DEMOTTE.

Babe and Hanaway shipped a car of stock to Chicago Saturday. The High School are contemplating giving their play "The Laughing Cure" at the near-by towns. They are accompanied by a five-piece orchestra consisting of violin, piano, saxophone, cornet and traps. Mrs. Bert Russell of Kankakee, Ill., returned Saturday, having spent the week with her daughter, Mrs. Harry Feldman.

Mrs. Elma Kenney has come back to her summer cottage, which is a sure indication that spring will soon be here. Miss Lucy Harris of Mt. Ayr came Saturday to attend the High School play, "The Laughing Cure" and visited over Sunday at the Hotel Halleck with her sister, Miss Addie Harris. Mr. and Mrs. Fay Granger, Mrs. Sadie Ricks and daughter, Fay, of Hammond, Ind., visited Sunday with Mr. and Mrs. Geo. Dolson.

"Chuck" Spriggs of Gary, Ind., spent Sunday here with you know. Geo. Hockney went to Chicago Thursday to see Fred Keoster who is recovering from a recent operation. Fred Wolff came Monday to see his "better half." The "Brains of the Village" as one high school teacher remarked, attended institute at Tefft Saturday. Some people say 3 in 1 oil is the best hair restorer on the market. How about it—? Miss Marie Barker went to Kankakee, Ill., Monday for a few days' visit with her brother and family, Dick Barker. Every one (almost) seemed to be interested in the High School play a few pupils and two (2) teachers not being in attendance last Saturday evening. Mr. and Mrs. John De Cook returned Monday from an over-Sunday visit with relatives in Chicago, Ill. The DeMotte High School scored a great success Saturday night in the presentation of "The Laughing Cure" to a packed house at Kankakee's hall. The play was artistically handled and most pleasing from every point of view, in fact, as one followed the performance from the rising of the curtain to the call at the close, it was hard to believe that the clever acting was being done by mere high school boys and girls who were making their first appearance in the lime light. The stage setting was extremely beautiful in its arrangement giving us a full view of the artistically furnished living rooms of the Hansons, in which the audience watched with great interest the treatment of "The Laughing Cure" successfully administered. The play was coached by the school principal, Miss Margaret Marshall. The members of the cast were

CHANDLER SIX Famous For Its Marvelous Motor

Chandler Leads Because of Its Real Worth

It is easy to boast and make claims and to so magnify mere incidents that they may appear as mighty events. It is easy to paint in the colors of exaggeration.

Chandler advertising has never carried boasts or unfounded assertions to the public. It has never extolled some single performance as final evidence of superiority.

The Chandler Six is so distinctly the leader among medium-priced high-grade cars because of its own worthiness, which for sales purposes does not need the support of exaggeration.

Chandler worthiness comes primarily, of course, from its great chassis, light, strong and enduring, featured by the famous Chandler motor developed throughout seven years of constant manufacture with no change of type of design, but with refinements and developments which have kept it long strides ahead of any other six.

This isn't a claim. It's a fact, and over sixty thousand Chandler owners would tell you so if you could ask them.

Six handsome bodies, splendidly built and finished, are mounted on the one standard Chandler chassis.

Other cars of some similarity are listed at hundreds of dollars more

WOOD FAR AHEAD IN MINNESOTA PRIMARY

St. Paul, Minn., March 15.—In complete returns on tonight's republican presidential preference primary gave heavy pluralities to General Leonard Wood and showed Senator Hiram W. Johnson and Gov. Frank O. Lowden running closely for the secondary vote. Because of the brief time given for voting and unfavorable weather in some sections, voting was comparatively light. Although Wood ran second to Johnson in some of the Minneapolis and St. Paul precincts, the former continued to increase his statewide margin, on the face of returns from more than 100 scattering precincts. The total on these was Wood, 1,859; Johnson, 899; Hoover, 575; Lowden, 517. Hoover received numerous "sticker" votes in Twin Cities precincts.

BURLESON PROBABLY WALKED DOWN WITH IT

Lowell, Ind., March 16.—When Miss Ella Palmer was in Buffalo, August 8, 1910, she wrote a postal card to her parents, Mr. and Mrs. J. C. Palmer, telling them of the good time she was having on her vacation trip. The card arrived at the Lowell post office yesterday morning after nearly ten years had elapsed since it was written. It would be interesting to know where the card had been all of these years. Mr. and Mrs. Palmer and daughter are now residents of Hammond.
