflammation always receives prompt attention because the condition can be seen, but an inflammation of the delicate mucus surface of the throat and lungs is much more serious. This condition furnishes fertile soil for the developing of the tubercular germ. Be wise and get rid of that cough before cold weather. *Glaxo Pine* is especially good for summer coughs. Accept no substitute. Use *Glaxo Pine* and get Results. For sale by.
