LEW SHANK NOW EXTENDING THE HEALTHFUL HAND

FORMER MAYOR OF INDIANAPOLIS PASSES GOOD WORD ALONG ABOUT TRUTONA

Indianapolis, Ind., March 29.—"As a general tonic for building up a weakened and run down condition of the system Trutona is without an equal." These are the words of Lew Shank, former mayor of Indianapolis, spoken in what he calls "well merited praise" of the perfect tonic. Mr. Shank is now engaged in the storage business at 227-29 North New Jersey street and resides at 3547 East Washington street.

"I must say that it gives me pleasure to recommend Trutona to those suffering as I did," Mr. Shank continued. "For several years I have been bothered with indigestion and constipation. I didn't have a good appetite, either. I tried numberless medicines in an effort to get relief but to no avail."

Trutona was recommended to me and I decided to try it. Today, thanks to this medicine, I feel more able to attend to my business than I have in years. I've found Trutona a remarkable medicine for overcoming constipation, indigestion and a weakened condition of the system. I believe I am passing a good word along in making this statement and I feel it's my duty to recommend Trutona."

Trutona is really a medicine of unusual merit. It is unsurpassed as a reconstructive agency; system purifier and body invigorant, and has been declared peerless as a treatment for stomach, liver and bowel troubles.

Trutona is sold in Rensselaer at the Larsh & Hopkins drug store.
