—Chesterfield

COMPANIONSHIP in a cigarette? Yes, sir! It's in Chesterfields, sure as you live. Chesterfields begin where other cigarettes leave off. They not only please—they "satisfy!"

Never were finer tobaccos used in any cigarette—silky, aromatic Turkish and the choicest varieties of Domestic leaf, all brought together in a blend so rich, so smooth and so mellow that Chesterfields pile up pleasure with every puff.

No doubt about it—Chesterfields do something that no other cigarette can do—they "satisfy!" And the blend can't be copied.
