

## One Box of Dodd's Kidney Pills Relieves Mrs. Frey's Rheumatism

Mrs. Ira Frey, of Le Mars, Ia., suffered for six long months with the agonies of rheumatism. Then she heard of Dodd's Kidney Pills and bought a box. Here is what she writes:

"For six months I had rheumatism. I had swelling of the limbs, stiffness in the joints and cramps in the muscles. I suffered greatly from backache. My limbs felt heavy, and I had a dragging sensation across my loins. I had a great deal of pain in the top of my head, was often dizzy and had flashes of light and floating specks before my eyes. I had heartburning and could not sleep well. My appetite was fitful and I felt heavy and sleepy after meals. I suffered from shortness of breath. After taking one box of Dodd's Kidney Pills I was much improved."

Mighty few people realize in time that Kidney Trouble is making its advances upon their health. They put off treatment—they say, "Oh, I'll be all right in a day or two." And the malady tightens its grip. Result: Bright's Disease, hospital treatment, doctor's bills—often death.

If your druggist does not carry Dodd's, order direct, sending us 50c in stamps and mentioning your druggist's name.

### Beyond Doubt.

The class in business organization at the Arsenal technical schools was listing the essentials of production, which included management. D. C. Morgan, teacher, defined the meaning of the word and cited examples of "good managers." To illustrate a poor manager, he asked: "What would you call a cook who put one cup of sugar and forty-eight eggs in a cake?"

"I should call her a rich woman," answered one pupil instantly.

## HAD LOST HOPE

But Doan's Effected a Complete Recovery After Other Remedies Failed. Now in Good Health.

Mrs. J. A. Stitsworth, E. Bell Ave., Red Key, Ind., says: "Kidney trouble came on me suddenly and before I realized it I was in a critical condition. My body bloated and my feet and ankles swelled like toy balloons. The kidney secretions burned terribly in passage. My face puffed up and the flesh under my eyes and on my cheeks hung down in folds. I had another thing, when I thought I would die. So much water had collected under my skin, I weighed 175 pounds, a gain of 45 pounds. My night failed and little black specks passed before my eyes. I felt drowsy and was so nervous, I couldn't stand the least noise. Rheumatic pains darted all through me and it felt as if every nerve in my body was affected. Medicine didn't help me and I had little hope or strength left. Finally I used Doan's Kidney Pills and they restored me to health. I am now well and strong."

## Illinois Folks Tell Their Story

Freeport, Ill.—"I can highly recommend Dr. Pierce's Golden Medical Discovery to any one who suffers with bronchitis or deep-seated coughs, and I have found it to be an especially fine tonic for children convalescing from serious illness. When my little daughter was only three years old she almost died with bronchial pneumonia. She was so weak, and it seemed after the crisis had passed that even then she might not recover. It was then that I gave her the 'Golden Medical Discovery' and she grew well and strong in a comparatively short time. She is now fifteen years old and has had neither bronchitis nor any lung trouble since, but is a strong, hardy girl."—Mrs. Marietta Douglas, 17 Wilbur St.

Rock Island, Ill.—"I began to suffer with influenza, which was so prevalent. I ached all over and had a cough and just felt wretched. I began taking Dr. Pierce's Golden Medical Discovery and it brought me through this dreaded disease in splendid condition. ## BEAR CUBS PROBABLY UNIQUE

New Species the Result of Mating Canadian Black and Russian Brown, in London Zoo.

A "marriage was arranged" in London some time ago between Teddy, the black bear from Canada, and Daisy, the brown bear from Russia. The result is the first hybrid black-brown bear cubs ever born in the zoo—they may even be unique, for nature let alone produces no hybrids. They are a rich mahogany compromise between their parents' colorings, and are doing splendidly. Along with the news comes word that the ugliest beast in the world, the Matamora turtle, another emigrant from the new world, has been on a hunger strike ever since his arrival in London. At home he gets his food in a nasty, treacherous way. He has a shell which looks like a lump of rock on which weed grows freely. He keeps quiet and looks like a pleasant stone for fish to rest under. Round his jaws are a number of long lumps which look like desirable worms. These are his ground bait, and even if the Matamora be asleep a nibble rouses him to snap up a meal.

Fate usually has a finger in the engagement ring.

A miller's life is one continuous grind.

## BOTH IN GRIP OF TYRANNY

Parallel in Case of the Farmer and the Unfortunate Lover of the Cornet.

O. E. Bradfutt of Xenia, the farmer delegate at the industrial conference, said at an Xenia tea:

"A farmer was talking to me the other day about the way the middleman tyrannizes over the farmer, and he wound up with a story.

"He said the farmer's position reminded him of a cop. This cop saw a fairly well-dressed customer playing a cornet on his beat, and after the man had played three or four tunes he walked up the front steps of a handsome house.

"No, ye don't, friend," says the cop. "Play yer cornet as much as ye've a mind to, but I'll have no beggin' or sollicitin' on this beat."

"Quite right, officer," says the cornetist. "Glad to hear you're so strict. I guess you don't mind my entering my own house, though. You see, wife objects to my practicing indoors."
