ENJOYING VISIT WITH RELATIVES AND COMRADES.

Mr. and Mrs. M. D. Richardson, of Lansing, Mich., are visiting relatives here. Mr. Richardson is an uncle of Mrs. John G. Hayes and Mrs. Richardson is a sister of Mrs. L. P. Shiner.

From 1856 to 1868 Mr. Richardson was a resident of Jasper county living in Walker township just one and a half miles east of Kniman. He entered the civil war with Co. K of the 48th Indiana infantry and thoroughly enjoys the companionship of the few remaining comrades of that conflict who have not been called to the Great Encampment.

Comrade Richardson is the year past the seventieth milestone. For ten years he has been with the attorney general at Lansing, Mich.

After a visit here Mr. and Mrs. Richardson will visit with John Sebring, of Medaryville, who was a comrade of Mr. Richardson in the civil war.

It is now thought that the milk train going north Wednesday morning will be our last train until the bridge is replaced over the Kankakee river. The railroad has not made known the service we will have while the traffic is blocked at Shelby.

Washington Cook, of McCloysburg, met his son, Samuel, and wife and baby this afternoon. They had just returned from Mesa, Ariz., where they had been called on account of the serious illness of Mrs. Cook's father, Rolla Johns. They report that Mr. Johns is bet-

## COUNTY EDUCATIONAL NOTES.

The trustees met in regular session last Monday and transacted the regular business of the board. The board voted each teacher a visiting day to be given by the county superintendent. Last year the visiting day was confined to the beginning teachers. The importance of the day made each trustee cast his vote favoring a visiting day to all teachers regardless of experience.

Teachers who attend the state association October 30-31 and November 1 at Indianapolis will be given two days' pay. This matter is optional with the teacher.

State Supt. L. N. Hines wrote the board asking if the city of Rensselaer would provide a meeting place for the trustees, county superintendent, presidents of school boards and others interested in rural education. The board voted unanimously to provide a hall, court room or suitable place for this meeting. Superintendent Hines is putting on a series of conferences on rural education in the various congressional districts of Indiana. Rensselaer will be the meeting place for this conference for the tenth congressional district. This meeting will be held in Rensselaer on Thursday, November 13th. Every friend of education is cordially invited to attend this meeting to hear the leading educators of Indiana discuss the subject of rural education.

A Mr. Cook, of Wheatfield township, through Trustee Bowie, invited the board of education to visit at his home three miles north of Wheatfield on Thursday, October 16th. It is understood that the county commissioners were also invited. Mr. Cook is anxious to show all angles of Jasper county what he has done for Wheatfield, Keener and Kankakee townships. The board will be piloted over the different townships and will be at Mr. Cook's home at the noon hour.

The Demotte schools will open next Wednesday. They have a fine new addition that will serve as a community building as well as a school building. Trustee Fairchild has catered to the requirements of the state high school inspector and DeMotte is now on the school map.

Mr. Fairchild has two college graduates in his high school faculty. Miss Margaret Marshall, of Deputy, Indiana, the principal, is a graduate of Leland Stanford and has also done work on her master's degree. Miss Marshall has had a great deal of teaching experience and will give the people of DeMotte a very capable and efficient school administration. Miss Addie Harris is a graduate of the state normal at Terre Haute. She is the other college graduate. The third teacher in the high school is Miss Marie Nevill, of Rensselaer. Miss Nevill has finished her junior year in the Indiana state normal. Mr. Fairchild is in the market for a teacher to assist these three in the high school to fulfill the recommendations of the state high school inspector. Two years ago DeMotte ranked third in the county so far as the number of school children is concerned. It is very likely that DeMotte will hold the same ranking when the schools open next Wednesday. Last year the state high school inspector reduced the school to accredited standing on account of the building. Now DeMotte has a building on a par with the large new building at Fair Oaks.

Supt. L. J. Arend, of Wheatfield, reports that the schools are moving along very nicely at Wheatfield. Prof. Paul W. Ashby is doing some excellent work at Tefft. Prof. A. C. Campbell is getting fine results at Fair Oaks. All the high schools of Jasper county are moving with unusual smoothness to date.

Russell Wooden has reached Washington, D. C., and is liking his work so far.

William May, who was recently discharged from the navy, has been employed to teach in the high school at Wheatfield.

Miss Celia Steifel, of Fair Oaks, visited with home relatives at Salem, Indiana, over Saturday and Sunday.

The schools are running very nicely in most parts of the county.

Mrs. J. M. Banks and son, Robert, returned today from Logansport, where they had visited her parents.

Mrs. K. T. Rhoades, Mrs. R. A. Parkison, Mrs. Kenton Parkison and Mrs. H. E. Parkison motored to Lafayette today.

Mrs. Frank Purcupine, of New York City, who had been the guest of the family of A. F. Long and other relatives, went to Indianapolis today to visit her sister.

Charles Spencer, of DeMotte, was in Rensselaer today and continued to Indianapolis where he will attend the meeting of the grand lodge of Knights of Pythias.

Freight train No. 74, which passes through here in the evening, had two carloads of whisky Monday night, which was being shipped from New York City to San Francisco, Calif.
